

Oregon City Enterprise

THE LOCAL NEWS.

REBEKAH LODGE AT AURORA.—Mrs. Kate Howell, vice-president of the Rebekah Assembly, went to Aurora Tuesday morning and instituted a lodge there. The work of Willamette is done by the staff of Willamette under the supervision of Mrs. Thomas Ryan, Noble Grand.

LABOR DAY CARNIVAL.—Local Union No. 9708, Federal Labor Union, held a carnival on Labor Day, September 1. The plans are yet incomplete. The carnival will probably be in the form of a trades carnival and street parade. The members of the labor unions in the city, comprising nearly 1000 men, will participate in the event.

NEW LAND OFFICE RECEIVER.—George Huse, of Sheridan, arrived in this city Tuesday with his family, and is expected to take possession of the office of the United States Land Office at the residence of Mrs. Huse. Mr. Huse is a very able and experienced receiver and is sure to make his friends during his coming four years residence in Oregon City.

BUTTER, CHEESE AND MILK.—According to a bulletin of the Census Office, there were in 1900 68 butter, cheese and condensed milk factories in Oregon, representing a capital of \$223,400. Their output for the year was valued at \$639,700. Ten years previous there were but 12 factories, whose output was \$66,425. Washington there were 60 factories, capitalized at \$304,178, whose products were valued at \$1,190,239, an annual increase of 180 per cent. Idaho now has 19 factories, with an output of \$116,056.

RAILWAY UP THE CLACKAMAS.—State Senator George C. Brownell, Fred S. Harris, principal owner of the Portland and Clackamas Railway and W. H. Abbott, president of the road, went to Clackamas Saturday night and addressed a large crowd there. They discussed the matter of building a railway up the Clackamas River to the site of a new power station before the people. The distance between Eagle Lake and the new power house site is about eight miles.

KILLED BY FALL IN ONE SHUTE.—Ben Williams, single, aged about 25 years, was killed by falling from a log on Tuesday morning while moving a log on an ore chute in the Morning Star mill. He was struck on the head by the log and it is believed he lost his balance and fell from a distance of 90 feet. He was taken immediately to Dr. Magee's hospital at Wallace, where he died Friday afternoon. Little is known of the unfortunate man other than he came from Walla Walla about two weeks ago from Oregon City, Oregon.—Mullan, Idaho, Ore.

BOAT TO PORTLAND.—The regular service of the Oregon City-Portland has commenced and the public will be pleased to learn that this city will have a daily boat service all through the summer. The steamer Leona has been chartered and retitled and looks like a first class boat. Four round trips will be made by the boat and will touch at the following way landings and at no other place: Magone's Park, Meldrum's, Fry's, Risley's and Oswego. The following schedule will be maintained: Leave Oregon City at 7 and 10 A. M., 1 and 3 P. M. Leave Portland at 8:30 and 11:30 A. M. and at 3:00 and 5 P. M. The steamer will lay over at Oregon City. Round trip 25 cents.

AGRICULTURE IN OREGON.—A census taken on agriculture in Oregon shows that farms of the State, on June 1, 1900, numbered 35,837 and were valued at \$2,377,514. Of this amount \$19,199,694, or 84.5 per cent, represents the value of the land and improvements other than buildings. The value of farm implements and machinery was \$6,596,725, and of livestock \$31,917,048. The values added to that of farms, give \$17,761,287 for the total value of farm property. The value of farm products for 1900 was \$109,960, of which \$16,282,282, or 40 per cent, represents the value of annual crops, and \$21,805,687, or 27.2 per cent, represents the value of forest products cut or produced on farms. The total farm income in Oregon in 1900 was \$186,246.

TEACHERS' ASSOCIATION.—The county Teachers' Association, under the supervision of J. C. Zinser, of T. J. Gary, of the West Oregon schools, Miss Laura Beattie, Miss

Eva Meldrum, Miss Gertrude Nefzger, Miss Mammie E. Adams, Miss Bernice Adams, of Oregon City, Miss Elizabeth Downing and Miss Jennie Reiche, of Stafford, Miss Frances Myers, of Forest Grove, and Prof. V. A. Davis, of Harmony, left on the special car attached to the regular south bound overland Wednesday morning for Eugene to attend the second annual convention of the western division, Oregon state teachers' Association. Prof. Zinser and Prof. Gary are on the program. The institute will stop at New Era en route for home and will attend the special meeting of the voters of District No. 63, Brown's school-house, to be held to decide upon the practicability of building a new school-house.

