COMPANY A RETURNS HOME

Six Days' Encampment at Albany Pleasant and Profitable.

GUARD ROYALLY ENTERTAINED

Feature of Encampment Was Presentation of Sword to Captain H. Leighton Kelly By His Men.

Dusty, tired and footsore, but happy wital, Company A, Third Regiment, Oregon National Guard, returned Tuesday night from a six days' encampment at Albany with the other companies of the State Guard. The experience was profitable and interesting, but the extreme heat was very trying. The people of Albany did every thing possible to entertain their visitors and their hospitality was very gratifying. During the encampment two dances were given for the men of the Guard and on Saturday evening a reception to the officers was given at the Alcu Club.

Company A was the color company of the Third Regiment and was by far the most orderly company on the grounds. Although the men have been only really organized within the past three months, yet their drill and work throughout the encampment compared very favorably with the best companies in the Guard. Company A was known as the company that chased Tracy.

The most pleasant feature of the encampment was the presentation of a sword to Captain H. Leighton Kelly by his men. The weapon is a handsome one and has the captain's name engraved on the scabbard. The presentation speech was made Saturday evening. Just prior to dress parade the men were lined up and Captain Arthur Clotier, of Company F, Third Regiment, made a neat speech and presented the sword in behalf of the members of Company A. This testimonial of the esteem in which he is held by his company was very pleasing to Captain Kelly and touched him deeply.

The following members of the company were present at the encampment: Cap- tain H. Leighton Kelly; First Lieutenant Frederick W. Humphrys; Second Lieut- enant Charles E. Burns, Jr.; First Ser- geant William Kuehl; Quartermaster Theodore Miller; Sergeants Ball, Chap- man, Needham, Corporals Hoffman, Miles, McKillican, Boylan; Musicians Frank Confer, L. C. Confer; Privates Adams, Austen, Buford, Boylan, J. O. Cox, Gadke, Hickman, Howell, Hall, Montgomery, Miller, McLean, McNish, McElhane, Marshall, Younger, Welch, Williams, Noble, Thornton, Evans, Sand- blast, Sears, Keller, Watson, Reddick, Tuttle, Humphrys, Heater, Kuehl, McCoy, Lamoman, Mochler, Shannon, Thornton.

CHILL WINDS

Are the dread of those whose lungs are "weak." Some fortunate people can follow the summer as it goes southward, and escape the cold blasts of winter and the chill airs of spring. But for the majority of people this is impossible. Family cares and business obligations hold them fast. "Weak" lungs are made strong by the use of Dr. Pierce's Golden Medical Discovery. It cures the obstinate cough, heals the inflamed tissues, stops the hemorrhage, and restores the lost flesh to the emaciated body. "I am a railroad agent," writes I. B. Staples, Esq., of Barclay, Orange Co., Kan., "and four years ago my work kept me in a warm room and stepping out frequently into the cold air gave me bronchitis, which became chronic and deep seated. Doctors failed to reach my case and advised me to try a higher air, but fortunately for me, a friend also advised me to try Dr. Pierce's medicine. I commenced taking your 'Golden Medical Discovery,' and by the time I had taken the first bottle I was better, and after taking about four bottles my cough was entirely gone. I have found no necessity for seeking another climate."

Sometimes a dealer, tempted by the little more profit paid on the sale of less meritorious medicines, will offer the customer a substitute as being "just as good" as the "Discovery." You get the People's Common Sense Medical Adviser, the best medical work ever published, free by sending stamps, to pay expense of mailing only. Send 21 one-cent stamps for book in paper covers, or 31 stamps for cloth-bound volume, to Dr. R. V. Pierce, Buffalo, N. Y.
