Miss Elsie Taylor spent Sunday in Marquam. Well, there is attraction here. Mrs. Jas. Marquam returned from Dayton, Wash., last week, where she spent a week with her brother. Mr. W. Sturges Bros. have gathered together their sawmill engine out of the ashes, and are running their roller feed mill Fridays. Mrs. Case has returned home from Ohio, where she has been visiting all summer and reports a pleasant trip, but thinks Oregon is O. K. yet. Our beautiful fall seems to have passed into common webfoot weather. Farmers can plow now again and of course will be prepared to carry out the President's proclamation on November 23th. David Fox is piping water from a spring to his house using both wood and iron pipe; few residences are so situated that water can be piped to the house by its own gravity. When the President visits the Pacific Coast next summer, he will receive a hearty reception, as a President of the whole people deserves. The "boys" have a big place in their hearts for the Western Rough Rider. J. W. Thomas is just completing his water plant. Your Hair

"Two years ago my hair was falling out badly. I purchased a bottle of Ayer's Hair Vigor, and soon my hair stopped coming out." Miss Minnie Hoover, Paris, Ill.

Perhaps your mother had thin hair, but that is no reason why you must go through life with half-starved hair. If you want long, thick hair, feed it with Ayer's Hair Vigor, and make it rich, dark, and heavy. \$1.00 a bottle. All druggists.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

A few nights ago all of the tools belonging to one of the carpenters were stolen. There was a pleasant gathering at the home of Mr. and Mrs. Gus Jaeger Sunday. Thousands Have Kidney Trouble and Don't Know It.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order. What to Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE by our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY. F. A. WERMAN, OF BALTIMORE, SAYS: "Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that the only operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear should be lost forever. I then saw your advertisement, accidently in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and after two weeks my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly Yours, F. A. WERMAN, 120 S. Broadway, Baltimore, Md. Our treatment does not interfere with your usual occupation. Examination and advice free. Getting Thin

is all right, if you are too fat; and all wrong, if too thin already. Fat, enough for your habit, is healthy; a little more, or less, is no great harm. Too fat, consult a doctor; too thin, persistently thin, no matter what cause, take Scott's Emulsion of Cod Liver Oil. There are many causes of getting too thin; they all come under these two heads: over-work and under-digestion. Stop over-work, if you can; but, whether you can or not, take Scott's Emulsion of Cod Liver Oil, to balance yourself with your work. You can't live on it—true—but, by it, you can. There's a limit, however; you'll pay for it. Scott's Emulsion of Cod Liver Oil is the readiest cure for "can't eat," unless it comes of your doing no work—you can't long be well and strong, without some sort of activity. The genuine has this picture on it, take no other. If you have not tried it, send for free sample, its agreeable taste will surprise you.
