ARE YOU DEAF? ANY HEAD NOISES?
ALL CASES OF
DEAFNESS OR HARD HEARING
ARE NOW CURABLE
by our new invention. Only those born deaf are incurable.
HEAD NOISES CEASE IMMEDIATELY.
F. A. WERMAN, OF BALTIMORE, SAYS:
Baltimore, Md., March 30, 1902.
Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.
About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.
I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.
I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and today, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours,
F. A. WERMAN, 720 S. Broadway, Baltimore, Md.
Our treatment does not interfere with your usual occupation.
Examination and advice free. **YOU CAN CURE YOURSELF AT HOME** at a nominal cost.

COURT DENIES COUNTY'S APPEAL

McBride's Decision in the Moores Case Affirmed.

OPINION BY JUSTICE WOLVERTON

Suit Was Brought in Circuit Court to Determine a Conflicting or Adverse Claim to Realty.

The State Supreme Court Monday decided against the county in the suit of Register C. B. Moores, of the land office, to determine an adverse claim to realty. The principal points of law, briefly stated, are:

"Where a tax sale has been made under an illegal assessment, the owner of the property is entitled to a decree restraining the county from asserting its title under a purchase at such sale, but this injunction will not extend to forbidding the county to assert its right, if it has any, to assess a valid tax against the property and collect."

The decision says in part: Charles B. Moores, respondent, vs. Clackamas County, appellant, from Clackamas County; T. A. McBride, Judge; affirmed; opinion by Wolverton, Justice.

This was a suit to determine a conflicting or adverse claim to realty. Plaintiff alleged that he was the owner of the premises in question; that the county claimed some interest in the property adverse to his full enjoyment of the same, and that the claim was without right. He asked that defendant be required to set up title. Clackamas County answered, saying that plaintiff had refused to pay any part of the taxes due on the property for the years 1892 and 1893, amounting to \$900 and \$1358.27, and that in this suit plaintiff sought to avoid said taxes, contrary to equity and good conscience. Plaintiff replied affirmatively, setting up his own title, and the fact regarding an illegal assessment and sale of the property. The plaintiff won in the court below, and Clackamas County appealed. The Supreme Court says:

"It is conceded by counsel for defendant that the assessment forming the basis of the certificates of tax sales against which the plaintiff is invoking the remedial arm of equitable jurisdiction is void and wholly insufficient upon which to base a tax sale, the cardinal contention being that no suit can be maintained against a county to avoid the payment of taxes. But this is not a suit of that nature. The purpose of plaintiff is to get rid of these Sheriff's certificates of sale, which he claims are void, not on their face, but under the facts alleged and developed by the evidence. Under the decisions in the cases of Trust Company vs. Aylesworth and Hughes vs. Linn County, plaintiff is not without a remedy."

"This brings us to defendant's next contention, that plaintiff's remedy, if he had any, was by suit to remove a cloud, and not to quiet title or to determine an adverse interest. In many instances, it is undoubtedly true that the object to be obtained may be accomplished by the adoption of either remedy. In the one case the plaintiff sets up the facts, showing the cloud and its invalidity, while in the other he calls upon the defendant to set up the character of his claim, that it may be adjudicated upon and its legal effect determined, and thereby have the plaintiff's title quieted. The plaintiff has preferred the latter mode of procedure in the present instance."

It is held that the fact that the defendant's claim was first set up in plaintiff's reply was immaterial in this case, and the opinion closes:

"The decree in this case should simply restrain the defendant from the assertion of any claim, right or title under and by virtue of the certificate of sale and the tax proceedings upon which they are founded. We do not desire to be understood as enjoining the county from asserting its right, if it has any, to assess a valid tax against these premises, and collect it."

WHAT DO THE CHILDREN DRINK?
Don't give them tea or coffee. Have you tried the new food drink called GRAIN-O? It is delicious and nourishing and takes the place of coffee. The more GRAIN-O you give the children the more health you distribute through their systems. Grain-O is made of pure grains, and when properly prepared tastes like the choice grades of coffee but costs about 1/4 as much. All grocers sell it. 15c. and 25c.

Favorite Nearly Everywhere.

PORTLAND Y. E. C. A. WINS

Oregon City Players Defeated in Basketball Indoor Baseball.

The Portland Y. M. C. A. won two victories Saturday evening in Portland over the Oregon City Association. The first contest was a game of basketball between the junior teams, which the Portlanders won 11 to 8. The second match was between the two indoor baseball nines of the seniors, which went to the Portland players by 10 to 7.

The basketball game was a lively contest, the juniors entering into the sport with great zest. At the end of the first half the Oregon City boys were in the lead with a score of 6 to 4. The Portland players came up strong in the second half and landed the victory by 11 to 8. Their success was mainly due to the fact that they played H. Livingston at center against the protest of the Oregon City team. He is an acknowledged senior and has no place in the junior team.

