Opposite Court House, Oregon City

The Sensational Sale of the Season

This is the season for sensational selling, and we have the goods and prices to create the talk that induces business. No reason to dispute our position in this matter. We have the goods, and create the business by having merit. Your wants and our goods supply the reason for this busy store.

TOYS

Best Tableware.

This silverware is not of the grade usually offered. This is better than the other—it's the very best you can get. It is heavily plated, and will wear and look well for many years. Several distinct novelties are shown in spoon patterns. Buy now for Christmas giving.

This Round Oak Table \$12.50

If you want a round top dining table you will find our stock offers a beauty at low cost. Well polished, hard finished, and will wear without scratching easily. Extension tables, in almost any size you could ask for, and in a great variety of finishes and prices.

Best Table Linen.

White Satin Damask, per yard 80c.

Rockers.

You will never have too many and you will make no mistake to present one more to your friend.

Fine cobbler seat \$1.75 up.

Pillows

Feathers are expensive, but we have been able to buy to advantage and offer you pillows of the usual size and filled with the best feathers at \$3.00 per pair. These feathers are advertised by many as eiderdown on account of their very fine quality. The ticking is of the best, well sewed and correctly squared at the corners.

CHAIRS

New leather chairs and other chairs for the library, in cane, golden oak and Flemish oak. A line that makes every buyer an enthusiast over his particular chair. There's nothing common about them—even the comfort, for they are uncommonly comfortable.

6 high back, wood seat chairs, \$8.30.

Carpet Sweepers.

One of the best carpet sweepers is the Bissell. It gets its reputation because of its easy motion and the perfect way in which it takes up the dirt. The parts are so well adjusted that the sweeper will wear and do perfect work for years. Price, \$2.75.

Astonished.

There are three things which astonish those unacquainted with our stock of up-to-date carpets. They are

Quality, Beauty, Price.

They wear well, look well, and are easy to buy. We sell them made and laid, and insure perfect fit and prompt service.

LAMPS.

You want a lamp to read by, not a stove. Some of the lamps one sees make first class heaters, but they are like some people, they don't shed much brightness. These good lamps will prove good friends, especially during long winter evenings. Nickel Success Lamp for \$2.50, the best for all purposes.

The Best Blankets.

You can't find any better blankets than those the Navajo Indians make. But they are expensive, because the product is limited. You find blankets here which you can afford to own, and which will give you pleasure all through the cold weather. Better buy now. Price, \$4.50. We have cheaper ones.

You Are in Bed

a third of the time. You need that much sleep to enable you to work. The best rest is provided by having the best beds. You'll enjoy your sleep and be benefited by it if you select a comfortable long-wear mattress.

\$4.50 will buy a good one.
\$10.00 a better one.

Springs That Spring.

A Set of Springs Made From Correct Weight Material.

They'll hold up under constant wear and give comfort all the time they are in use. Every bed is more healthful and more comfortable because of these. They cost

\$3.50

And think of the value in them.

Ho, the Merry Sunshine.

But it makes havoc with flimsy curtains. We are having a special run with new curtain materials, warranted to wear strong. These ARE such weaves, but many merchants prefer to sell those which early wear out, in order to sell again at frequent intervals. We think it pays to lay in the other line, and our friends are invited to sit on our judgment. Call early.

Price, per yard, 15c to 25c.
Per pair, 75c to \$10.00.

Stair Carpet.

If you want a stair carpet to wear well, you must have it properly laid. We measure your stairs, put it down, and you will be sure of a perfect carpet and a durable one.

Price, 45c per yard and up.

A Combination.

It takes both artistic and mechanical excellence to give beauty to a picture. We furnish frames that will add the touch of beauty to the work of the artist. Plenty of molding from which to select and plenty of reason why you should let us frame your picture.

Ready made frame with glass 16x20, \$1.00.

We Are Showing New Wall Paper

of the latest and most stylish patterns, in such variety and such quantity, and at such prices, that you can certainly do better here than at any other paper store. Price per Double Roll 5c. In order to get this remarkable low price you must ask for.

Have you a Piano in your home? If not, why not one of

Our Bush and Gerts

for a delightful surprise? We can give you the best instrument made and make you the best price of a

\$650.00 registered piano for \$315.00.

Art Chinaware.

We have some pieces of chinaware worth displaying as art treasures. You can put them on easels and hang them in wire frames.

A Pleasure To Use
A Delight for Display.

These are odd pieces, but they are all the better for art purposes.

A Warm One.

One of these special heaters will give comfort to a room without waste of fuel. They generate heat rapidly, enabling you to have a warm room almost at a moment's notice. They're substantial enough to hold the heat and keep your room at a pleasant temperature all through the day. Cost very little to buy and very little to operate.

\$2.50 and up according to size.
