A Minister's Mistake.

A city minister was recently handed a notice to be read from his pulpit. Accompanying it was a clipping from a newspaper bearing upon the matter. Tae clergyman started to read the extract and found that it began "Take Kemp's Balsam, the best Cough Cure."

This was hardly what he had expected and, after a moment's hesitation, he turned it over, and found on the other side the matter intended for the reading.

Geo. W. Lane, Pewamo. Mich., writes: Your Kodol Dyspepsia Cure is the best remedy for indigestion and stomach trouble that I ever used. For years I suffered with dyspepsia, at times compelling me to stay in bed and causing me untold agony. I am completely cured by Kodol Dyspepsia Cure. In recommending it to friends who suffer from indigestion I always offer to pay for it if it fails. Thus far I have never paid."
