THE LOCAL NEWS.

TEACHERS' MEETINGS—Many Clackamas County teachers will attend the joint meeting at Aurora tomorrow, going up on the morning train. A teachers' meeting will soon be organized at Eagle Creek, and the first session will probably be held next Saturday. The teachers of that district want an organization of their own, as the meetings are usually held at too great a distance from their section.

Y. M. C. A. CONVENTION.—General Secretary Seth Leavens, of the Young Men's Christian Association, leaves today for Corvallis to attend the Oregon and Idaho Association Convention, which opens today and continues until Sunday night. President Otto T. Olson, of the local association, Rudolph Gantenbein and D. R. Thomas may arrange to go.

TEACHERS' CLUB.—The Teachers' Club met Monday evening at the residence of Miss Sade Chase. The subjects under discussion were Li Hung Chang, which was ably handled by Hon. A. S. Dresser and Marie Antonette, which was treated by Miss Erma Laurence and Miss Marjorie Canfield. The club meets on Monday, December 16, at the residence of Mr. and Mrs. L. L. Porter. The club is not restricted to teachers' but is open to those who are interested in education.

DEATH OF MRS. LOURIA CARRICO.—Louisa Carrico died at 1:30 Tuesday afternoon, aged 31 years, 7 months and 17 days. She was the wife of Thomas Carrico and her death came as a sudden shock, resulting from asthma and bronchitis. The funeral was held yesterday afternoon from her late residence on Fourth and Adams streets, Rev. A. J. Montgomery conducting the services. The interment was in Mountain View Cemetery.

TWENTY-TWO DAYS IN JAIL.—Bert Barclay, who was arrested last week on a charge of larceny by baillee, was Monday morning allowed to plead guilty to the charge of simple larceny and was sentenced to a term of 22 days in the county jail by Justice of the Peace McNulty. Barclay was given a watch to raffle by an employe of one of the paper mills and after raffling the watch he pocketed the money and started for San Francisco but was overtaken at Albany.

GIRL RAN AWAY.—Hattie Idlewine, a 14-year-old girl, was taken to Portland Saturday by Chief of Police Burns. Her home is in Salem and she was recently sent to the Boy's and Girls Aid Society in Portland and ran away Friday afternoon. The authorities suspected she would try to reach home and the trains were watched. The girl came up on an early car Saturday morning and attempted to board the south bound train but was caught by the police. The girl looks older than she is. She complained to the police that she was treated badly at the home and did not want to return. Her appearance was such as to attract attention, as she was bareheaded and wore a calico skirt and a light cotton shirt waist.

A Woman's Awful Peril. "There is only one chance to save your life and that is through an operation," were the startling words heard by Mrs. I. B. Personal Elements of Success. "Personality," as it is called, is a thing apart, a light that cannot be hidden. It is difficult to describe, being in its nature variable. Often it is composed of one part talent and two parts character, and he who has it may in spite of other deficiencies command success.

Large successes are attainable by the union of aptitude and concentration of purpose, coincident with opportunity; the meeting of the man and the occasion, the sifting of the word to the action, the action to the word; self confidence, unflinching courage, absolute probity.—Henry Watterson in Success.

Inherited Power. "To what," asked the young woman with the notebook, "do you attribute your remarkable power in training these animals and keeping them in subjection?"

"Well," replied Mlle. Castella, the lady wonder of the arena, "I think I inherited it from my mother. She was a strong minded woman. My father was a regular bear, and she had to subdue him about once a day as long as she lived."—Chicago Tribune.

They Hold More. "Do you ever wish you were a girl?" asked the visitor who was waiting in the reception room.

"Only at Christmas time," answered the boy, who was lingering in the doorway.

"Why do you wish it then?"

"Because of the stockings they wear," was the prompt reply.—Chicago Post.

An Evangelist's Story. "I suffered for years with a bronchial or long trouble and tried various remedies but did not obtain permanent relief until I commenced using One Minute Cough Cure," writes Rev. James Kirkman, evangelist, of Belle River, Ill. "I have no hesitation in recommending it to all sufferers from maladies of this kind." One Minute Cough Cure affords immediate relief for coughs, colds, and all kinds of throat and lung troubles. For group it is unequalled. Absolutely safe. Very pleasant to take, never fails and is really a favorite with the children. They like it. Geo. Harding.
