THE LOCAL NEWS.

DEATH OF REO FRENCH.—Reo French, the four-months old daughter of Mr. and Mrs. French, of Parkplace, died Tuesday. The funeral took place at Mountain View cemetery Wednesday. Rev. A. J. Montgomery officiating.

INCREASE IN SCHOOLS.—Eighty pupils have been registered in the public schools this week in addition to the registration of the first week and the total number enrolled is now 543. The Board has ordered new seats to accommodate the increase.

MOTHERS' CLUB.—The Mothers' Club meeting scheduled for last week was postponed out of respect to the memory of the president and will be held at the residence of Mrs. Geo. C. Brownell next Thursday. Mrs. A. H. Adams will address the meeting.

NEW COUNTY TEACHERS.—New teachers have been appointed in the following districts: No. 61, Millie Kruse, Oregon City; No. 36, Grace Miller, Oregon City; No. 40, Olive Currie, Eagle Creek; No. 58, Zura Matfield, Ellwood; No. 57, Lillian F. Glass, Willott.

PRIZES FOR POULTRY.—J. Morris and Son, proprietors of Mountain View Poultry Yard, have been awarded three first cash prizes and two second cash prizes at the State Fair for the best exhibit in the Plymouth Rock Class: First, pullet; first, cock; first, hen; second, cock; second, hen.

CITY CLERGYMEN.—The clergymen of Oregon City are requested to examine the church notices published weekly on the eighth page of The Enterprise under the head of "Sunday Services." It is the desire of this paper to keep these notices corrected up to date and this can be done only with the co-operation of the city clergy. The columns of The Enterprise are always open for church news of any description and announcements for services are especially desired.

DEATH OF MRS. W. W. PORTER.—Mrs. W. W. Porter died at her home in Willamette Tuesday, of valvular disease of the heart, aged 43 years. She had been sick for several months and her illness became alarming several weeks ago. She leaves a husband and one daughter. Funeral services were held in the Methodist church Wednesday afternoon, Rev. A. J. Montgomery preaching the funeral sermon. The interment was in Mountain View cemetery.

CHANGES IN HIGH SCHOOL COURSE.—The following changes have been announced in the course of study for high schools: First year—history—European history: An outline of its development; A history of Greece, for high schools and academies; A history of Rome for high schools and academies. Third year—modern history—European history: An outline of its developments; A history of England for high schools and academies, if the course is a four years course.

American history and students history of the United States. The government of the American people, if the course is a three years course.

ACCIDENT TO W. O. VAUGHN.—Last Friday W. O. Vaughn, of Molalla, met with a severe accident, which will confine him to his bed for some time. He was cutting heavy cedar posts, one of which caught in some heavy timbers and did not fall to the ground. He tried to pull it down with a pole and the timber struck a dead tree, which hit Mr. Vaughn in the back, causing a fracture of the pelvis. Dr. Sommer was called to attend the wounded man, who is resting easy, but it will be several weeks before he can be about.

AWAITS HIS TRIAL.—Charles McKinney is in the county jail awaiting the action of the circuit court on a charge of sodomy. He was discovered in a barn last Sunday with the little son of a Main street boarding house proprietor, but was caught in time to prevent his carrying out his sordid intentions. He tried to escape but was caught at Canemah by Chief of Police Burns. McKinney, who is a specimen of the genus hobo, says drunkenness was accountable for his action. Judge McAnulty bound him over.

HONOR FOR OREGON.—Mrs. William Galloway, of this city, department president of the Woman's Relief Corps, has been elected a member of the National Executive Board and a member of the National Council. This news is very gratifying to the local corps as well as to the department, as it is only the second time Oregon has received recognition at a National Convention. The state was fully represented at the late convention in Cleveland. Mrs. Galloway is now at Buffalo and will visit in New York, Wisconsin and St. Paul, returning to Oregon City about October 20.

ALTOGETHER TOO SPEEDY.—In each of the several ordinances granted to the Portland City & Oregon Railway by the city there is a clause which provides that cars shall not be operated within the limits of the city at a higher rate of speed than seven miles per hour. At a meeting of the council several weeks ago Recorder Curry was instructed to notify the company that their motormen were not observing the provisions of the ordinance. While the traveling public wants to get there with all possible speed, a speed of 15 or 20 miles an hour endangers public safety and should not be permitted.

ONE FARE TO THE STATE FAIR.—The Oregon State Fair at Salem, September 23rd to 28th, 1901, inclusive, promises to be the best this year that has yet been held. New features for amusement and instruction have been added, and particular attention will be given to the stock exhibit, owing to the great and constantly increasing interest in dairying throughout the state. For this occasion, the Southern Pacific Co. will make a rate of one fare for the round trip, from all its stations in Oregon, to Salem and return, and it is hoped that everyone who can do so will show his appreciation by taking advantage of this opportunity to pass a few days pleasantly and profitably at our state capital.

ASSESSMENT ROLL COMPLETED.—The assessment roll for 1901 has been completed and the assessor's force is working hard on the index and totals. A comparison of this year's roll with the 1900 roll shows nearly 37,000 entries, against over 13,000 last year. This is caused by the new law, which makes it compulsory for the assessor to assess each lot separately. Last year's roll occupied 700 pages and the 1901 roll fills 1241 pages, exclusive of the military roll. The summary will be completed in about three weeks, after the meeting of the Board of Equalization, which commences its session October 14, and which is composed of the county judge, county clerk and county assessor.

