## PAINLESS DENTISTRY

DENTAL BRIDGE WORK OF TO-DAY By new methods we are able to produce the most beautiful and durable of all Dental Work without the least pain.

Figure 4.—It is useless to wear a plate in the mouth when a bridge can be attached to a low remaining teeth and roots.

Figure 6 shows the bridge anchored in position

Pigure 12 shows the bridge in place, natural as life

DR. PICKENS, whose life has been devoted to the study of the Dental Art, makes a specialty, not of robbing the mouth of the teeth still left for service, but of building up a full set (painless) from the teeth and roots which afford sufficient basis for crown and bridge work. He is prapared to do all kinds of work pertaining to the dental profession and guarantees the same for five years at the very lowest prices consistent

Teeth extracted absolutely without pain by a new and harmless method, applied to the gums. No gases or poisonous cocaine. This is the method now used by the leading dentists of Chicago and New York.

Send for illustrated book on "Dental Bridge Work of To-Day." It will be mailed to you free of charge, and will explain so thoroughly the system that you will understand it as well as the dentist.
