THE LOCAL NEWS.

CHILD DIED AT NEW ERA.—The infant child of William Pratt died at New Era Thursday last week. The child's mother died about six months ago. The funeral took place Friday, the interment being in Zion cemetery.

TRIAL OF JEWELL POSTPONED.—The case of the State of Oregon vs. Bert Jewell has been set for the 28th of April next. Jewell was involved in a cutting affray at Parkplace last spring in which Charles Smith was injured.

SEVERELY BURNED.—The 5-year old daughter of Joseph Traylor, who lives at Moencks, near Highland, was badly burned last Monday. She was playing about near a brush fire where her father was clearing land and ventured too near, her clothes catching fire. Dr. Strickland was called to attend the little sufferer, whose back was severely burned. She is on the road to recovery.

LETTER FROM ROOSEVELT.—Captain E. H. Longley, of Clackamas, who named his infant son William McKinley Longley, has received a letter from the President, which says: "I hope that your young son will be healthy and prosperous and that he will have a bright future." Captain Longley prizes the letter highly. His son and Mrs. Longley are getting along nicely.

SCARLET FEVER AT Mt. Pleasant.—Members of the families of Mr. Andrus and Mr. Foley, of Mt. Pleasant, are down with scarlet fever. While the schools have not closed, children who have been in any way liable to contagion are kept at home. No deaths have resulted from the disease, which seems to have obtained a hold in the county, first appearing at Parkplace over a week ago.

WANTS \$1000 FROM COUNTY.—James Petersen, of Barton, has filed a petition with the Board of County Commissioners asking for \$1,000 damages, sustained while hauling lumber on the Richie hill. The road was in bad condition, containing many ruts and stumps and Petersen's ankle caught between the brake and the wagon and a stump, breaking his ankle and twisting his foot out of shape, permanently disabling him.

FIGHT AT EAGLE CREEK.—Eddie Murphy, of Portland, was given the decision over Elick Irvin in the fifth round Saturday night at Eagle Creek, of what was to have been a ten-round boxing contest. From the start it was seen that the Eagle Creek man was no match for the Portland boy, and at the end of the fifth round Referee Martin Denny gave the fight to Murphy. Considerable money changed hands on the contest, the sports of Eagle Creek having had great faith in Irvin.

MEADE IS THE BABY'S NAME.—Meade Corps, W. R. C., met Monday afternoon and conferred the name of "Meade" upon the infant daughter of Mr. and Mrs.

Nelson McKillian, who was presented with a solid silver cup by the corps, in honor of her being the first child whose mother and grandmother are both members of the corps in this city. In acknowledgement of the gift the Relief Corps was asked to name the baby. The ceremony was an interesting one, and was conducted by Department President Mrs. William Galloway. Mrs. J. Doremus is the baby's grand-mother.

TWENTY ROUND GO.—Tomorrow evening, November 9, at the Armory in this city, Eddie Murphy, of Portland, and Young Murray, champion featherweight of Denver, will box 20 rounds for the championship of the Pacific Coast. Both are well-known boxers, and the contest is sure to be an interesting one. The principals met before and the contest resulted in a draw. Freeman, of this city, who is well known as a light-weight boxer, has met both the men. In his fight with Murphy the contest was decided a draw, but in the one with Murray the latter got the decision. As a preliminary, there will be a 10 round go between Young Ghogrensky, of New York, and Kid Barker, of San Francisco. A large number of sports will come from Portland to witness the mill.

ANCIENT FORESTERS TO ORGANIZE.—Organizer A. U. Field, of the Ancient Order of Foresters, who has been in the city the past three weeks, has secured about 25 names for the charter list of the new court of Ancient Foresters and organization will be effected next Tuesday evening in A. O. U. W. Hall. Features of the order are: To furnish medicine and services of physician without cost; weekly cash benefits during sickness; funeral allowance for members, wives and social and fraternal intercourse with over 900,000 fellow members. The Ancient Order of Foresters is the oldest, largest and wealthiest benevolent society in the world, established in 1745; has a membership of 990,000 with cash assets over \$35,000,000.

GENERAL COURT-MARTIAL.—Lieutenant Colonel Raymond Jubitz, Third Regiment, O. N. G., accompanied by Sergeant-Major Arthur Johnson, came up from Portland Monday evening to preside over a court-martial of 19 members of Company A, who were tried upon the charges of absence from drills, inspections, practice and parade. All the members were duly notified in time, and the non-attendance was due to negligence on their part. Colonel Jubitz fined the men from 50 cents to \$3 each, these being the lowest fines possible. Each member fined is supposed to pay their fine to the Captain of the company within the next 20 days. If they are not paid by that time a warrant will be issued by Sheriff Cooke and they must serve out their time in the County Jail at the rate of \$2 a day. As each member was fined he was severely reprimanded, and if the offense is repeated, they will be fined the full limit.