CLACKAMAS RAPIDS.—Steamboats on the Willamette between Oregon City and Portland are confronted on their up-

river trips by an ugly obstacle in the form of the rapids where the Clackamas river empties into the Willamette. When the water is high no difficulty is experienced, but at this season of the year it is next to impossible for steamers to pass. The Oregon City Transportation Company's boats usually get over after a hard struggle, lasting sometimes for a half hour but some of the Oregon Railway & Navigation Company's steamers have to line over. It is particularly troublesome on Monday mornings, as the river is lower then, on account of the mills not being in operation on Sundays, causing the water to dam up above the falls. What little water that comes through Sundays is from the Portland General Electric Company's station.

NATIONAL GUARD INSPECTION.—Company A, Third Regiment, O. N. G., will assemble in its armory on Monday, September 30, at 8:30 p. m., and will be inspected and mustered by Major G. C. Von Egloffstein. Weekly drills by company will be regularly resumed on and after Monday, October 7, and continue until further orders. Companies will be on the floor of the large drillroom, fully formed, promptly at 8:30 o'clock p. m., and drill progressively in the several schools as laid down in the drill regulations until 10 o'clock p. m. As a tribute of respect to the memory of the late president of the United States, officers of the regiment will wear crape upon the sword hilt for a period of 30 days. The usual badge of mourning is a piece of black crape five inches wide, the flowing ends not to exceed 12 inches in length.

Portland Carnival and Exposition.

The great Carnival, which opens at Portland on September 20 and continues until October 19, 1901, will be well worth a visit to the metropolis.

Exhibits of agricultural and horticultural products, mining and manufacturing industries, athletic exercises, a horse show at which feats of horsemanship and the various forms of fancy riding will be seen, and a magnificent military tournament, participated in by picked companies from the Oregon National Guard, are a few of the attractions at the Carnival this year.

The Southern Pacific Co. will sell tickets at low rates for this occasion, and will also run a special excursion from Ashland to Portland and return, stopping at all intermediate stations, the date and rates for which will be announced hereafter.

A Communication.

Mr. Editor—Allow me to speak a few words in favor of Chamberlain's Cough Remedy. I suffered for three years with the bronchitis and could not sleep at nights. I tried several doctors and various patent medicines, but could get nothing to give me any relief until my wife got a bottle of this valuable medicine, which has completely relieved me.

—W. S. BROCKMAN, Bagnell, Mo. This remedy is for sale by G. A. Harding, Druggist.

FOR THE \$450 PRIZE.

Young Men's Christian Association Would Like Your Vote.

The Young Men's Christian Association has entered the contest for the piano, to be given away Jan. 20, '02. It needs the piano worse than other organization in the city, and can use it to better advantage than other institution for several reasons, viz:

1. We are fitting up our rooms to make them attractive, comfortable and beneficial to the young men of Oregon City. Several changes have been made and much new equipment purchased. A new piano would add very materially to the furnishing.

2. The piano we now have is old, but would be valuable in the gymnasium to use while drilling classes. The new one would be for use in the parlor.

3. A good piano is an important element in religious meetings and entertainments of all kinds, which we hope to have during the coming winter.

4. Good talent objects to using an inferior piano, but the best will often cheerfully assist when a first-class instrument is at hand.

5. Every facility added to the Y. M. C. A. is a stepping-stone for young men to better their conditions. It has a reflex influence on the town. It is for the good of the public.

Every vote cast for the Young Men's Christian Association, and every legitimate effort to secure votes, will be greatly appreciated; and should we be the fortunate organization, the piano will be used to accomplish the most good possible by us.

SETH LEAVANS, General Secretary.

A PLEA.

Columbia, large hearted and tender, Too long for the good of your kin You have shared your home's comfort and splendor

With all who have asked to come in, The smile of your true eyes has lighted The way to your wide-open door. You have held out full hands and invited The beggar to take from your store.

Your overran proud sister nations, Whose offspring you help them to keep, Are sending their poorest relations, Their unruly, vicious black sheep; Unwashed and unlettered you take them, And lo! we are pushed from your knee; We are governed by laws as they make them, We are slaves in the land of the free.

Columbia, you know the devotion Of those who have sprung from your soil; Shall aliens, born over the ocean, Dispute us the fruits of our toil? Most noble and gracious of mothers, Your children rise up and demand That you bring us no more foster brothers, To breed discontent in the land.

Be prudent before you are zealous, Not generous only—but just, Our hearts have grown wrathful and jealous Toward those who have outraged your trust. They jostle and crowd in our places, They sneer at the comforts you gave. We say, shut the door in their faces— Until they have learned to behave!

In hearts that are greedy and hateful, They harbor ill-will and deceit; They ask for more favors, ungrateful For those you have poured at your feet. Rise up in your grandeur, and straightway Bar out the bold, clamoring mass; Let sentinels stand at your gateway, To see who is worthy to pass.

Give first to your own faithful toilers The freedom our birthright should claim, And take from these ruthless spoilers The power which they use to our shame. Columbia, too long you have dallied With foes whom you freed from your store; It is time that your warlike were rallied, And stationed outside the locked door. —ELLA WHEELER WILCOX.
