ARE YOU DEAF? ANY HEAD NOISES?
ALL CASES OF
DEAFNESS OR HARD HEARING ARE NOW CURABLE
by our new invention. Only those born deaf are incurable.
HEAD NOISES CEASE IMMEDIATELY.
F. A. WERMAN, OF BALTIMORE, SAYS:
Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.
About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.
I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.
I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain
Very truly yours,
F. A. WERMAN, 730 S. Broadway, Baltimore, Md.
Our treatment does not interfere with your usual occupation.

BASKETBALL AND BASEBALL

Two Games Scheduled at Y. M. C. A. Next Friday Evening.

TEAMS COMING FROM PORTLAND

Ladies Gymnasium Class to Organize a Basketball Team and Will Meet All Corners.

Next Friday night will be a lively one at the Y. M. C. A. gymnasium. Two games are scheduled: a basketball game between the Oregon City and Portland Junior basketball teams and the indoor baseball game between the Y. M. C. A. of Oregon City and the 1st Battalion, O. N. G., of Portland.

The line up of the association team will probably be the same as in the game with Company A. Both the Junior and Senior boys are practicing hard for their respective games, and a very interesting time is promised those who attend them.

BASKET BALL.
The association first team was re-organized and commenced practicing last Monday night. D. C. Williams was elected captain. The team is composed of the following players: D. C. Williams (Capt.), and Arthur Williams, Forwards; Montgomery, center; Humphreys and Peters, guards.

As there are any number of good teams in the field and Mr. Wilson expects to arrange for a series of games to come off in the near future.

The Ladies' Gymnasium class is a decided success; new members are coming in every class day. A basketball team will be organized within the next week or two to try to win the colors of several ladies' teams that are anxious to play the Oregon City Y. M. C. A. ladies.

ROW AT A DANCE.

Arthur Dixon and M. V. Thomas Have a Little Difficulty at Pleasant Home.

Arthur Dixon, of Pleasant Home, was arraigned in the Justice Court last Friday and plead guilty to the charge of disturbing a public meeting. He was fined \$20, which he paid. This is the result of a row at a dance Thanksgiving night in Younger's Hall at Pleasant Home. The hall was crowded and bright the lamps shown over fair women and brave men. One hundred hearts beat happily, and when music arose with its voluptuous swell, soft eyes looked love to eyes that spake again and all went merry as a marriage bell. But the pleasure of the evening was marred. Dixon and a companion were on the floor, and in a moment of pleasantries squared off, and put up their dukes, in imitation of James J. Jeffries, Louis Rail and other great scrappers. The referee, in the person of the floor manager, M. V. Thomas, arose in his wrath and ordered them to go outside. Some words were exchanged and Mr. Dixon invited Mr. Thomas to accompany him to the open air where there was more room and to indulge in mortal combat or any other old kind of a bat. Thomas agreed to this and the men left the hall, not being able to take it with them. But they did take many of the dancers. Dixon took off his coat and Thomas took water and wanted to call it a draw. Whereupon Dixon swatted him twice upon the cheek and Thomas turned the other. Next day Thomas came to Oregon City and swore to a complaint in Justice McAnulty's court against Dixon. Constable Moody went out and brought in the accused last Friday, and so ended the first lesson. Dixon is a young man who is said to be upright, honest and much respected. He lives at Pleasant Home. It is unfortunate that a quarrel should arise on a day that should be devoted to the giving of thanks and the spirit of forbearance should be manifested.

Health and Beauty.
A poor complexion is usually the result of a torpid liver or irregular action of the bowels. Unless nature's refuse is carried off it will surely cause impure blood. Pimples, boils and other eruptions follow. This is nature's method of throwing off the poisons which the bowels failed to remove. DeWitt's Little Early Risers are world famous for remedying this condition. They stimulate the liver and promote regular and healthy action of the bowels but never cause griping, cramps or distress. Safe pills. George Harding.

NEW CREAMERY.

People of Stone Are Getting Ready to Operate in the Spring.

A deed has been filed in the recorder's office by J. L. Mumpower conveying to the Clearcreek Creamery Company an acre of ground near the old hatchery for a creamery site. The company was incorporated last January by W. Kirchem, John Hatton, J. W. Watts, L. D. Mumpower and Fred Reinbol with a capital stock of \$1500, divided into 150 shares at \$10 a share. Between 80 and 100 shares are already taken and the building, which is almost complete, will cost about \$600. The people interested in the proposed industry and the farmers living above the site, who will probably come into the company, and are trying to form a cream route within a radius of ten miles of the creamery. They expect to obtain the cream from three hundred cows, and while they will not have that much to start with, it is only a question of a short time when the amount will exceed that. The capacity of the plant will be 300 pounds of butter per day and fully this much will be manufactured during the summer season. It is the intention of the farmers and dairymen living in the vicinity of Stone to do their own separating. This is much the best plan and would require a trip to the creamery every other day and at the same time the warm milk would be available for hog feed. By taking the milk to the creamery for separation, daily trips both would be necessary in addition to hauling the milk back again. The main difficulty in the way is the bad condition of the roads, but on the other hand they will not experience the snow storms and disagreeable weather that other creameries have to contend against. This industry has proven a decided success wherever tried and has passed the experimental stage. Clackamas county is particularly adapted to creameries and dairies. The Clearcreek Creamery Company expect to have its machinery installed in April and to commence operations by the first of May. The building is situated 150 yards below the bridge and is centrally located, five roads leading to it. Three roads approach it from the south side of the river, on the north side there are two roads, one from up river and one from down the river.

MORPHINE MADE HIM INSANE.

H. Evans, Who Was in Jail for Passing Bogus Check Sent to Asylum.

Horace R. Evans was committed to the state insane asylum Monday by County Judge Thomas F. Ryan. He is a chronic opium eater and the cause of his insanity is the excessive use of the drug. He contracted the habit about a year ago while in San Francisco and has taken as much as 30 grains in one day, while an ordinary dose is one grain. Evans has been in the county jail since November 22, on a charge of passing a bogus check on John Cooke, a saloon keeper of Canby. He drew a check on a Portland bank and as he had no money there the check was dishonored and the Portland police arrested him for obtaining money under false pretences. He denies all knowledge of committing the crime and says his memory is gone. He is a man of some refinement and was educated at Oxford. He is a brother of Rev. Arthur F. Evans, M. A., Maplestead Vicarage, Halstead, Essex, England. He is a close friend of Rev. Bartlett, of North Yakima, Wash. He was born in Liverpool, and is 37 years of age. His attorney is Dan J. Malarky, of Portland. Sheriff Cooke took Evans to the asylum Monday night. The county court has appointed Harry Trembath, of this city, guardian of the unfortunate man.
