HARD WORK.

It Tests the Quality of Both Blood and Muscle.

There are grades even in hard work. The actual labor may not be greater in one case than in another, but the conditions under which the work is done intensify the strain upon the entire body. To work in the harvest field, under a hot sun, is, after all, a healthful occupation. To work in a stoke hole, deep in the bowels of an ocean liner, or under ground in some basement, imposes far more strain and produces greater exhaustion than the hardest work in the field on the hottest of July days.

Vital statistics tell the story. The average life of the man in the stoke hole, the rolling mill, the blast furnace, the glass factory, is far below the average life of the open air worker. Working men could be considerably prolonged, if once and for all they would learn the force of that biblical statement, "The blood is the life." If a man seeks to prolong his life, he must take account of his blood—for that is the vital fluid.

WAITING FOR THE BLOOD.

The chief cause of a physical breakdown is often the fact that people put off giving themselves proper care. They don't want to spend the money for medicine, or they don't feel quite sick enough to want to take it. They feel languid, "played out," as they say, and when the day's work is over there isn't a bit of "go" left in them. That's the time when the use of Dr. Pierce's Golden Medical Discovery means a new grip on life, and the prevention of more serious disease.

"It has been five years since I took your 'Golden Medical Discovery' for an affection called scrofulous enlargement of the glands of the neck," writes Mr. Zebulon B. Loftin, of Grifton, Pitt Co., N. C., "and I am glad to tell you that I have had no return of the disease. I thought I would write you and let you know that I have not forgotten you, and never will while I live.

"You may publish this if you wish, and if any one wants to know about my testimonial they are at liberty to write to me, and I will acknowledge the truth in return." "For three years I have suffered with that dread disease, eczema," writes Mrs. J. Koepff, of Hermans, Oregon. "I was told to try Dr. Pierce's Golden Medical Discovery, which I did, and after I had taken fourteen bottles I was permanently cured. It has been a year since I stopped taking your medicine and the disease has never appeared since. Your medicine produced a wonderful cure, and I hope others suffering as I did, will take it and be relieved of their suffering."

Non-Using That Will Do You Good.

We know of no way in which we can be of more service to our readers than to tell them of something that will be of real good to them. For this reason we want to acquaint them with what we consider one of the very best remedies on the market for coughs, colds, and that alarming complaint, croup. We refer to Chamberlain's Cough Remedy. We have used it with such good results in our family so long that it has become a household necessity. By its prompt use we haven't any doubt but that it has time and again prevented croup. The testimony is given upon our own experience, and we suggest that our readers, especially those who have small children, always keep it in their homes as a safeguard against croup—Camden (S. C.) Messenger. For sale by G. A. Harding, Druggist.

The cures of disease... impure or poisoned blood, which have been by the use of Dr. Pierce's Golden Medical Discovery, stamp it as most remarkable remedy. Its curative power is the fact that in a great use of "Golden Medical Discovery" not begun until years ago, and experienced, and all ailments had entirely failed to effect.

"It has been two months stopped using Dr. Pierce's Golden Medical Discovery," writes J. of Regina, Pike Co., Ky. down in Texas last year with chills and fever while back to Kentucky and wearing my boots off from rain commenced using it. 149 pounds suffering with fever for 10 treatment and tried all kinds of remedies and all seemed to be good. After four bottles of Golden Medical Discovery and one week I feel well and weigh 149 pounds when I began to advise the doctor to keep it in the time, will purchase more than they use in directions. "Golden Medical Discovery" removes substances of the blood in various conditions. It acts upon the system, giving their activities the strength of blood, which feeds the tissue of the body. It boils, sores, salt-rheum, scrofula, rheumatism, etc.

Accept no substitute for "Golden Medical Discovery." The substitution is to make the little more potent the sale of less meritorious. Sick people, especially from diseases which are chronic, are invited to Pierce, by letter, for advice. This invitation, to be by letter, free, is not to be taken without the medical knowledge or qualified either professional or laymen to give medical advice.

Dr. Pierce, chief of the "Invalids' Hotel" at Buffalo, N. Y., medical staff of physicians, has in a letter treated and cured him of sick men and women. The success of Dr. Pierce's medicine may be fact that of the hundreds who have consulted him have been perfectly and permanently cured.

There is no similar institution of such reputation as the Invalids' Hotel, Institute, Buffalo, N. Y., nearly a score of physical records of cures.
