

FRANK BUSCH THE HOUSEFURNISHER

We have been arguing with you for some time. We have made our story as attractive as possible. We told you time and time again to save your money by purchasing only reliable goods of a reliable house, to-day again we remind you of the same by explaining the merits of good Household Articles. Now we'd like to have an approving answer to what we have been saying.

Mrs. Housekeeper, you cannot afford to omit the reading of the good tiding; we refer to **Reed's Patent Anti-Rusting Tinware**. We warrant it to be absolutely Rust Proof and Perfect in every respect. When you buy Reed's, you buy the BEST and NEWEST PATTERNS, the LATEST and MOST MODERN DESIGNS, made up of the FINEST CLASS of TIN PLATE that can possibly be produced. Sold and recommended by the leading hardware merchants throughout the United States. Analytically tested and endorsed by the best chemists and pronounced HEALTHFUL and DURABLE GOODS. One piece will out-last one dozen of ordinary kind. **Please note prices of Anti-Rust Ware below.**
