HOUSEWORK

Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged menses, leucorrhoea and falling of the womb result from overwork. Every housewife needs a remedy to regulate her menses and to keep her sensitive female organs in perfect condition.

WINE OF CARDUI

is doing this for thousands of American women to-day. It cured Mrs. Jones and that is why she writes this frank letter:

Glenosine, Ky., Feb. 20, 1901.
I am so glad that your Wine of Cardui is helping me. I am feeling better than I have felt for years. I am doing my own work without any help, and I washed last week and was not one bit tired. That shows that the Wine of Cardui is doing me good. I am getting fatter than I ever was before, and sleep good and eat hearty. Before I began taking Wine of Cardui, I used to have to lay down five or six times every day, but now I don't think of lying down through the day.
Mrs. RICHARD JONES.

THE OLD WELL

A Story of Moss, Microbes and Medicine.

It is the office of the poet to idealize. He paints pretty and pathetic wood pictures which touch the heart and dim the eyes. But he does this regardless of physiology or pathology. When he sings a song of the old well on the farm and of the moss grown bucket in which the water was drawn, he hasn't a thought of the bacteria which find a fertile breeding ground in many an old well. He pictures the hot, thirsty day, and the bucket heaved with trickling drops which shine like pearls against the

moss. But he doesn't paint the picture of the man whose tongue is parched with fever, who tumbles and tosses in his hot room and narrow bed while the bacilli of the bucket and the well are striving for his life. That wouldn't be a poetic theme, and he has nothing to do with a theme that is not poetic.
As a matter of fact the old well and its familiar bucket have been the means of disseminating whole neighborhoods. The microbe is everywhere, and the easiest vehicle for its introduction into the body is perhaps the water we drink. We can't keep the microbe out. We can prevent its harmfulness.

THE DANGER OF DISEASE

does not lie in the strength of the microbe but in the weakness of the body. When the blood is impure the microbe has a vantage ground from which to operate. When the blood is pure disease fails to find a breeding ground, and the microbe strives in vain against the man. Nobody can be healthy when the blood is impure. Taint the blood and every organ fed and nourished by blood must share the taint. Keep the blood pure and plentiful and the body is made strong to resist the assaults of disease.
"I honestly believe that I would have been in my grave to-day had it not been for your medicine, and the mercy of the good Lord," writes Mrs. James R. Moss, of New London, Stanley Co., N. C. "In the fall of 1892 I took a hard cold, which seemed to settle in my head, terminating in catarrh of the head. It bothered me all the time, but I did not think it was serious until the spring of 1893, when my health became so much impaired. My blood was all out of order, and I had to go to the doctor. He gave me medicine which helped me for a short time. In the winter of 1895 I got worse than I had ever been. My tonsils were enlarged and my neck swollen all out of shape; my throat was sore and I could not care for it. My husband went for the doctor, but he gave me no encouragement. He helped me a little, but it did not last long, and so he attended me for

twelve months, when I heard of a lady that was taking your medicine and was getting well. So I secured some of the medicine and began taking it. In one week I was able to do my cooking. When I began taking the medicine I could sit up only a few minutes at a time, and I could rest or sleep only a little while at a time. My throat was sore, at times I could not even swallow sweet milk, and my tonsils were full of little eating sores. My left side was swollen out of shape and so sore I could not bear my clothes fastened, as I could hardly get my breath. My vitals would sour on my stomach before I could leave the table. My folks and friends had about given me up. The doctor said I would not live a month, but three bottles of Dr. Pierce's Golden Medical Discovery, three bottles of his 'Pellets,' three bottles of Dr. Sage's Catarrh Remedy did the work and made me a well woman."

THE BEST THING

for impure blood is Dr. Pierce's Golden Medical Discovery. It neutralizes the action of the poisons which corrupt the blood and disease the body. It increases the activity of the blood-making glands, thus increasing the supply of pure blood, rich in the red corpuscles of health. By these the body is built up and its vitality restored. "Golden Medical Discovery" is singularly effective in the cure of scrofulous diseases, enlarged glands, swellings, pimples, eczema and eruptive diseases in general. The most obstinate and dangerous forms of blood disease have yielded to the curative power of this great remedy.
"I feel it my duty to write to you of the wonderful curative powers of your 'Golden Medical Discovery,'" writes Geo. S. Henderson, Esq., of Denard, Lee Co., Va. "I had a bad sore on my right ear, and my blood was badly out of order. I tried 10 doctors but with no good results. Fin at last I wrote you the particulars in my case and you advised me 'Golden Medical Discovery,' which I began to take. From the first bottle I began to feel better, and when I had taken eight bottles the was healed up. I wish you success.
"For about one year and a half my face was very badly broken out, with Miss Carrie Adams, of 116 West Main Street, Battle Creek, Mich. "I spent a great deal of money with doctors and received no benefit. At last I read one of your advertisements in a paper, and obtained a bottle of Dr. Pierce's Golden Medical Discovery. Before I had taken one bottle of this medicine I noticed a change, and after taking three bottles I was entirely cured. I can well recommend Dr. Pierce's Golden Medical Discovery to any one similarly afflicted."

DON'T BE IMPOSED ON.

Sometimes a dealer for the sake of the little more profit paid on the sale of inferior preparations will try and sell a substitute "just as good" as "Golden Medical Discovery." The claim is false on its face. There is no similar medicine for the blood and stomach which can show such a record of cures as the "Discovery." Don't be imposed upon by substitutes without a record.
There is no alcohol in "Golden Medical Discovery," and it is entirely free from opium, cocaine and all other narcotics. "A PERFECT GUIDE to health and happiness" is one title given to Dr. Pierce's Common Sense Medical Adviser.
C. L. Shaw, of Couley, Winn Par., La., writes: "No family should be without it, and anyone who wishes a perfect guide to health and happiness should have Dr. Pierce's Common Sense Medical Adviser."
This great work, containing 1008 large pages and over 700 illustrations, is sent free on receipt of stamps to pay expense of mailing only. Send 31 stamps if the book is desired in cloth binding, or only 21 stamps for the book in paper covers. Address Dr. R. V. Pierce, Buffalo, N. Y.
