His other children were Frank Busch, of Oregon City and Mrs. Gustave Fredericks, of Parkplace. The funeral was held Monday and the interment took place in the Catholic cemetery. Mr. Busch was born in Austria and came to this country about 25 years ago. He had been in feeble health for a long time.

BALL GAME SUNDAY.—The Gervais Stars and the Vancovers will meet at 2:30 Sunday afternoon on Willamette Falls field. At Gladstone Gervais got the short end of it, but since then their nine has been strengthened considerably and an interesting game is anticipated. An excursion will run from Vancouver and the friends of both teams will be very much in evidence. The management of the grounds have made arrangements to seat the crowd.

BUILDING SOLD FOR \$26.—The building at the head of Main street has been sold to Geo. W. Hulbert, a feed yard man, for \$26. He is tearing it down and will use the lumber for building barns. When the water commission purchased the lot, the building stood on it and as they had no use for it and wanted it removed at once, it was sold for a song. The plans and specifications for the new building, in which a filter plant is to be installed, are being drawn up, and as soon as they are completed work will commence.

THROWN FROM A BUGGY.—Mrs. Rebecca J. Blanchard, of Canemah, accompanied by her son-in-law, A. F. Stokes, and her daughter-in-law, Mrs. Lincoln Blanchard, while returning home from Gladstone Park Friday evening, was thrown from her buggy, suffering a broken thigh bone and a cut in the head. A team was trying to pass and Mrs. Blanchard's horse became unmanageable. Mrs. Blanchard was taken to her home and medical assistance summoned. She is resting easily and bears up wonderfully under the shock considering her advanced age, 76 years.

UNDER BONDS TO KEEP THE PEACE.—J. W. Hilleary, postmaster at Damascus, and a merchant of that place was arraigned in the Justice court Friday on a charge of assault with a dangerous weapon, preferred by J. C. Elliott, who has a store at Damascus. The testimony showed that Elliott, while under the influence of liquor, got into a quarrel with Hilleary, who pick d up an ax but did not strike Elliott. The complaint was dismissed but Hilleary was placed under \$500 bonds to keep the peace, which was furnished by his father, Henry Hilleary and Ernest Matthies.

RECEPTION TO DEPARTMENT OFFICERS.—Monday evening a reception was given to the newly elected department officers of the Woman's Relief Corps. TROPHY WINNERS BEATEN.—The Vancouver Baseball club, who defeated all comers in the contest at Chautauqua for a silver cup, were bested Saturday afternoon by the Company A team, who showed their superiority at every point. The score was 8 to 6 and it is a cinch that had the home team entered the tournament they would of carried off the trophy. While several members of the club were with the Third regiment at Wilhoit, the nine might have played with the assistance of picked men, but the manager says the home club was not offered the same inducements as the visiting teams. Manager Cross, of the Chautauqua Association, denies this and states that the same proposition was offered to all clubs.

CROP CONDITIONS.—The harvest of fall-sown grain is becoming general. Wheat, oats, rye and barley in the Willamette valley continue doing well. The heads are large and well filled with plump berries. Spring wheat is generally very promising, but in many sections it needs rain. In southern Oregon the protracted dry weather has been injurious to grain, and the yields there will be below the average. Hops are generally free from lice and making satisfactory progress although in some few sections the lateral vines are reported deficient, which means that there will be a corresponding shortage in the yields. Corn, potatoes

and gardens continue making slow advancement, and sugar beets are promising, but all these crops, as a rule, would be benefited by more rain as well as by warmer weather. The cherry season is drawing to a close and early peaches and apples are beginning to ripen.

STOLE MR. GRIFFITH'S CLOTHES.—Last Friday Attorney Griffith, taking advantage of the absence of his family, who were camping at Gladstone, engaged a tramp painter named Gus Mills, to paint a floor in his house. The man did the work and told Mr. Griffith he would retain the key and return to touch up the job. After retouching the picture on the floor he discovered a bottle of fire water, which Mr. Griffith kept in the house for medical purposes. He imbibed a goodly quantity of the cup that cheers and felt so good that he purloined clothes to the value of about \$60, besides other articles, and skipped to Portland. His description was telephoned to that city and the man was arrested by Detectives Snow and Kerrigan. Monday morning, in the Justice court, he waived examination and was bound over in \$250 to appear before the circuit court. His attorney, G. B. Dimick, has written to Mills' mother, who lives in Indiana, to ascertain whether or not she will put up the amount. Meanwhile the painter languishes in jail, pondering on the vicissitudes of life.

China Wedding Anniversary.—Rev. and Mrs. Phillip K. Hammond celebrated the 20th anniversary of their marriage Monday evening at their residence. The floral decorations were exquisite. The guests were principally members of St. Paul's church and warmly congratulated Mr. and Mrs. Hammond, who were presented with a 96 piece set of Haviland china. Mrs. Hammond also received many lovely china pieces from Eastern relatives and friends. After a few hours of social chat ice cream and cake were served.
