Vancouver, Mount Angel, Silverton and Chemawa have entered and it is probable that the fifth team will be the Oregon City boys. Mr. Cross could easily get a team from Portland, either the Monograms, Upchurch, or Fidelity. There will be a game every day during the Assembly, with the exception of Sunday and the tournament is expected to be the best in years. Last year the cup was won by Vancouver and this year the winning team has its choice of a trophy cup or a \$150 cash prize. Each team will be given \$30 for expenses.

KILLED IN RUNAWAY ACCIDENT. Death of Mrs. Herberg and the Injury of Her Little Child. KELSO, June 19.—A very sad accident with a runaway team occurred at Proctor & Beer's sawmill near Cottrell, and resulted in the death of a lady by the name of Mrs. Herberg, the injury of her little child, and a small boy badly bruised. As near as can be ascertained, a man by the name of Howell was at the mill loading lumber on his wagon. The blowing of the whistle, as a signal for the mill to start, scared the team, which ran about fifty yards, meeting the back which had been standing at Proctor & Beer's store with the lady and child in it. It appears that the back team was trying to turn around, (being frightened at the runaway team), when it tipped to one side, throwing the lady and child out. The hind wheel of the wagon passed over the lady's neck, breaking it and causing almost instant death. The boy that was hurt was holding the team while the man was loading the wagon. He fell behind the team and came near being crushed, but escaped with only slight bruises. A lad about seven years old, who gives his name as Jessie Warner, from Portland or Vancouver, has been loafing about the mills of this vicinity for the last few days, apparently contented. It is said that he was the cause of the runaway at Cottrell, causing the death of Mrs. Herberg. It is likely that he has escaped from some aid society or orphan home. The authorities would do well to look into this case. For fine Photos call on Snodgrass, successor to Cheney. A specialty made of high class work. Portraits Enlarged, in Crayon, Water Color and India Ink. A bromide enlargement free with all cabinet sittings for a short time. Give us a call. Oregon City and Canemah people may now go to Portland on the electric cars and return the same day for 75 cents round trip. This is effective only after the departure of the 4:20 P. M. car. Kicked by a Horse. John Hovey, the 17 year old son of James Hovey, of Green Point, was kicked by a horse yesterday afternoon and suffered frightful injuries, his face being crushed beyond semblance of recognition. Harris' grocery team was tied near the Hovey residence and the horses were feeding. One of them caught its foot in a rope. The boy ran in to cut the rope and release the animal, when the horse kicked him in the face, crushing it in a horrible manner. The boy managed to crawl out from under the feet of the horse. He was bleeding badly and was taken to his home. Dr. Sammer was called to attend his injuries. He will recover. Smith's Dandruff Pomade stops itching scalp upon one application, three to six removes all dandruff and will stop falling hair. Price 50 cents at all druggists.

Two bands will be engaged and the vocal music will be of high order. George F. Horton is the chairman of the musical committee and all of the members of the committee will do their best to make that part of the program pleasing and entertaining. The special attractions committee is negotiating for star attractions for the Fourth. The orator of the day and the reader of the declaration of independence will be selected in a few days. Sprinkling not to extend beyond the center of the street. \$2.00 per month for truck gardeners, in addition to other use. \$2.50 per month where water is used during the sprinkling season. Each consumer will be allowed the use of but one stream of water at a time, through a nozzle not exceeding 3/8 inch.