The players faced each other in this order:

| Portland | Position | Oregon City |
|------------|----------|-------------|
| Livingston | center | Wilson |
| Neth | guard | Charman |
| Harrison | guard | Gantenbein |
| Taylor | forward | Cooke |
| Pugh | forward | Bollinger |

The indoor baseball game was one of the fastest of the season. The score was a tie up to the seventh, when the Portland Y. M. C. A. nine batted out four runs. Parker at second base distinguished himself in the fielding, assisting in the execution of several neat double plays.

The teams were made up as follows:

| Portland | Position | Or City |
|----------|----------|-------------|
| Gordon | 1 b | Daric |
| McKenzie | p | D. Williams |
| Parker | 2 | A. Williams |
| Vinson | 3 | Clark |

HOMESTEAD AND TIMBER ENTRIES

Tab's Showing the Number Filed Each Year in the Land Office.

Register Moores, of the United States Land Office, has arranged a table, showing the number of homestead entries and timber entries filed in the Oregon City office since the passage of the homestead and timber and stone laws. The total number of homestead entries filed since 1863 is 15,060. The homestead law went into effect January 1 of that year, the date of the issuance of the emancipation proclamation. The timber and stone entries total 3,777. The act under which those entries were filed went into effect in February, 1878. The table follows:

| HOMESTEAD ENTRIES. | | | |

The Last Heard Of It.

"My little boy took the croup one night and soon grew so bad you could hear him breathe all over the house," says F. D. Reynolds, Mansfield, O. We feared he would die, but a few doses of One Minute Cough Cure quickly relieved him and he went to sleep. That's the last we heard of the croup. Now isn't a cough cure like that valuable? One Minute Cough Cure is absolutely safe and acts immediately. For coughs, colds, croup, grip, bronchitis and all other throat and lung troubles it is a certain cure. Very pleasant to take. The little ones like it. Geo. Harding.

NO SCARCITY OF GOOD MATERIAL

Candidates Up For Nomination By the Convention.

MANY LEGISLATIVE CANDIDATES

This List May Not Be Complete, and If You Were Left Out Don't Be Backward About Saying So.

The question of politics and the probable Republican candidates is receiving considerable attention at this time. While there may be new candidates out, the Enterprise has not been able to obtain them all, and this paper will be glad to announce at any time the names of any candidates who desire to enter the race for any office in the gift of the county.

For state senator George C. Brownell is the only candidate mentioned. He will probably have no opposition in the convention.

The joint senator and joint representative are controlled by Multnomah county and there are not many candidates mentioned for these places, although the names of A. S. Dresser and Richard Scott have been frequently mentioned for these offices.

For the three places on the representative ticket candidates are plentiful. The names of J. L. Kruse and J. A. Talbert are mentioned for re-nomination. Others mentioned are C. G. Huntley, J. O. Dickey, of Molalla, Jarish, of Oswego, J. W. Graale, of Milwaukie, G. E. Hayes, Charles Tuole, of Canemah, F. A. Menig, of Sandy, A. H. Vinyard, of Canby, and C. H. Dyc, of Oregon City.

The fight for county judge is between Judge Ryan and Mayor Dimick. Judge Ryan wants a re-nomination and Mayor Dimick is an active candidate.

J. R. Morton is a candidate for re-nomination for county commissioner. Other candidates are W. H. Counsell, of Milwaukie, and C. H. Dyc, of Clackamas, F. A. Sleight, of Canby, J. W. McAnulty and Weldon Shank, of Oregon City, and Mr. Lake, of Borings, are candidates for county clerk.

John Shaver, of Molalla, seems to have a clear field for the nomination for sheriff. Thus far no opposition has developed.

For recorder the contest is between E. P. Dedman, of Clackamas, and H. E. Stevens, of Milwaukie. Both men are making a strong fight for the nomination.

Nick Blair, of Killin, is the most prominent candidate for assessor. E. C. Hackett, of Stone, is mentioned for the place.

E. P. Carter, of Wilhoit, Enos Cahill, of New Era, and L. Waldron, of Mount Pleasant, are candidates for the nomination of treasurer.

Judge J. W. Meldrum is the only candidate so far mentioned for surveyor.

County School Superintendent J. C. Zinser has a little the best end of it, as he holds over for two years more.

R. L. Holman has announced his candidacy for the nomination of coroner. Dr. C. A. Stuart is also a candidate.

Had to Conquer or Die.

"I was just about gone," writes Mrs. Rosa Richardson, Laurel Springs, N. C. "I had consumption so bad that the best doctors said I could not live more than a month, but I began to use Dr. King's New Discovery and was wholly cured by seven bottles and am now stout and well." It's an unrivaled life saver in Consumption, Pneumonia, LaGrippe and Bronchitis; infallible for Coughs; Colds, Asthma, Hay Fever, Croup or Whooping Cough. Guaranteed bottles 50c and \$1.00. Trial bottles free at Geo. A. Harding's drug store.
