A. Johnston has erected a fine commodious barn on his farm at Logan, which is a credit to the city of Logan.

There was a meeting in Logan Saturday supposed to be a primary. Anyway it was something. It was a quiet affair.

Ned Hutchins will build on his farm this summer and make his future home here. That is right, no better place than here.

Mr. Anderson recently purchased two hundred acres of the Hutchins estate. He will build this summer and make his home here.

Rain or no rain, home seekers have somehow found out there are such places as Logan and Stone on the map, and are coming here to locate.

Politics and smallpox are the principal topics now. We have had colds (common ones), also la grippe and all the rest, but somehow the smallpox doesn't quite suit; but if it is fashionable, I suppose we'll have to try it. Can't see why the M. D.'s can't get up a nicer name for it, La-poxine, or something more stylish.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.
