REPORTS OF OFFICERS PRESENTED

School Year Just Closed Was a Very Successful One.—Financial Report of Clerk.

So little interest was manifested in the annual school meeting of the Oregon City district last Monday evening that there was only one person present in addition to the school officers. The meeting was a short one and the reports of the directors and clerk were read. They are as follows:

OREGON CITY, Oregon, June 16, 1902. To the taxpayers of School District No. 62, Clackamas County, Oregon.

Ladies and Gentlemen: In pursuance of law, we your board of directors, submit this report of the affairs of the district for the term ending at date. As has been customary for many years past we have had school for nine months during the year just closed. The school opened September 16th, 1901 with a fair attendance which increased to an enrollment of 583 in November, after which time there was a gradual decrease till the end of the school year. Professor H. D. Wilcox was continued as Superintendent and the remainder of the corps of teachers was the same as last year, with the exception of Miss Rebecca T. Smith who was elected Principal of the Eastham School and Miss Eva Meldrum as teacher of the third grade in same school. During the year there has been the greatest harmony and good-will between the superintendent, principals and teachers and they have all worked together faithfully and earnestly to promote the best interests of the pupils under their charge and the consequence has been that we have had a very successful school year.

For the new year we have elected Professor H. A. Hayes, of Henderson, Kentucky, as superintendent (Professor Wilcox not applying for the position.) Miss Addie Clark has been re-elected principal of the Barclay School and Miss Rebecca T. Smith principal of the Eastham School.

The old corps of grade teachers, with two exceptions, were re-elected. The following new teachers were elected to fill the vacancies and for an additional room which will be established the coming year: Mrs. Godfrey, Miss Shonkshier and Mrs. Foster. The salaries will be as follows: Superintendent, \$120 per month; Principal of the Eastham School, \$70 per month; Principal of the Barclay School, \$65 per month; two primary teachers and Miss Sade Chase, \$47.50 each per month; the remainder of the old teachers \$45 each per month and the three new teachers \$40 each per month.

We decided that it was necessary to employ an additional teacher for the new year on account of the crowded condition of some of the rooms last year and the strong probability of its continuance during the future.

The census of the school-children which has just been taken, while a little short of the number shown last year, indicates as large an attendance as the year just closed, the difference in number being caused principally by the elimination of all children who are in the district temporarily and whose homes are in other districts. Each winter quite a number of children come to the city to work for their board and go to school and it has been the custom here to enroll them in this district and furnish them free tuition, but the new law prohibits the enumeration of children except where their homes are and so we have dropped all such.

At the special meeting in January we were authorized to rent a room and fit it up for a new teacher, but after giving the matter a careful investigation we find that we can get an additional room in the Barclay building by putting four grades in the two high school rooms; to accomplish this it will be necessary to put the 8th, 9th, 10th and 11th grades in these two rooms which can be done without a great deal of inconvenience as there will be seating capacity for all and the 11th grade can retire to the principal's office for recitation. With this arrangement we will avoid the expense of renting and fitting up a room outside and also the inconvenience of having one grade off by itself. It will also be quite a saving in cost as the only outlay that will be necessary will be the purchase of a few more desks, which would have been required in either case.

The insurance on the school buildings and contents expired last July and we have renewed it for three years in the following amounts to-wit: On the Barclay building, \$3000; on contents, \$1000; on the Eastham building, \$5000; on contents, \$1000, and on the Gymnasium at the Barclay building, \$400; this insurance for three years cost \$335.

During the past year the attention of the board was called to the fact that Dr. John McLoughlin had, during his lifetime, donated two lots in Oregon City to the school district and that after his death the legislature of the state had confirmed the gift, a matter which none of the board were cognizant of. On looking the matter up we found that other parties had been claiming these lots regardless of the ownership of the district. We have had an abstract of the title to these lots made and find a clear record title in the district and hereafter will do whatever is necessary to protect the interest of the school district. It will probably require a lawsuit to settle the matter and we think that it should be gone into if necessary to establish our right to the lots.

The school buildings are in very fair condition and there will be no large items for repairs during the coming year

unless we decide to paint the Eastham building which is sadly in need of renovation in that respect.

As you are all aware the election of three directors today means that with their qualification for the office that we will become a district of the first class which, while it sounds well, does not mean anything in particular except that we will have five directors hereafter instead of three, and that the term of office of each director will be five years, which will give him ample time to become acquainted with his duties.

The clerks financial report, which will be read following this, will acquaint you with the receipts and expenditures during the sixteen months ending at this date.

