

PROGRAM FOR MEMORIAL DAY

Graves of Veterans Will Be Decorated With Flowers.

SERVICES IN M. E. CHURCH SUNDAY

Public Ceremonies in Shiveley's Opera House and Episcopal Services at Mt. View Cemetery.

Once more Memorial Day approaches with its sacredly sweet memories and associations; the American Passover which every year roots itself more deeply into all hearts and arouses stronger feelings of reverence and patriotism.

In that gigantic struggle lasting four years, more of our boys in blue were slain than England has lost in the 800 years of her existence as a nation.

PAINLESS DENTISTRY DENTAL BRIDGE WORK OF TO-DAY By new methods we are able to produce the most beautiful and durable of all Dental Work without the least pain.

DR. PICKENS, whose life has been devoted to the study of the Dental Art, makes a specialty, not of robbing the mouth of the teeth still left for service, but of building up a full set (painless) from the teeth and roots which afford sufficient basis for crown and bridge work.

Teeth extracted absolutely without pain by a new and harmless method, applied to the gums. No gases or poisonous cocaine. This is the method now used by the leading dentists of Chicago and New York.

Send for illustrated book on "Dental Bridge Work of To-Day." It will be mailed to you free of charge, and will explain so thoroughly the system that you will understand it as well as the dentist.

FRASE FOR MRS. WALTER REED.

As an account of the Festival given in the last week the Corvallis Gazette is following to say of Mrs. Walter Reed, Portland's favorite soloist, who sang in concert in this city in March at the auspices of the Bertrick Club. Here all of the work of the soloists is good, and much of it exceptional. Any criticism would seem capricious, were it not for the fact that the list of these performers deserve special mention. Mrs. Reed won the greatest number of admirers and her performance of "He Was Deceived" was a success, and the audience would not be so completely suited to the singer's voice and temperament. The deep, full tones, and delicate shading of the grand song moved every heart, and at one moment tender, soft and in the next rises to mighty tones of solid timbre.
