ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE

by our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

BALTIMORE, Md., March 30, 1902.

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.

About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.

I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialists of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would only cease, but the hearing in the affected ear would be lost forever.

I then saw your advertisement, accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain

Very truly yours,
F. A. WERMAN, 739 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation. Examination and advice free. YOU CAN CURE YOURSELF AT HOME at a nominal cost.

NOW COMES THE TIME FOR FUSION

Citizens' County Convention Meets next Tuesday.

DEMOCRATIC CONVENTION MONDAY

Affairs Are Not Settled But There Is No Doubt That the Majority Sentiment is For Fusion.

The Democratic primaries were held all over the county yesterday and were very quiet. The convention will be held in this city next Monday, the day before the Citizens' convention. The Citizens' primaries will be held Saturday and the convention Tuesday.

A question that has been agitated in the minds of Democrats is whether or not they can vote at both Citizens' and Democratic primaries. Several of the Democratic lawyers are unable to find any law on the subject that will prevent voting at both primaries, and this will probably be done.

There is a well defined rumor afloat that an effort will be made by the straight out and out Democrats to put a ticket in the field in spite of the tendency toward fusion by most of the leaders of the party. Colonel Miller, chairman of the Democratic County Central Committee, is an avowed fusionist, and many prominent Democrats of Oregon City are with him.

Still there are many who are opposed to fusion and these men will do all they can to get a straight ticket in the field. It is possible that many of the delegates to the Democratic convention will also be delegates to the Citizens' convention.

Two hundred and ninety-six delegates will be present at the Citizens' convention and 157 at the Democratic convention. The Citizens' convention will probably be the largest ever held in this city, unless many proxies are represented. This convention will probably be held in the Armory and is called for 10 A. M. The Democratic convention will meet at 11 A. M. and the place of meeting has not yet been determined.

The apportionment for the Citizens' convention will be one delegate at large for every precinct and one for every 10 votes cast in each precinct at the last presidential election. The delegates are apportioned as follows: Abernethy, 12; Barlow, 6; Beaver Creek, 9; Borings, 4; Canyon Creek, 4; Cascade, 7; Canby, 11; Clackamas, 12; Cherryville, 2; Canemah, 8; Damascus, 9; Eagle Creek, 7; Garfield, 5; George, 3; Harding, 7; Highland, 8; Macksburg, 7; Molalla, 12; Marquam, 8; Milwaukie, 13; Maple Lane, 6; Needy, 6; New Era, 8; Oswego, 9; Oregon City No. 1, 17; Oregon City No. 2, 23; Oregon City No. 3, 13; Pleasant Hill, 8; Sievers, 4; Soda Springs, 4; Springwater, 5; Tualatin, 7; Union, 4; Viola, 4; West Oregon City, 11; Killin, 5; Milk Creek, 8.

The delegates to the Democratic convention will elect 13 delegates to the state convention which meets in Portland April 10, and to the first district congressional convention. The apportionment of delegates is as follows: Abernethy, 8; Barlow, 4; Beaver Creek, 5; Borings, 2; Canyon Creek, 2; Canby, 6; Cascade, 3; Clackamas, 6; Cherryville, 2; Canemah, 3; Damascus, 5; Eagle Creek, 5; Garfield, 3; George, 2; Harding, 4; Highland, 5; Macksburg, 3; Molalla, 9; Milk Creek, 4; Marquam, 6; Milwaukie, 5; Maple Lane, 5; Needy, 4; New Era, 4; Oswego, 4; O. C. No. 1, 7; O. C. No. 2, 9; O. C. No. 3, 5; Pleasant Hill, 3; Sievers, 1; Soda Springs, 2; Springwater, 4; Tualatin, 3; Union, 2; Viola, 2; West Oregon City, 7; Killin, 3.

Nominees for county offices on the Citizens' ticket are bobbing up on every side. For state senator either Sheriff John Cooke or George W. Grace will probably secure the nomination. For representatives several names have been mentioned, among them Harvey Starkweather, Charles F. Clarke, of Clackamas, Elmer E. Chairman, of Oregon City, and Charles N. Wait, of Canby. For county judge Captain J. T. Apperson, of Abernethy precinct, and Deputy County Clerk Elmer Dixon have been mentioned, though Mr. Dixon says he is not a candidate. There are many candidates for sheriff. Karl Engle, of Molalla, is mentioned. Joseph Myers, of Maple Lane, Stonewall Jackson Vaughn, of Oregon City, Martin Chatman, of West Oregon City, E. D. Olds, from the same place, Frank Ridg, of Marquam, William Johnson, of Damascus, and Charles Noblitt, of Oregon City, are all in the race for the nomination of sheriff. County Clerk E. H. Cooper and County Treasurer A. Luelling are sure of re-nomination. Deputy Sheriff J. E. Jack is slated for assessor. For commissioner William Johnson, of Damascus, Henry Gana, of Oswego, and William Ganong, of Canemah, are mentioned. Dr. J. W. Powell seems to have the inside track on

the coronership nomination. Deputy County Clerk O. D. Eby and Lewis E. Grazer are mentioned for recorder but Mr. Eby is not an avowed candidate.

MR. GINTHER ON SOCIALISM

Unable to Make a Campaign He Asks Space For His Views.

