The following resolution was unani-
mously adopted by Molalla Patrons of
Husbandry, No. 310, at the regular ses-
sion on April 4, 1902:
"Resolved, that we heartily endorse
the principle of Direct Legislation
through the Initiative and Referendum,
and recommend that each Grange
throughout the state select a committee
throughout the state select a committee
to work for the pending Direct Legisla-
tion amendment during the coming cam-
paign, and especially on election day."
Papers friendly to the Grange and in-
terested in the passage of the amend-
ment please copy.

"A neighbor ran in with a bottle of
Chamberlain's Colic, Cholera and Diar-
rhea Remedy when my son was suffering
with severe cramps and was given up as
beyond hope by my regular physician,
who stands high in his profession. After
administering three doses of it, my son
regained consciousness and recovered
entirely within twenty-four hours," says
Mrs. Mary Haller, of Mt. Crawford, Va.

PAINLESS DENTISTRY
DENTAL BRIDGE WORK OF TO-DAY By new methods we are able to produce
the most beautiful and durable of all
Dental Work without the least pain.

DR. PICKENS, whose life has been devoted to the study of the Dental Art, makes a specialty, not of robbing the mouth of the teeth still left for service, but of building up a full set (painless) from the teeth and roots which afford sufficient basis for crown and bridge work. He is prepared to do all kinds of work pertaining to the dental profession and guarantees the same for five years at the very lowest prices consistent with first-class work.
Teeth extracted absolutely without pain by a new and harmless method, applied to the gums. No gases or poisonous cocaine. This is the method now used by the leading dentists of Chicago and New York.
Send for illustrated book on "Dental Bridge Work of To-Day." It will be mailed to you free of charge, and will explain so thoroughly the system that you will understand it as well as the dentist.

MONUMENT TO WAR VETERANS.

Meade Post, G. A. R. Will Raise Funds
By Entertainment Next Thursday.
At Willamette Hall, Thursday
evening, April 17, 1902, under the auspices of
Meade Post No. 2, G. A. R., (for the purpose
of raising funds to be applied to the
erection of a monument to the soldiers of
the late Civil War on the lot donated
to them by the city in Mountain View
cemetery) will be given an entertainment
consisting of vocal and instrumental
music and a lecture on the slaves, be-
fore and during the great struggle, also
the progress made by them as a people
up to the present time. Meade Post has
secured the services of Rev. Daniel Drew,
an ex-slave who did not know his alpha-
bet until after his enlistment in the
army, but who stands today upon the
topmost round of the ladder of oratory.
His life experiences as told by himself
of himself and thousands of others situated
as he was forty years ago, are not only
interesting but thrilling in the extreme.
Come and hear him. What he will tell
you has never been in print. Come and
learn what this people has suffered, what
they have been, and what they are doing
toward uplifting a race that has been
kept in the most abject ignorance and
degradation, and yet possess all the
qualifications of good American citizens.
Admission 25c.

SHE KNEW IT.
Although Not Seen For Years, She Re-
cognized It Immediately.
"Ah! That is the Weber. I would
know it anywhere; it is the tone that
satisfies." Such is what a talented
young lady musician exclaimed yester-
day when she heard some one in the
store playing one of the wonderful Weber
pianos. She had not heard a Weber in
years, but she recognized it at once.
Weber pianos have a most exquisite
tone quality, a purity, mellowness and
sweetness that is not found in any other
make. It is the piano you should pur-
chase if you can afford the choicest that
American genius, skill and capital can
produce.

Just now we have a splendid variety
of fancy Webers in mottled English wal-
nut, curly Brazilian and gorgeous San
Domingo mahogany cases in the 1902
style., the Colonial, Louis XIV, and the
Renaissance. Write us today. Eilers

A Fireman's Close Call.
"I stuck to my engine, although every
joint ached and every nerve was racked
with pain," writes C. W. Bellamy, a lo-
comotive fireman of Burlington, Iowa.
"I was weak and pale, without any ap-
petite and all run down. As I was about
to give up, I got a bottle of Electric
Bitters, and, after taking it, I felt as well as
I ever did in my life." Weak, sickly,
run down people always gain new life,
strength and vigor from their use. Try
them. Satisfaction guaranteed by Geo.
A. Harding. Price 50 cents.

Good For Rheumatism.

Last Fall I was taken with a very se-
vere attack of rheumatism which caused
me great pain and annoyance. After try-
ing several prescriptions and rheumatic
cures, I decided to use Chamberlain's
Pain Balm, which I had seen advertised in
the South Jerseyman. After two ap-
plications of this remedy I was much
better, and after using one bottle was
completely cured." SALLIE HARRIS, Sal-
lem, N. J. For sale by G. A. Harding,

Ask a
healthy
woman
what she would
sell her health
for and she would
tell you that the choicest
diamonds in the world
could not buy it. What
use for diamond rings to
emphasize the shrunken
fingers, or earrings to light
up the cheeks hollowed by
disease?
Health is the first requisite
to womanly happiness. General
ill-health in women has its origin
in local womanly diseases.
Cure the diseases of the delicate
womanly organism and the general
health is perfectly restored.
The remarkable benefits ex-
perienced from the use of Dr.
Pierce's Favorite Prescription
are due to this medicine's per-
fect cure of womanly diseases.
It establishes regularity, dries
weakening drains, heals inflam-
mation and ulceration and cures
female weakness.
" It affords me great pleasure to be
able to say a few words in regard to
the merits of Dr. Pierce's Favorite
Prescription and his 'Golden Medical
Discovery,' writes Mrs. Flora Ann, of
Dallas, Jackson Co., Mo. "I was
tempted to try these medicines after
seeing the effect upon my mother. At
an early stage of married life I was
greatly bothered with painful peri-
ods, also a troublesome drain which
rendered me very weak and unfit for
work of any kind. I became so thin
there was nothing left of me but skin
and bone. My husband became
alarmed and got me a bottle of 'Pe-
riore Prescription.' After he saw the
wonderful effects of that one he got
me two more, and after I used those
up there was no more pain, and I be-
gan to gain in flesh very rapidly."
"Favorite Prescription" makes
weak women strong, sick women
well. Accept no substitute for
the medicine which works won-
ders for weak
women.