LEONARD DILLER DEAD.—Leonard Diller, son of Mrs. Magdelene Diller and brother of Mrs. M. M. Charman and Mrs. Thomas Charman, of this city, died Saturday morning in Seattle of dropsy, after an illness of one year. Mr. Diller is well known to all old residents of Oregon City, having been engaged in the general merchandise business here years ago. When he left Oregon City he went to Seattle where he has been very successful. He built the Diller Hotel and was the proprietor at the time of his death. He was also Councilman, but ill health caused him to resign. He was about 60 years of age. His mother, who is now 84, is an old resident of this city. This is the second death that has occurred in this family during the past three months, Mrs. Amelia Fisher, a sister, dying in Corvallis at the age of 64 years. Mr. Diller is survived by a widow and four children, two of them by his former wife. He was buried in Seattle.

SURVEYING PARTY RETURNS.—A surveying party composed of Don Meldrum, Charles Myers, Malcolm McCown and John Howland, of Oregon City; Ralph

Dimick, of Hubbard; Fred Selvers, of Sandy, and Matt Ryckman, of Clackamas, have returned from a four and one-half months trip in Eastern Oregon. They left Oregon City June 19 and went by steamer from Portland to The Dalles, thence through Prineville, Paisley and Lakeview, which was their base of supplies and operations. Under the direction of Mr. Meldrum, who is a son of the surveyor-general of Oregon, they surveyed ten and one-half townships in Lake and Harney counties. They retraced 18 miles of line before they found their starting point. While the work was largely routine and commenced at early morning and continued until late at night, there were many pleasant features to break the monotony. The party worked every day, including Sundays and saw lots of game. Some antelope were killed. The country is exceedingly dry and water was carried from eight to twenty miles.

HAYS CASES COMPLICATED.—G. O. Nolan, of Tillamook county, has filed contests in the Land Office against 75 claims in Tillamook county. The contestees are the same as in the Hays cases, which are now being heard in the Land Office. Nolan alleges that the entries when made were not made in good faith for the exclusive use and benefit of the entrymen, who conspired with one Claude Thayer, Morris Leach, and Clark Hadley and others to fraudulently obtain title to said land and to divide the proceeds of the sale of the same and that said entry was made in pursuance of a conspiracy. The affidavits further allege that Charles E. Hays has filed of said conspiracy. The affidavits further allege that Charles E. Hays is collusive and speculative and it is alleged by this contestant upon information and belief that said contests are made in the interest of said entryman and his co-conspirators. That said entries are fraudulent and void and together with the pretended contests of Charles E. Hays, operates to deprive this contestant of his right to make entry of said tracts and this said contestant is ready to prove at such time and place as may be named by the Register and Receiver for a hearing in said case; and that the pretended contests filed by said Charles E. Hays be not heard nor passed upon until these contests are settled; and he therefore asks to be allowed to prove said allegations to the end that said timber entry may be declared cancelled and forfeited to the United States, he the said contestant paying the expense of said hearing.

Y. M. C. A. TEAM WON THE GAME

Hill Military Academy Went Down In Defeat Before Them.

FIRST GAME OF THE ASSOCIATION

Payne, Callif, Latourette and Tonkins Were the Stars For the Home Team—Score, 5 to 0.

The Y. M. C. A. football team won its first game Saturday by defeating Hill Military Academy by a score of 5 to 0. The team left Saturday morning for Portland with just eleven men, three of them having never practiced with the team.

The game was won in the first minute of play by a well directed kick-off by E. Callif. The Academy boys tried to return the ball by a punt but made a fumble and lost the ball. Right-tackle Red-dick saw his chance; he quickly picked up the ball and took it over the line for the only touch-down. From that time to the finish the Association boys contented themselves with holding down the Academy team.

Captain Charles Payne was a mighty man at left hand and handled his men admirably. He has nerve and good judgment and his fierce rushes into the Academy's line always netted large gains. Right half back Callif showed up. The result of the game was a great surprise to friends of the association team. The boys had very little practice and are much encouraged. Most of them are a little sore but are practicing in the gym nightly and hope for more glory to come. No games are scheduled yet but it is possible that a return game may be arranged with the academy team.

The boys are loud in their praise of the treatment received at the hands of the academy team, who are true sportsmen. The line up in Saturday's game follows:

- H. M. A. Position. Y. M. C. A. Hahn, L. R. E. Tonkins; Stienen, R. T. Reddick; Olmsted, R. G. Wilson; Kelly, C. Jarvis; Meller, L. G. Boylan; Hahn, R. L. T. Koerner; Van Houten, L. E. Latourette; Martin, Q. W. Callif; Withrow, L. B. Payne; McVay, R. B. E. Callif; McCully, F. Peters.

Reliable and Gentle. "A pill's a pill," says the saw. But there are pills and pills. You want a pill which is certain, thorough and gentle. Mustn't gripe, DeWitt's Little Early Risers fill the bill. Purely vegetable. Do not force but assist the bowels to act. Strengthen and invigorate. Small and easy to take. Geo. Harding.

A Physician Testifies. "I have taken Kodol Dyspepsia Cure and have never used anything in my life that did me the good that did." says County Physician Geo. W. Scroggs, of Hall County, Ga. "Being a physician, I have prescribed it and found it to give the best results." If the food you eat remains undigested in your stomach it decays there and poisons the system. You can prevent this by dieting but that means starvation. Kodol Dyspepsia Cure digests what you eat. You need suffer from neither dyspepsia nor starvation. The worst cases quickly cured. Never fails. Geo. Harding.
