WORK FOR LOW WATER.—Work of the steamer Grey Eagle, which has a rock above Clackamas Rapids on the west side of the river near this city, has been abandoned. It was found after several trials that it was almost impossible to raise her by means of pumps. Extent of the damage to her hull is considerable. It is now the intention of Oregon City Transportation Company to do nothing until after the river sufficiently to repair the boat where she beached.

Taylor, secretary; R. C. Frank, of the Drug Store, vice-president; Wm. H. Harris, of Harris' Grocery, warden. Eight clerks signed the roll. BOAT TO PORTLAND.—The steamer of the Oregon City-Portland line commenced and the public will be glad to learn that this city will be served by boat service all through the season. The steamer Leona has been refitted and looks like a new one. Four round trips will be made and the boat will touch at the following landings and at no other: Magone's Park, Meldrum's, Blaney's and Oswego. The following schedule will be maintained: Oregon City at 7 and 10 A. M., 11:30 and 4 P. M. Leave Portland at 11:30 A. M. and at 3:00 and 4 P. M. The steamer will lay over at Oregon City. OFFICERS ARRIVE.—Sheriff John R. Shaver, of Molalla, and Sheriff Frank A. Sleight, of Canby, arrived in the city this week preparing to go into office next Monday, as the law provides that they, except the assessor, shall

take office the first Monday in July. Assessor-elect Nelson will succeed Assessor Williams January next. Mr. Shaver's chief deputy will be E. C. Hackett, of Stone, and the new sheriff will try to run his office with the aid of one deputy, at least until the time comes for the collection of taxes. Mr. Shaver will not move his family to this city until September. He has promised to look after violators of the bicycle tax law, and will see that all wheelmen have tags on their wheels.

MUSICAL DISCORD.—Morris B. Wells has filed suit in the State Circuit Court against Eiler's Piano House to have the latter restrained from obstructing the sidewalk in front of the premises occupied by the plaintiff, and from disturbing his business by nailing boxes. Mr. Wells alleges that he is conducting a music hall at the northeast corner of Park and Washington streets, in Portland where he exhibits and sells pipe organs and pianolas and leases the premises from the defendant. He further states that near and back of the rooms occupied by him, is a doorway leading on Park street, and that it has been the practice of the Eiler's Piano House to convey and move pianos on the sidewalk, and to block up the sidewalk in front of his place, and also to pile up boxes and shut out the light from the windows. It is also charged that the defendant nails boxes on the sidewalk, while Wells is exhibiting musical instruments, and draws the sound of the music.

GETTING READY FOR SEASON.—Twenty six thousand four hundred and ninety Superior Lake trout were brought to this city Friday afternoon from the United States Clackamas Fish Commission station and turned over to a representative of the Oregon Fish and Game Association. They were taken to Portland on the steamer Leona and were planted in Meadows Lake by the association. This is the last of the lake trout remaining at the station. Field Superintendent Wisner will clear the station of fish by July 15 so as to be ready for the commencement of a new season's work. There are still in the station 260,000 Chinook salmon, 9000 Eastern brook trout, 8000 blackspotted trout and 64,000 steelhead fry. Twenty five thousand steelhead trout, along with the Eastern brook trout on hand, will be shipped to J. N. Wallingford, of Seattle. The black spotted trout are owned by C. G. Huntley, H. CLOSE GAME WITH FIDELITY.

Home Team Beats the Visitors By a Score of 4 to 3.

The local nine beat the Fidelity team of Portland Sunday by bunching its hits in the second inning. Califf pitched his usual steady game, striking out 12 men and allowing only one to walk and keeping the hits well scattered. McInnis pitched excellent ball, except in the second inning. Fidelity made runs in the fifth, eighth and ninth and it looked for a time as though the score would be tied, but with two out and second and third bases occupied, Senner, who had been batting the ball all over the lot, hit a short fly to first and the game was over. The score:
