NARROWLY ESCAPED DEATH.

Mildred Sladen's Foot Crushed By Electric Car.—Amputation Necessary.

Mildred, the 4 year old daughter of Mr. and Mrs. H. T. Sladen, of Gladstone, had a narrow escape from being killed under the wheels of a moving electric car, in front of Mrs. Sladen's store about 2:30 o'clock Tuesday afternoon. The child's right foot was crushed so severely that amputation was necessary. Everything possible was done by the physicians called in to save the foot, but owing to the crushed condition of the part, circulation had stopped in a part of the foot and symptoms of gangrene appeared. The superintendent of the road and two of the company's physicians from Portland came up on a special car and were present at the sufferer's side previous to the amputation. The superintendent desired to save the child's foot if it were within reason to do so but the verdict of his advisors, which was the original decision of the local doctors, that the member would have to be taken off to save the baby's life. The operation was performed successfully and the patient is now resting easily. Those who saw the accident do not blame the operators of the car. The little tot ran in front of it before the stop had been made at the street crossing, at which place Mr. Sladen, his little son and daughter were about to take the car for their home at Gladstone.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh of the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 60c size. Ely Brothers, 56 Warren St., N.Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
