It has employed 1200 men at its busiest times and its cost is placed at 5,000,000 by officials of the steel corporation.

Eben Boyce, the Tacoma wife murderer, is hanged. The Boyce case became famous all over the state from the fact that when the remittitur was returned to the lower court and County Attorney Campbell asked that a death warrant fixing the time and place of execution be made out, Judge Snell refused to do so, on account of the tangled condition of the capital punishment act. Immediately thereafter Governor Rogers issued a call for a special session of the Legislature, resulting in the appeal of the Rand law and the substituting of another act covering the capital punishment question, to take effect 90 days after the adjournment of the special session.

The great steel strike on the general order of President Shaffer, of the Amalgamated Association, became effective today, and thousands of workers left their places to return at some indefinite time in the future, either victorious over the ironmasters, or in humble defeat. Mineworks resolve to support the strike. The American Tin Plate Company announces that its crippled plant will be dismantled.

John Winters, who was arrested for the Selby Smelting Works robbery, has confessed the crime, and so far \$130,000 worth of bullion has been recovered from the bay where he sunk it. Winters planned and carried out the job alone

and sunk the bullion in tide mud. He will probably not be prosecuted for there is no evidence against him. All that has been drawn from him was secured by the detectives under promise that it would not be used against him. Under such circumstances it would be extremely difficult to secure a conviction.

Piecing.

That's a word which may not be in the dictionary in this sense of its use, but which is in very common use in some sections of the country. "She's always piecing" they say of the woman who runs to the cupboard at irregular hours and eats a piece of pie, cake, or some other dainty. This irregular eating is one of the chief causes of dyspepsia and "weak" stomach. Diseases of the stomach and other organs of digestion and nutrition are completely cured by the use of Doctor Pierce's Golden Medical Discovery. It increases the supply of rich, pure blood, and gives the body vitality and vigor.

"A year ago I was feeling very badly," writes Mrs. Lizzie Abrams, of 158 Johnson Avenue, Brooklyn, N. Y. "I had a very poor appetite and when I sat down at the table I could not eat, but would have to go away without even tasting the food. Changing to hear from a friend who used your 'Golden Medical Discovery' for a disease similar to mine, I thought I would give the medicine a trial, and I can hardly express the benefit received from it. The first dose seemed to do me good. My appetite returned and I was able to eat heartily. I have improved so much since taking the 'Golden Medical Discovery' I do not look like the same person. Am today well and strong—the result of taking six bottles of Dr. Pierce's Golden Medical Discovery."

Dr. Pierce's Common Sense Medical Adviser, paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

The democratic state convention of Virginia nominated A. J. Montague, the present attorney-general, for governor and Joseph E. Willard for lieutenant-governor. The platform will embrace an anti-trust plank, a plank favoring the fellow-servant or employer's liability, and a statement in regard to general primaries for the election of United States senators.

There is a class of people who are injured by the use of coffee. Recently there has been placed in all the grocery stores a new preparation called GRAIN-O, made of pure grains, that takes the place of coffee. The most delicate stomach receives it without distress, and but few can tell it from coffee. It does not cost over 1 1/2 as much. Children may drink it with great benefit. 15 cts. and 25 cts. per package. Try it. Ask for GRAIN-O.

What A Tale It Tells. If that mirror of yours shows a wretched, sallow complexion, a jaundiced look, moth patches and blotches on the skin, it's liver trouble; but Dr. King's New Life Pills regulate the liver, purify the blood, give clear skin, rosy cheeks, rich complexion. Only 25c at Geo. A. Harding's drug store.

Don't be satisfied with temporary relief from indigestion. Kodol Dyspepsia cures permanently and completely removes this complaint. It relieves permanently because it allows the tired stomach perfect rest. Dieting won't rest the stomach. Nature receives supplies from the food we eat. The sensible way to help the stomach is to use Kodol Dyspepsia Cure, which digests what you eat and can't help but do you good. Geo. Harding.

A YOUNG LADY'S LIFE SAVED. At Panama, Columbia, by Chamberlain's Colic, Cholera and Diarrhea Remedy.

Dr. Chas. H. Uter, a prominent physician of Panama, Columbia, in a recent letter states: "Last March I had as a patient a young lady sixteen years of age, who had a very bad attack of dysentery. Everything I prescribed for her proved ineffectual and she was growing worse every hour. Her parents were sure she would die. She had become so weak she could not turn over in bed. What to do at this critical moment was a study for me, but I thought of Chamberlain's Colic, Cholera and Diarrhea Remedy and as a last resort prescribed it. The most wonderful result was effected. Within eight hours she was feeling much better; inside of three days she was upon her feet and at the end of one week was entirely well." For sale by G. A. Harding, Druggist.