MACKSBERG, Or., March 31.—(To The Editor)—Having been solicited by my fellow socialists as their nominee for representative of this county it becomes my duty to discuss with my fellow-citizens the political questions that so earnestly concerns every citizen in this republic. I recognize the difficulty of trying to persuade men to investigate new changes in government, and to notice the effect of such change upon themselves; I realize that in times of political excitement man is prone to be guided by his passions instead of his reason. But nevertheless, we should not be deterred from doing our duty, nor be disappointed should we fail to convince our fellowmen. It is better to have worked for the cause of humanity and failed, than not to have worked at all. These are times of deep concern.

One class of men and women struggling in hopeless toll, surrounded by circumstances that emit no ray of happiness; and another class of men and women, indulging in the delights of life, and reaping all the benefits of human society. The one class are the laboring men and women everywhere, the other class are the millionaire capitalists. You may arrange words in ways to make truth appear in different uniforms, but arrange as you may, there are only two classes of people on the face of the earth. Those who raise the food for the human race, those who make the clothing, and those who build the home, are the principal members of the one class, and those who do nothing but lay plans to enslave their fellowmen into slavery, are the principal members of the other. The contest is now on, and it rests with every citizen in every land whether laboring men and women shall have their natural rights, or whether the men and women who toil not shall continue to hold them in bondage. This is the struggle between Socialism and Imperialism. Either the people who produce everything must take the government into their own hands and govern themselves to their own advantage, or the "trusts" will take the governments and run them for their benefit. I regret that it is impossible for me to canvass our county and talk to the people directly, but being engaged to teach a term of school it is my duty to serve those who have engaged me. I shall at some future time discuss the merits of our county platform and also the principles of proportional representation.

ROBERT GINTHER.

BACK COMES THE HOODLUMS.

A. M. Miller, of Needy, Defends the Action of the Sereaders.

NEEDY, Or., March 28, 1902.—(To The Editor)—You will allow me space in your paper to explain the hoodlum party who attended the charavari at Joseph Yoder's. I, among several others of the hoodlums who are degraded beneath the notice of respectable society, attended the affair and will say that no one deliberately and willfully punctured the brass kettle and we, as gentlemen of the Hoodlum Tribe, are ready to pay all damage Mr. Yoder proves due him, and if he as man of the world, or she as a lady, whichever it might have been, who misrepresented to the public not only the so-called hoodlums but also the respectable people of this vicinity who are our associates, will have the same piece published in next week's paper as he had published in that of March 21, and sign his signature in full, he can get the price of a \$10 kettle. Mr. Writer, whoever you were, will find that we, even if we are regarded lower than the dumb brutes by the respectable people, are not so small. A. M. MILLER.

GRASS IS GREEN IN WASHINGTON

Balm Spring Has Come to Stay at the National Capitol.

PREIDENT RECEIVES OREGONIANS

This State Will Receive Nearly Two Million Dollars For Its Rivers and Harbors.

WASHINGTON, D. C., March 31, 1902.—At last we have spring and the world has revived with grass and the green buds to prove it.

An amusing incident that occurred at the White House lately will interest Oregonians. Mr. Tongue had accompanied two Oregon ladies, Mrs. Werner Breynan, of Salem, and her sisters, Mrs. White, of Yamhill, and our friend Jeff Myers was in the company. President Roosevelt was very polite and they had about finished the audience, when one of the ladies remarked that they had crossed the plains in an early day with ox teams. The President seemed fairly electrified at hearing this: "Now, that's something worth the while! By George! Just to think of that! Here are ladies that crossed the continent as pioneers in the early times! Why," he continued, "I had rather see these ladies and hear the story of crossing the plains than to see almost any man alive!"

Jeff Myers thought he might come in on the pioneer lay out, so he gently intimated that his parents crossed about the time that Whitman did, but that was not satisfying to the strenuous one, who said he thought much more of the people who did things worth the while than he did of their children. Then he gave some western reminiscences of his own, talked of the generous character of the western people. Some way the talk changed so that he told of killing his first buffalo. They were driving some Texas steers, "stogies," that were all horns and tail," when a buffalo bull left the herd he was with to join the stogies they were driving, so he killed him. The ladies had quite a unique experience to occur at the White House.

Senator Mitchell has furnished a statement as to matters now pending that interest Oregon. The Chinese Exclusion Bill, introduced by him and known as the Mitchell-Kahn bill, has been reported favorably from the Committee on Immigration; is now on the Senate calendar and may be made unfinished business to come in after the Anarchist Bill, or immediately after the Oleomargarine Bill. He thinks it will be reached within two weeks.

The Nicaragua Bill, the House Hepburn Bill, is reported favorably from Committee on Isthmian Canals, without amendment, and will be made unfinished business after the Anarchist Bill, the Chinese Exclusion Bill, and the Oleomargarine Bill are disposed of.

The Nicaragua Bill will lead to long discussion. The Isthmian Canal Committee are divided. Those in favor being Morgan, of Ala.; Mitchell, Ore.; Turner, of Wash.; Platt, of N. Y.; Hawley, of Conn.; Foster, of La.; and Harris, of Kansas.

Those opposed are Hanna, of Ohio; Kittridge, of S. D.; Prichard, of N. C.; Millard, of Neb. These four favor the Panama route and the purchase of the old Panama plant from the New Panama Canal Co., by paying forty million dollars. The majority believe it a bad bargain if the Panama interest was to be had for nothing, as the proper route is by Nicaragua.

The Indian War Veterans Bill and Oleomargarine Bill have both passed the Senate and the last is reported favorably in the House, as also the Irrigation Bill.

Besides these Mr. Tongue gives the figures that interest Oregon in the River and Harbor Bill. The appropriation practically doubles any amount appropriated heretofore, making a total of al-