Respectfully submitted,
CHAS. ALBRIGHT,
CHARLES H. CAUFIELD,
W. E. CARLLE, Directors.

OREGON CITY, June 16, 1902.
To the Honorable, the Board of Directors of School District No. 62, Clackamas County, Oregon.

I respectfully submit my financial report as clerk of school district No. 62, covering sixteen months, from March 1, 1901 to June 16, 1902, this being the ending of the fiscal year under the new school law.

SAWMILL BURNED NEAR SANDY.

No Insurance On the Property and the Loss Will Total \$6000.

KELSO, O., June 15.—A mill about three miles north-west of Sandy, together with about a thousand dollars worth of lumber belonging to Grove & Goger, was burned this morning at about 3 o'clock. The fire was of unknown origin, but it is supposed to have started from the boiler.

Messrs. Grove & Goger had labored hard to put their mill in a first class condition and had only been sawing since about January 15.

The capacity of the mill was about forty thousand feet per day.

There being no insurance the loss will amount to about \$6000.

With considerable repair the boiler, engine and some few other parts could be used in erecting a new plant, but the owners do not know as yet whether they will rebuild or not.

They were doing well, cutting ties for the O. R. & N. R. R., and were also shipping large quantities of other lumber to California.

There yet remains about two years' work, which will have to be abandoned in case they do not rebuild.

OREGON CITY WINS IN PORTLAND.

Took Game from Uppchurch in Portland Last Saturday.

The Uppchurch baseball team met an overwhelming defeat at the hands of Oregon City in Portland last Saturday, the final score being 14 to 5. The game was played at the professional grounds, and was witnessed by a fair-sized crowd, whose sympathies were evenly divided between the contesting aggregations. Uppchurch was not in it for a moment, the local players being unable to touch Graham, Oregon City's speedy pitcher. Graham was well supported by his infield, and sent strike after strike over the rubber in a manner that gave Manager Feeny's men the complete razzie-dazzie. The visitors scored twice in the opening round, three times in the second and bunched in five more in the fifth—the result of six safe hits off Meach.

Uppchurch managed to pull in two scores in the second inning, and in the seventh took a brace and bunched in three. The game was full of sensational plays, and was interesting throughout.

The line up was as follows: Uppchurch. Graham P Meach. Martin C Slavin. Young 1B Stott. Parrott 2B Baldwin. Davies 3B Patterson. Reekner S Allen. Lee L Parrott. Rapp C DeHill. McCutcheon R Davy.

Hits—off Meach, 15; off Graham, 5. Two-base hits—Young, Graham, Stott, McCutcheon. Three-base hit—Graham. Struck out—By Meach, 2; by Graham, 10.

Bases on balls—Off Graham, 1; off Meach, 2. Stolen bases—Rapp, 2; Young. Time of game—One hour and 45 minutes. Umpire—Stevens. Attendance—400.

ALUMNI TEAM IS BEATEN.

Oregon City Wins Last Sunday's Game By a Score of 12 to 4.

Oregon City beat the Independent Alumni Team, of California, in last Sunday's game, which was won in the first inning. The California team permitted Oregon City to score eight runs in the first. McNulty for the visitors was wild and was retired before the inning was over and Zamloch put in the box. Calif pitched steadily ball all through the game and was well supported. The errors of the Californians were frequent and costly. The visitors went to Everett from here and will return early in July for a return game. Next Sunday Oregon City and Uppchurch will play in Portland. Five hundred people saw Sunday's game and the score follows:

JOHN CARROLL M'CURRY.

Prominent Citizen of Damascus Succumb to Quick Consumption.

John Carroll McMurphy died June 12, 1902 at his home at Damascus, Clackamas County, Oregon.

He was born in Knox County, Indiana, near the present town of Sandborn, August 30, 1849. He went with his parents to Illinois then to Iowa and then to Nebraska in 1866. His home was in Cass County where he married Nancy A. Barr, May 15, 1873. They came west and arrived at Portland in April, 1877. He settled on a farm at Damascus on which he has since resided.

He leaves a wife and six children, Mrs. Otto Smith, of Tremont, Oreg.; Mrs. George Fleming, of Seattle Wash.; Mrs. William Byers, of Logan, Oreg. and Mabel, Elmer, and Helen McMurphy who are at home. Also three brothers and one sister survive him. All but the sister were with him during the last few days also when he passed away.

The deceased was an industrious, quiet man with a kind and loving disposition. He was never known to say an unkind word and always tried to make others happy.

He contracted a cold last August, which terminated in quick consumption, though at the last there was a complication of diseases. During his sickness he never murmured or complained and passed quietly away.
