ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE
by our new invention. Only those born deaf are incurable.
HEAD NOISES CEASE IMMEDIATELY.
F. A. WERMAN, OF BALTIMORE, SAYS:
BALTIMORE, Md., March 30, 1901.
Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.
About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.
I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.
I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain
Very truly yours,
F. A. WERMAN, 720 S. Broadway, Baltimore, Md.
Our treatment does not interfere with your usual occupation.
Examination and advice free. **YOU CAN CURE YOURSELF AT HOME** at a nominal cost.

"During the winter of 1898 I was so lame in my joints, in fact all over my body, that I could hardly hobble around, when I bought a bottle of Chamberlain's Pain Balm. Forty Districts of the County Have Made Levies This Year.

The district school tax list of Clackamas county has been announced as made out in the apportionment below. Superintendent J. C. Zinser states that last year the special school tax for the county amounted to less than two mills. The following list shows an improvement in school conditions. Beat The Multnomahs.

Oregon City Y. M. C. A. Juniors won from Multnomah club, of Portland last Saturday night by a score of 9 to 7. Multnomah put up a very poor game of basket ball. The team was a great deal heavier than the local boys and, besides being heavier, they were older and in a true sense not a Junior's team. The Juniors went into the game with a true spirit and before many minutes it was easily seen that Multnomah could not win from them. A return game will be played in two or three weeks at Portland.

The line-up follows:
Oregon City Multnomah
A. Cooke F. Fenton
C. Bollinger F. Frank
W. Wilson C. Johnson
P. Gantenbein G. Stott
N. Charman G. Kerrigan

A Fireman's Close Call.

"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters, and, after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by Geo. A. Harding. Price 50 cents.

ANNUAL MEETING OF Y. M. C. A.

Association is Paying Current Expenses at Present.

INDEBTEDNESS UNDER \$1500

Secretary Levens' Report Was Read at Banquet Given by Ladies Speeches Followed.

The eighth annual meeting of the Oregon City Y. M. C. A. held in the association hall Monday night was a thing of pleasure and the affair will be a joy as long as the recollection of the delicious supper served by the ladies remains fresh in the memory of those who attended. Secretary Seth Levens' financial and membership report was not as dry as it might have been when it stated that the association was taking in enough money to pay the running expenses, and that the total debt, incurred against the new building, had been reduced to about \$1500. The financial status of the association has been much improved since the present secretary took charge, and the general improvement of the institution in a popular social way is noticeable. The full membership is 110. The activity in the physical department has been evident. The total registered in classes is 82. Five match games of baseball, one game of basket ball and one game of foot ball have been played during the year, all of which resulted in victories. Among those present at the meeting were some of the representative business and professional men of the city. President Olesen was toast master at the supper table and the speakers were Chris. Schuebel, Rev. J. H. Beaven, County Judge Ryan and Assistant Secretary of the State Oscar Cox, of Portland. Mr. Schuebel gave an interesting review of the history of the association, stating that he helped to organize it seven or eight years ago, and had watched its magnificent growth with pleasure; he urged more support from the business men and offered some criticisms on the ministers and churches for not doing more for the advancement of the cause. Rev. J. H. Beaven, pastor of the Baptist church, spoke in glowing terms of the usefulness of the association, but took issue with Mr. Schuebel in the matter of the delinquency of the churches. He thought that the ministers themselves should have as little to do with the running of the Y. M. C. A. as possible, lest the imprint of some Baptist, or Methodist, or Presbyterian or other minister's finger should be made in the pie. He advised keeping the organization free from sectarianism, but said in behalf of the churches that they had always joined heartily and willingly in the affairs of the association. Judge Ryan laid stress on keeping the books and doing the business of the association in a business manner, if the support of the community is expected. Assistant Secretary of the State Oscar Cox made some interesting remarks, copious with illustrations and funny stories, pertinent to the hour. He dwelt appealingly upon the good the association was doing for the young men, by holding out inducements for them to pass their spare evenings in comfortable quarters, amid good literature and associated with good people. All of the speakers were applauded generously. Following is Secretary Levens' report:
