- Butte defeats Portland at baseball by a score of 4 to 0,

University of Oregon defeats Mulnomah in dual athletic meet.

The Presbyterian Assembly goes on record against card-playing.

Portland Federated Trades indorse the strike and call out no more unions

Terrible disaster at Fernie, B. C., by which from 125 to 150 lives were lost.

Miss Lopez petitions for the release of her brothers, who were deported from Luzon.

Robert Andrews elected grand master of the oregon Odd Fellows, and Mrs. Atwood president of the Rabekah degree.

An explosion in the Cost Creek mines near Fernie, B. C., caused the almost instant death of between 125 and 150 miners in mines Nos. 1 and 2. Not a single person escaped. About 21 men saved their lives in the No. 3 workings Tte disaster is the worst in the annals of British Coumbia coal mining, excepting that of Wellington, 18 years ago, which 157 lives were lost. Immediately after the explosion a call for help was sent to Fernie, and the foremost of the rescue party was overcome by the afterdamp, and his life was saved only by the timely aid of his comrades. In the work of rescue the miners made heroic sacrifices. The tunnels in which the disaster occurred were very long and badly ventilated The miners are only six miles from Fernie, a town in the eastern part of the Province of British Columbia, on on the Crow's Nest Pass branch of the Canadian Pacific Railway. It lies in the center of a country very rich in coal de-posite. The building of the railway, four years ago, was followed by the operation of the coal mines, which belonged to a company composed largely of Toronto capitalists. These are the coal fields that J J. Hill was reported to have gained control of a year or so ago, but beyond the Great Northern being one of the coal company's best customers, no evidence of this control has been apparent. Fernie's only industry is mining, and its population is about 5000. Most of the miners are foreign born.

Mrs. D. Arnold, President German Woman's Club, Grand Pacific Hotel, Los Angeles, Cal., Relieved of a Tumor by Lydia E. Pinkham's Vegetable Compound. "DEAR MRS. PINKHAM : --- I suffered four years ago with a tumor

in my womb, and the doctors declared I must go to the hospital and undergo an operation, which I dreaded very much and hesitated to submit, "My husband consulted an old friend who had studied medicine,

although he was not a practising physician, and he said he believed that Lydia E. Pinkham's Vegetable Compound would cure me. That same day I took my first dose, and I kept it up faithfully until twelve bottles had been used, and not only did the tumor disappear, but my general health was very much improved and I had

not felt so well since I was a young woman.

"As I have suffered no relapse since, and as I took no other medicine, I am sure that your Compound restored my health and I believe saved my life."-MRS. D. ARNOLD.

\$5000 FORFEIT IF THE ABOVE LETTER IS NOT GENUINE.

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrheea, displacement or ulceration of the womb, that bearing down feeling, inflammation of the ovaries, backache, bloating (or flatulence), general debility, indigestion, and nervous pros-tration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all-gone," and "want-to-be-left-alone" feelings, blues, and hopelessness, they should remember there is one tried and true remedy. Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

Wednesday, May 28.

"I used four bottles of your 'Favorite Prescription' and one of 'Golden Medical Discovery,"" writes Mrs. Elmer D. "At the end of the campaign," writes Shearer, of Mounthope, Lancaster Co., Champ Clark, Missouri's brilliant con Pa., "and can say that I am cured of greasman, "from overwork, pervous that dreaded disease, uterine trouble, Am in better health than ever before. Every one who knows me is surprised to see me look so well. In June, when wrote to you, I was so poor in health that at times I could not walk.

ness which is not healthy. The utterly

worn-out feeling experienced by so many women is not due as a rule to

the physical exhaustion of labor, but to

the draining away of the strength by womanly diseases. Nervousness, head

ache, backache, and sleeplesaness are

but a few of the common results of such a diseased condition. Yet thousands of

women suffer from wonanly diseases for years and make little or no effort to effect a cure. They treat womanly dis-

case as if it was a purely local thing, and

only wake up to the disastrous effect of

the disease upon the general health, when there is an utter break down, fol-

lowed perhaps by years of painful ill-
