A Voting Contest

For the most popular church, society, school or person of Oregon City, by which a \$450 Irving piano will be given away on January 20, 1902, to the society, lodge, church, school or person securing the greatest number of votes. Contest now open. Closes January 20, 1 p. m. All votes will be counted once a week, and a full account of the vote as the contest progresses will be published every Friday in the Oregon City Enterprise. The final count at the close of the contest will be made by a committee of three; the two contestants in the lead will each send a representative to decide who gets the piano. The votes are given one vote free with every 25c cash purchase by the following merchants. Don't let any but your own church, society, school or friend carry off the honors, and remember that every vote counts. Piano is on exhibition at Frank Busch's furniture store. Why not trade where you can get ballots, as they cost you absolutely nothing? Everyone ought to at least do that much for their society or church.
