# A Minister's Mistake.

A city minister was recently handed a notice to be read from his pulpit. Accompanying it was a clipping from a newspaper bearing upon the matter. The clergyman started to read the extract and found that it began "Take Kemp's Balsam, the best Cough Cure."

This was hardly what he had expected and, after a moment's hesifation, he turned it over, and found on the other side the matter intended for the reading.
