Outlook Encouraging.
The annual business meeting of the Congregational church was held on Tuesday evening. A very pleasing feature of the year's work is the fact that there is a balance in all the treasuries on the right side. The debt that has harassed the church for years is now reduced and the remainder is secured by good subscriptions and will be paid by about October 1. There is now over \$200 in the various treasuries. The Saturday club has by far the greater part of this and the ladies' aid society comes in second. The societies are planning to make needed improvements in the interior of the church. All the old officers, whose term had expired, were re-elected viz: C. H. Dye, Sunday school superintendent; Mrs. F. F. White, clerk; Mrs. Kate L. Charman, treasurer, and Mrs. J. M. Mark, trustee.
Next week begins the annual week of prayer and on next Thursday evening occurs the annual roll call to which all members and friends are cordially invited. Rev. Mr. Bollinger, the pastor, of the church deserves much credit for his valuable services, as certainly much of the success of the past year is due him and Mrs. Bollinger.
