PATRIOTS, AMERICAN AND CUBAN. President Roosevelt is a high-minded and generous gentlemen. It is his high- time before the June election. minifedness which has impelled him to ward generosity to the Cubans. He strongly recommended in his message that we should reduce our tariffs on Cuban products. He said that we were bound in honor to do this. It is probable that Congress will follow the President's recommendation. The administration influence which are seconding the administration are also powerful. But the President must feel, as delegation after delegation appeals to him, that il ere are American interests in question as well as Cuban interests. And the must also feel that there are American influences behind the so-called Cuban Interests which have no nationality, but committee now investigating this Cuban options on Cuban sngar plantationswires by which Cuban puppets dance. In short, these thrifty patriots have become pseudo-Cubans; they are in the cent. advantage over their fellow-Ameri- for renomination. cans who make cane sugar; and they want to get fifty per cent, advantage over all the rest of the world who make sugar outside of the United States. In short, they want the earth. So they are posing as Cabans-for revenue only And it is to these selfish speculators that the American cane and beet-sugar producers are asked to give some sixty millions of dollars a year, Our high minded and generous President must have led him. NEW CANAL BILL.

Authoriz s the President to Selec. one quarter. the Route.

Just before the adjournment of the Senste Tuesday Senstor Spooner introduced a substitute for the Nicaragua Canal bill. The new bill is a practical authorization to the President of the United States to choose between the Panama and the Nicaragna routes. The property of the new Panama Canal Company of France, including that company's control of the Panama Railroad. The President is authorized to pay \$40,-000,000 for these, "provided a satisfac-

He is then authorized to secure the necessary concessions from the Republic Mayor Low of New York has just of Colombia, these to include the percific Ocean. A canal sufficient to accommodate the largest vessels is then to be constructed, under the supervision of the Secretary of War.

The bill also carries an alternate provision authorizing the President to proceed with the construction of the Nicarazua Canal in case he tails to secure the each animal at a feeding, is desirable. necessary concessions from Colombia or a satisfactory title from the Panama corn. Canal Company.

An immediate appropriation of \$1 ,-000 000 is made in either event. The limit of cost is fixed at \$135,000,000 m case the Panama route is chosen, while \$160,000,000 is allowed in case the choice falls on the Nicaragua route.

Child Worth Millions.

"My child is worth millions to me." says Mrs. Mary Bird of Harrisburg, Pa., entire safety. The little ones like the taste and remember how often it helped them. Every family should have a bottle of One Minute Cough Cure handy, At this season especially it may be needed suddenly. Geo. A. Harding.

PAY YOUR TAXES EARLY.

tted Before March 15

At the last session of the legislature a CLACKAMAP, Jan. 27, 1902.—(To the Editor.) In your issue of the Enterprise new law was passed in regard to the colof Jan, 17th I noticed an article that wan lection of taxes, which law took effect on copied from the Oregonian, pertaining to Dec. 1, 1901, and its substance is as folthe Portland City & Oregon Railway and lows:

If you pay your taxes on or before Portland to Garfield, and that President 3 per cent.

2 If you pay your taxes between Hurlburt says he never heard of it. 1 may say right here that such a report March 15th and up to and including the

3 If your taxes are not paid on or be-Clackamas. The pros and cons were become delinquent, when there will be

that all are in favor of having the road or before the first Monday in April, then a more thickly settled part of Clackamas following; but if the last half of tax due county than what it now does; for there is not paid by the first Monday of Octocountry all the way to Milwaukie; and if 10 per cent, and in addition, such bal-

main line, thus avoiding the yearly ex- Monday in April, the law compels the pense of keeping their long trestles in sheriff to levy upon and collect the same

6 The law compels the sheriff to sell that now has to travel and be shipped all lands on which taxes have not been paid, and that such sales shall not be

Sheep Notes.

Turnips for mutton: corn for pork. It is not cold weather that hurts sheep so much as it is getting wet.

When on dry food especially a change of food will be relished by the sheep.

Sheep to fatten well should be led regularly twice a day, morning and evening. For scours give pulverised alum in wheat bran taking special care in, feed-

If a ewe loses her lamb, milk her twice a day for a few days and feed alum with

When you bay a sheep for breeding purposes, be sure that it is better than the best in your flock.

Sheep naturally drink a little and

It is a severe strain on the digestive organs of a sheep to feed corn alone in winter; put in a little rye. It is laxative. A good food ration is shelled corn, onehalf; rye or barley, one-quarter; oats,

Oat fed lambs will stretch out, have healthy looking skin and red blood. Oats are muscle makers,

Don't feed well and give good shelter. then allow your sheep to drink ice water to cool off.

If you want good, strong lambs, feed the ewes right. You can't expect strong lambs from weak ewes.

Some farmers think snow is a good enough "drink" for sheep, but blame no one if you allow them to persist in eating snow if you have to cart away their carcasses before spring.

"Stretches" is acute indigestion. Frozen food and ice water may paralyze the digestive functions and sproduce indigestion.

Don't try to keep the flock just alive if you in winter and expect it to come out in good shape in the spring. It is poor economy to feed any stock in such man-

If the digestion in sheep is once impaired, it will with difficulty recover. Hence, begin winter feeding lightly, and bran, with a teaspoonful of oil meal for After a week or two add oats, and later

"Some time ago my daughter caught a severe cold. She complained of palns in her chest and had a bad cough. I gave her Chamberlain's Cough Remedy according to directions and in two days she was well and able to go to school. I have used this remedy in my family for the past seven years and have never known it to farl," eays James Prender- to have interior laundry work put off on gast, merchant, Annato Bay, Jamaica, them.
