Deafness Cannot be Cured by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever...

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

SCORE WAS FIERCE.

Fontella Wins From Company A. by a 22 to 10 Score.

The result of the baseball game on Willamette Falls field Sunday between the Fontellas and Company A team was a surprise to a great many people. The home team started in with a dash and energy that is characteristic of them at the commencement of the game and made four runs before the Portland nine were on the score card. Bell seemed to lose his arm during the rest of the game and costly errors by Lee and Church did the rest. Whitehouse twirled the sphere for the visitors and was easy to hit but gave away few bases. In the eighth inning Fontellas made 12 runs and afterwards the game was uninteresting. The players and their positions were: Bell, P.; Whitehouse, C.; Zan, 1B.; Schmeer, 2B.; Parrott, 3B.; Fay, LF.; Webber, RF.; Oliver, CF.; Jacobs, SS.; Parrott, R.

Table with 2 columns: Player Name, Score. Fontella 22, Company A 10.

"What Shall We Eat?" Every day the same old question, What shall we eat for breakfast, for luncheon, for dinner? assails with monotonous regularity the patient housewife who seeks to provide good living for the family in agreeable variety at a moderate cost. There is a daily department in The Chicago Record-Herald, which is intended to answer this question satisfactorily every day in the year. It is entitled "Meals for a Day," and provides menus for the three meals every day, with the necessary receipts. These menus and receipts are carefully selected by The Record-Herald's household editor, and cash prizes are awarded to the best that are received. Housewives everywhere are invited to participate in the competition. For full particulars, see the "Meals for a Day" department in The Chicago Record-Herald.

DO YOU OWN YOUR HOME? If not why don't you stop paying rent and apply the money towards the purchase of a home? A first class opportunity is now open to you in the proposition that the WILLAMETTE FALLS COMPANY is making to sell small tracts of its land near the town of Willamette Falls on such reasonable terms that a person with a very small income may become a home builder. These tracts vary in size from two and one-half acres up, all good level land and first class soil suitable for cultivation. On one of these tracts you can have a small orchard and also raise all the vegetables and small fruits that a family can use, and with the addition of a cow and chickens, a large part of your living can be made on the place. There is a good school in Willamette Falls and your children will have excellent educational facilities. Easy access is had with Oregon City over the WILLAMETTE FALLS RAILWAY with cheap fare and cars are run to accommodate the mill hands. Why not get out of town and give your children breathing and play room and thus insure their good health? Don't you think that you would feel more independent and contented if you owned your home than you do when living in a rented place? If you are interested in this matter apply to C. A. Miller at WILLAMETTE FALLS RAILWAY STATION, West side for full particulars. WILLAMETTE FALLS COMPANY
