Perfect, Delicious,

brought us in about an hour to
Slater's Point, on the Canadian side
above the Upper Rapids. We were then
transferred to the trolley, which skirts
the Canadian side to Queenstown, where
we crossed the river and took the trolley
again which runs up the gorge, near the
water's edge to Niagara Falls. We
stopped at Dufferin's Island and also
saw Gen. Brock's monument on Queens-
ton Heights before crossing over to the
American side. The ride to Queenston
by trolley is made on the high bluffs
overlooking the rapids, but on the
American side the trolley runs all the
way up the gorge near the water's edge.
It is a beautiful trip but the rapids are
no more imposing than those of the
Columbia. At Niagara Falls proper,
we took the incline railway and went
to the foot of the bluff where we boarded
the little steamer "Maid of the Mist"
which took us right up to the foot of both
falls, the mist falling on us like rain.
We had been provided with oiled suits
in the cabin before we went on deck.
Our little boat rocked in the billows like
a cradle. On reaching the surface again
we took a reservation carriage and were
driven through the park, across to, and
all around Goat Island to the Three
Sisters Island, where we got out and
went all over them. The carriage took
us back where we started from and we
took the first car for Buffalo, reaching
here about six o'clock. It is about 20
miles by trolley. We could get off any-
where we wished along the way, look
around as long as we liked and take the
car again without further charge. Lew-
iston is on the American side opposite
Queenston.
We shall go to the Exposition again
tomorrow, principally to see if we have
letters from home. We hope to leave
here Saturday morning, reaching
Chicago Sunday morning and Westfield
Monday.
We are tired of sight seeing and will
be glad to travel westward again.

What Shall We Have For Dessert?
This question arises in the family ev-
ery day. Let us answer it to-day. Try
Jell-O, a delicious and healthful dessert.
Prepared in two minutes. No boiling!
No baking! simply add boiling water and
set to cool. Flavors:—Lemon, Orange,
Raspberry and Strawberry. Get a pack-
age at your grocers to-day. 10 cts.

Tot Causes Night Alarm.
"One night my brother's baby was
taken with Croup," writes Mrs. J. C.
Snider, of Crittenden, Ky., it seemed
it would strangle before we could get a
doctor, so we gave it Dr. King's New
Discovery, which gave quick relief and
permanently cured it. We always keep
it in the house to protect our children
from Croup and Whooping Cough. It
cured me of a chronic bronchial trouble
that no other remedy would relieve."
Infallible for Coughs, Colds, Throat and
Lung Troubles. 50c and \$1.00. Trial
bottles free at Geo. A. Harding's.
