WIDE-AWAKE MERCHANTS, ADD TO YOUR BUSINESS
Think about the **GRAPHOPHONE**
The enormous sales of the Graphophone, are caused by the fact that it has such
MATCHLESS POWER OF ENTERTAINMENT
That an INTENSE DESIRE FOR POSSESSION is awakened in all who hear it.
IT SUPPLIES AN ACTUAL WANT (THE IRRESISTIBLE DEMAND FOR DIVERSION AND RELAXATION) TO GRATIFY WHICH MANY ARE WILLING TO DO WITHOUT OTHER NECESSITIES. IT IS THE
UNIVERSAL ENTERTAINER OF THE AGE
An inexhaustible source of Wonder and Delight to all.
It is simple in construction, and prices are arranged to suit all pocket books; while the demand will continue as long as human nature exists.
The introduction of a few Graphophones into a community at once creates an increasing demand for RECORDS and SUPPLIES, and a CONTINUOUS BUSINESS is thus established. Why not secure the Liberal Profits which are allowed dealers?

A BIG RECEPTION.

McLoughlin Cabin, Native Sons, Entertains Pioneers.
PROMINENT SPEAKERS PRESENT.
After the Reception a Banquet Was Given—Visitors Shown Signs of Interest About City.

David McLoughlin, son of Dr. John McLoughlin, Oregon City's founder, Hon. F. X. Matthieu, sole survivor of the organizers of the provisional government of Oregon, and Mrs. E. W. Myrick, niece of Mr. McLoughlin, came up from Portland Saturday and were met at the residence of Mrs. W. E. Pratt. In the afternoon Mr. E. G. Caulfield took charge of the party and they drove out to Rose farm and other points of interest. S. W. Moss, the oldest resident of Oregon City, Miss A. C. A. Barclay and other pioneers accompanied them.

Sunday morning Mr. McLoughlin attended mass at St. John's church and assisted in the service. He sat in the place formerly occupied by Dr. John McLoughlin, by the invitation of the pastor. He was entertained at dinner by Father Hillebrand, who gave him a reception in the afternoon, in his rooms, to which all the members of his congregation were invited.

McLoughlin Cabin, Native Sons of Oregon, tendered a public reception to them Saturday evening in Willamette Hall. Livy Supp, president of the Native Sons, presided. Rev. P. K. Hammond made a short prayer and Mayor Dimick delivered the address of welcome on behalf of the city and citizens of Oregon City.

Mr. Charles H. Dye gave a historical sketch of the early events of Oregon and touched on the personal life of Dr. McLoughlin. He spoke of his hospitality and of his dealings as chief factor of the Hudson's Bay Company. Mr. Dye's speech was warmly received.

and a resident of Molalla, gave some interesting experiences. At one time all he and his associates had to eat was wheat and they became very tired of wheat three times a day. Some times they had salt and other times not. Mr. Vaughn and his wife still live on his original donation land claim. They have eleven children, all living.

The musical program was exceptionally good. First came a trio, Mrs. R. C. Ganong, Miss Imogen Harding and Mrs. Nelson Lawrence. Pleasing solos were rendered by Miss Harding, Mr. George Howard, Miss Conyers, and Dr. Francis Freeman.

The reception ended with a banquet. All of the good things were on the menu. The young people passed a few pleasant hours in dancing.

Mr. McLoughlin left for his home in Fort Hill, Idaho, this week, and Hon. F. X. Matthieu and Mrs. Myrick returned to their Portland homes.

BOARD OF COMMISSIONERS.
Regular June Term of the County Board.

J. R. Morton, John Lewellen and T. B. Killin, Commissioners.

In the matter of the Fred Wagner road:
In the matter of the report of Chas Andrews, H. Andrews and H. Cook, viewers appointed at the last term of this board to view and locate a county road situated in Clackamas county, Oregon and described in full on page 38 of this journal, said viewers filed their report showing that they had met on the 15th day of May 1901, a day named in the notice served upon them and were duly sworn by subscribing to a written oath of office administered by John W. Meldrum, deputy county surveyor, after which they proceeded to the designated place and did view and caused to be surveyed by said John W. Meldrum, deputy county surveyor, the above described road. They also filed the field notes and plat of the survey; said viewers report favorably to the establishing of said road as viewed and surveyed for the reasons that it is a good practical route and of public utility; said report was read on yesterday and now on this day on its second reading, and it appearing to the board that there is no remonstrance or petition for damages filed, and being satisfied that said road will be of public utility, it is ordered and judged that the field notes and plat of said survey be recorded and in all respects approved and that the said view and survey be established as a county road and that the expenses of said view and survey be paid by Clackamas county and the clerk is hereby ordered to issue the necessary notice to the supervisor of the district or districts in which said road lies to open and work the same.

CITY OFFERS \$7.

Willing to Pay That For Lights on Six Year Contract.
WOULD SAVE \$500 PER YEAR.
City Hall is on Stratton Property and Must Be Removed or Land Purchased.

The city council met Tuesday evening pursuant to the call of Mayor Dimick for the purpose of considering the lighting question and other matters.

The committee on streets and public property reported that they had been informed that the city hall was occupying a 14 inch strip of Mrs. Stratton's lot and that the owner wished the building removed. The matter of buying the strip was discussed, being cheaper than to move the building, and it was finally decided that a surveyor should be employed to survey the land to ascertain without doubt if the city hall is on the Stratton property.

The report of the committee on street lights showed that Manager H. W. Goode, of the General Electric Company had offered the city arc lights for \$7 per month on a ten year contract. The recorder was instructed to notify the company that the city would accept the following terms on a six year contract: 2000 C. P. arc lamps, \$7 per month; 25 C. P. incandescent lamps, \$1.25 per month. It is believed that the P. G. E. Co. will accept to these terms. These figures represent a saving of about \$500 a year from the present price.

The water commission was requested to show reasons, at the next regular meeting of the council, why a water main should not be put in on Sixth street and fire hydrants at Tenth and Jackson streets and Third and Jefferson streets.

The recorder was instructed to notify all persons in districts 1 and 2 to make connections with sewers before August 1, and that the law would be strictly enforced after that date.

Around the Court House.
Adoption papers were filed in the county court Friday by Geo. S. and Minnie C. Barnholzer granting them the authority to adopt Dora Burget, a three-year-old child. She was abandoned by her father, Frank Burget and was surrendered to the Boys and Girls Aid Society by her mother, Billa Burget. The child's name is changed to Dora Barnholzer.

In the matter of work on the Everhart hill:
This matter coming on and the Board being fully advised, it is ordered that W H Engle, road supervisor of district No 26, commence and work the hill recently surveyed and known as the "Everhart Hill," by grubbing, clearing and working said hill, with work subscribed by citizens of said district No 26, and of Clackamas county, and by working what is known as the Engle petition first.