MAZAMAS' ANNUAL OUTING.—The ninth annual outing of the Mazamas will take place from July 14 to July 21. Mount Adams will be the scene of the explorations, and the expense of the round trip will be \$15 for the Mazamas and \$18 for those who are not members of the society. According to the programme preparations for making the climb will be made on July 17, and on the following day the march to the mountain will be made and a temporary camp established at the timber line. The ascent will be made on the 19th. On the 20th the Mazamas will rest, and on the 21st there will be side trips to the caves. On the 23d the first party of the division will leave for White Salmon and return thence to Portland, and on the 25d the second party will follow. As no provision is made for sleeping quarters, all are expected to bring their blankets and tents or sleeping-bags. Thirty-five pounds of baggage will be allowed by the steamboat companies and all in excess will be charged for. As equipment it is recommended that all bring Alpine stocks, canteens, gauntlets, screw drivers, small screw for shoes, two pairs of shoes and a sweater.

ARRESTED FOR TREASON.—Ed. W. Bingham, a Portland attorney who resides about four miles below the city on the west side of the river, came into town Tuesday morning and filed a complaint against Charles Dull, charging him with trespassing on the enclosed lands of another. Dull was hired some time ago to work for Mr. Bingham, but gradually became dissatisfied and wanted to quit. Monday Mr. Bingham engaged a man in his place and offered the use of his team and wagon to Dull to transport his household goods to the steamer landing. Dull, who has a wife and child, refused to leave without a settlement and was told by Mr. Bingham that his fare would be paid to Portland and settlement made there, as he had been engaged in Portland. Dull remained obstinate however and Mr. Bingham was compelled to resort to the law in order to get rid of him. Constable Moody went down Tuesday afternoon to bring the man to Oregon City, but as soon as the warrant was served, Dull said he did not want any trouble and agreed to leave the place. The case against him in the Justice Court will accordingly be dismissed.

SEVERAL KINDS OF SIDEWALKS.—A new sidewalk was constructed this week fronting the Wilhelm Tell saloon and Shark's cigar store on the east side of Main, near Sixth street. The walk is made of 2x8 lumber. The attention of an Enterprise reporter was called to the fact that the city ordinance requires that all sidewalks be constructed of 2x6 lumber, dressed on one side. Charles Albright, of the city council, was seen regarding the matter. He said that he did not believe that the ordinance would hold water, as there was no denying that 2x8 lumber was far more desirable and superior than 2x6 for sidewalks. He used 2x8 in the construction of a sidewalk in front of his place of business last year, and says that 2x6 is too narrow for stability, and as it wears a little it will break as the width is not sufficient to hold it up. Sheriff Cooke, on the other hand, says that 2x8 lumber is too wide and after a short time warps and curls up, and that no one has any authority to construct walks with lumber that does not conform to the provisions of the city ordinance. In the meantime the walks are there and it is not likely that the builders will be compelled to pull them up and replace them with 2x6 lumber. The fact of the matter is, any lumber is poor material for sidewalks compared with cement. There is sure economy in building cement walks. They last many times longer, are better in every respect and property owners should be required to construct no other kind of walks.

MOVING SEASON AT HAND.—The local real estate market has been very active for two weeks past and residence changes have been many. County Clerk E. H. Cooper has sold his place in Gladstone, the former home of Rev. Gilman

Parker, who was for five years pastor of the Baptist church in this city to Mr. and Mrs. James Heatley, of Portland, for \$1250. Mr. Heatley is traveling agent for A. Schilling & Co., of San Francisco. They will make Gladstone their home and are very pleased with the location. A transfer recorded in business circles in the dissolving of the Bekke & Gale partnership, Mr. Bekke having purchased the interest of Gale. John F. Clark has purchased the Donaldson house on the West side of the river and will soon move there. The house is now occupied by C. A. McMillan, who moved in only last week, and who will go into the Paine house on the west side. The residence now occupied by Mr. Clark has been sold by its owner Chambers Howell to Dr. Seaman, who will live there. The residence now occupied by Dr. Seaman will be the home of Major Thomas Charman. Chester Muir has moved into the house formerly occupied by Bruce Curry, and adjoining the home of John B. Humphry, which is temporarily occupied by C. B. Moore. The home of A. T. Muir has been sold to Mr. Fry. Mr. and Mrs. Muir, who are now visiting in the east, will probably not return to Oregon City to reside. The home of Mrs. D. H. Glass has been rented, furnished, by John H. Thornton, of Portland, who will open a saloon at the location on Main street, until recently occupied by Kelly & Noblitt.

HIG FIRE IN PORTLAND.

Largest Conflagration For Many Years Results in Loss of Nearly \$400,000.

