The heat in Kansas and Missouri is withering. Numerous cities have completed 90 days with only a trace of rain. At Ottawa, in the eastern part of the state, a temperature of 108 is reported. There the river is drying up and the city will soon be without water. In the district around Concordia the heat was withering, causing a number of prostrations. At Leavenworth the temperature was 107. This was about the average for the entire state. Corn, which had fairly good prospects a week ago, is beginning to tassel out and this will prove its destruction. The slight rains of a few days since freshened the cereal and helped it to grow a little and then the mischief was done, for soon the tassel began to appear and now what there is of the corn will be so far progressed toward maturity that even if rain does come now, it will not help the corn greatly.

At a meeting of steel workers in the Pittsburg district, the following resolutions, indorsing non-unionism were passed: "Whereas, there is at present trouble existing between the Amalgamated Association of Iron Steel and Tinworkers, and the American Sheet Steel Company, which has arisen by reason of the said association demanding that all nonunion mills be organized into the union, which demand we do not indorse, therefore be it Resolved by the iron workers of Vandergrift, Apollo, Leechburg and Saltsburg, assembled this 20th day of July, 1901, at Vandergrift, Pa., that we hereby express our loyalty to the managers of the American Sheet Steel Company. During the years we have worked for said company we have received only the fairest treatment at their hands; our wages have been entirely satisfactory and we ask that we be permitted to work nonunion as we have been doing since 1893. We feel that no labor union can make our condition any better or more honorable than it is at present, since we are subject to no one man's dictation."

Admiral Schley will ask for an investigation at the hands of a naval court of inquiry and then sue Historian Maclay for libel. The alleged libellous statement appears in Mr. Maclay's history of the United States navy, in which publication Schley is said to have run away 'in caiff flight,' and is, in addition, denounced as a coward, a cur and a traitor.

An article from Dr. Robert Koch's paper was read before the British congress of tuberculosis today in which the writer states that his experiments had shown him that human tuberculosis and bovine tuberculosis were radically different diseases, and that he had amply demonstrated that cattle could not be infected with human tuberculosis.

Thursday, July 25.

The terrific heat in Chicago has been broken by a storm of wind and rain.

AFTER

The guests are gone the smile slips from the face of the hostess and she gives up to the pain which racks her body. Many a woman entertains and wears a smile while her back aches and her nerves quiver with pain. Surely any medicine which offers relief to women would be worth a trial under such conditions. But when the woman's medicine, Dr. Pierce's Favorite Prescription, is offered with the proof of efficacy in thousands of well attested cures, what excuse can then be offered for suffering longer?

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well. It dries enfeebled drains, heals inflammation and ulceration and cures female weakness. "It is with the greatest pleasure I write you the benefit my mother has received from your 'Favorite Prescription' and 'Golden Medical Discovery,'" says Miss Carrie Johnson, of Lowellville, Ashcroft Co., W. "She suffered untold misery with uterine disease and nervousness, and had a constant roaring and ringing noise in her head. After taking six bottles of Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery,' she was entirely cured."
