About five veries ago my right car began to sing, and this kept on getting worse, until I lost my hearing in this car entirely.

I underwent a treatment for entarth, for three months, without any success, consulted a number of physicians, among others, the most eminent car specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected car would be lost forever.

OREGON CITY LANDSLIDE FOR

Mayor is Re-elected By An Overwhelming Majority.

D. Kelly, Beats Jacob Cassell For Councilman in the Third Ward -Total Vote Less Than Last Year.

Oregon City's annual election was held last Monday and resulted a landslide for Mayor Dinick, who was re-elected by a majority of 205 over J. Eugene Hedges, the non-partisan candidate. The total vote was 599, which is 36 less than the vote of last year. While the election of Mr. Dimick was conceded, his tremendous majority was a surprise even to himself. being eight votes more than Hedges' total vote. The Mayor carried his ticket all through, Fred J. Meyer being elected treasurer and E. D. Kelly councilman in the third ward. The greatest surprise of the election is the vote in the third ward, which is the home of both candidates for treasurer. Meyer's majority in this ward was 54. In the second ward the vote was a tie and in the first ward Humphrys was three votes to the good. E. F. Story was elected councilman in the first ward without opposition, receiving 114 votes out of 136 cast. William Sheaban was re-elected councilman in the recond ward, having no opposition and getting 181 votes out of 234 cast. The vote for councilman in the third ward was: Kelly, 139; Cassell, 84; Kelly's majority, 55. The vote for mayor follows: First ward-Dimick, 157; Hedges, 72 Second ward-Dimick, 144, Hedges, 90. Third ward-Dimick, 101; Hedges, 35. Total-Dimick, 402; Hedges, 197. Following is the vote for treasurer: First Ward-Meyer, 108, Humphrys, 111. Second ward -Meyer, 115, Humphrys, 115. Third ward-Meyer, 93; Humphrys, 39. Total, Meyer, 216; Humphrys, 165; Meyer's majority, 51. Mayor Dimick had a majority of 66 in the first ward, 54 in the second ward and 85 in the third ward.

FILES ON THE MOLALLA.

S. A. D. Hongate Secures Rights On the River, which He will Improve.

In the county clerk's office Monday Stephen A. D. Hungate filed a plat of the Molalla river from a point in section 14, township 2 south, range 3 east to its mouth, where it empties into the Willamette, a distance of about 35 miles. The point of beginning is 15 miles southeast of Wilhoit Springs. Hungate, who is a surveyor and has done considerable work for the government, declares his purpose to secure to himself, and his successors in interest, the exclusive right to regulate, mange and control the floating, transportation and booming of logs, lumber, timber, piling and wood upon the Molalla river in Clackamas navigable stream for commercial purposes. It is his purpose to proceed within river by the erection, construction and the Rio Grande Western and Denver & property than pos-ibly can be obtained maintainance as such d ms as may be structions which may interfere with its straightening, widening and deepening rates, folders or information apply to of the channel wherever it is necessary. IS THE 1901 ACT CONSTITUTIONAL

Laws are often enacted by our legislatures, only to be declared unconstitutional after individuals or associations have availed themselves of the apparent benefits and have expended much capital and labor under the same.

According to the concencus of opinion of many lawyers, such seems to be tile probable fate of the act passed by our legislature, entitled "an act authorizing the county courts of the several counties

of this state to declare unnavigable DEDICATION OF streams highways for the purpose of floating logs and timbers and provide MR. DIMICK for the improvement and use of the use of the same." Much adverse criticism and comment

is heard in regard to parties acquiring entire control of streams, as the Clacks- Beaver Creek People Have Pubmas and the Molalia. Papers have been filed with the county clerk to obtain control of these streams, and if the law is upheld by the supreme court many F. J. MEYER ELECTED TREASURER rights will be taken from the public and IT IS A CONVENIENT STRUCTURE from the riparian owners.

Monday when papers were filed in regard to the Molalla river, an attorney remarked that its constitutionalty was not yet settled, and among others, gave

the following as reasons for the belief "That the act is not embraced in the the title, which is required, Const. Art. IV Sec. 20. The entire act is outside the title, no discretion or power is given to courts to do anything as expressed in the title. It is also partial legislation, Throughout the entire act individuals, associations or corporations are given the right to acquire control of the stream by following the act; the right to purchase from the riparian owners any rights to the soil is also granted to them, but the right to condemn property when the same cannot be purchased is given corporations, and to corporations only. This is clearly against the spirit of our

our institutions. "The last section of the act provides dressed his remarks to the younger genfor the way in which streams may be eration and gave them sterling advice. declared unnavigable for the purpose of He spoke of his struggles in early life, of this act; streams which are not used for the difficulties he had to overcome, and general commercial purposes, are here- of the opportunities which might be emin classed as such, and be they never braced by the young men of the present navigable, but because at this time the day. THE NEW HALL

lic Meeting Place.

Senator B ownell Made Dedicatory Speech and Announced His Support of Important Measures.

The new public hall at Beaver Creek was dedicated last night. This building replaces the hall which was burned about one year ago. It is a commodious structure, with dining-hall, kitchen, and dressing-rooms conveniently attached, and will be used on all public occasions. Owing to the inclement weather the attendance was not large, but those present manifested great interest in the dedication speech of State Senator George C. Brownell, who pointed out the benefit to be derived from the hall by the young men. The speaker ad-