Fire broke out shortly before 11 o'clock last Saturday night in Portland in the Phoenix Iron Works, formerly the plant of Wolff and Zwicker on East Madison street on the water front. It spread rapidly, causing great damage. A clean sweep was made from Johnson's boat yard to the Troy Laundry and the latter establishment had a narrow escape from destruction. The blaze lit the sky for miles around and was seen plainly from this city. The power was shut off from the car line for several hours, and the car scheduled to leave Portland at 11:40 P. M. did not depart until 1:45 A. M. Two spans of the Madison street bridge were destroyed and until they are rebuilt the Oregon City cars will run only to the intersection of Grand and Hawthorne Avenues, where transfer will be made across the Morrison street bridge. The insurance covers only a small portion of the losses, which follow:

Table listing insurance losses: East Side Lumber Company \$100,000, Johnson shipyards \$91,000, O'Reilly & Burpee \$89,000, Portland City & Oregon Railway \$23,000, Multnomah County (bridge) \$20,000, Phoenix Iron Works \$20,000, Dr. James Sorman \$15,000, Standard Oil Company \$10,000, Parlin & Olandorf \$10,000, City of Portland, row-ways \$10,000, Star Mill Company \$5,000, J. A. Freeman \$5,000, Eschenbacher & Digg saloon \$7,000, C. H. Reed \$3,000, Peter Bauer \$17,000, S. R. Hagey \$1,000, Francis Bros., brass works \$3,000, Ben Hicks, machine shop \$5,500, Charles Schwind, grocery \$2,500, John Popp, butcher \$500, A. S. If, cigar stand \$200, Miscellaneous \$15,000, Total \$386,200.

Happy Time in Old Town.

"We felt very happy," writes R. N. Revill, Old Town, Va., "when Bucklen's Arnica Salve wholly cured our daughter of a bad case of scald head." It delights all who use it for Cuts, Corns, Burns, Bruises, Boils, Ulcers, Eruptions. Infallible for Piles. Only 25c at Geo. A. Harding's drug store.

A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Sturdevant, of Merry Oaks, N. C. After I had tried many doctors and medicines to no avail, one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol. Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid Geo. Harding.

Wood Wanted.

Summer Normal OF SIX WEEKS Beginning Monday, June 30, will be conducted in one of the rooms of the Portland Business College, corner Park and Washington streets. It will be strictly a school of study, designed to aid teachers to higher grades in the August examination. Further particulars on application. OPEN ALL THE YEAR The Portland Business College is open all the year. Students may enter at any time, for special branches or a regular course, and receive individual or class instruction, as preferred. Call or send for catalogue. Learn what and how we teach. A. P. Armstrong, Ll. B., Principal.

Proud of Her Hair. Every woman is proud of her hair but that insidious disease of the scalp, dandruff, will drive out the hair and kill the pride unless cured at once. PRIER'S HAIR FOOD is a positive cure for dandruff. It keeps the scalp clean and permits the hair to grow naturally. Sold by all druggists.

JOHN YOUNGER, JEWELER Opp. Huntley's Drug Store, FORTY YEARS EXPERIENCE IN Great Britain and America. The Enterprise \$1.50 per year.

New Prescription Drug Store Just Opened—A modern, up-to-date drug-store where the work of carefully and accurately compounding physicians' prescriptions will be a specialty. The enormous prices which the people are having to pay for their prescriptions has necessitated this move. Truly, there is an occasional spontaneous outbreak in cutting the price of a few patent medicines but we intend that this cut shall extend to the prescription work as well. As we have always advocated a lower scale of prices for all drugs and medicines, the opening of our store has caused a great tumbling and cutting of high prices in the patent medicine line. Our object is to extend this reduction of prices to prescription work, so that it will be almost as cheap, and a great deal safer and better, for you to consult your physician in case of sickness, than risk your life on the merits of some "cure all" patent medicine. However, should you decide to take your chance with the "patent," we have a large stock fresh from the laboratory, which we are selling just as cheap and in some instances cheaper than the old pioneer stock now offered in this city at clearance sale. Just a few of our new prices: Scott's Emulsion... 75c Regular \$1.00 Paine's Celery Compound... 75c " \$1.00 Swamp Root... 75c " \$1.00 Ayer's Hair Vigor... 75c " \$1.00 Shoop's Restorative... 75c " \$1.00 " Rheumatic... 75c " \$1.00 Porous Plasters 10c, 3 for 25c... 25c Carter's Liver Pills... 15c " 25c Pierce's Pellets... 15c " 25c Robertine... 35c " 50c Toilet Paper, 7 rolls for... 25c Peruna... 75c " \$1.00 Crepe Tissue, all colors... 5c a roll Mennen's Talcum... 15c regular 25c Lyon's Tooth Powder... 17c " 25c Miles' Heart Cure... 75c " \$1.00 " Blood Remedy... 75c " \$1.00 " Nervine... 75c " \$1.00 " Restorative Tonic... 75c " \$1.00 Remember We Cut the Price of Every Patent Medicine in the Market HOWELL & JONES RELIABLE DRUGGISTS.
