### WASTING AWAY.

#### AN ATHLETE'S SAD FATE.

This is the story of a strong man. He had been captain of his foot ball eleven and a crack all around athlete. He was the picture of manly health and vigor, envied by men and admired by women. One day he was taking a practise spin on the river when a drenching storm came up. When he returned to the boat house he sat around in his wet flannels without a thought of danger. What could hurt him? He was "as hard as nails." After a while he develops a little hacking cough which somehow

wasn't thrown off. In time he finds he hasn't the ambition he formerly had. Exercise wears him. He is losing weight. It is not very long before he finds himself weak and emaciated, stretched out in a chair knowing that he is wasting away day by day and hour by hour. It seems a long way from that chair to the gridiron and the diamond, a great change from that dripping athlete in the boat house to this weak and wasted invalid. But the way is indeed very short. It is a way which thousands tread every year and the beginning of the way which leads to such a sad ending is

A TROUBLESOME COUGH.

No man or woman is so strong as to be able to treat lightly an ailment which is the beginning of such a serious disease. There is a cure for coughs however stubborn, and that cure is Doctor Pierce's Golden Medical Discovery.

"I am feeling quite well," writes Miss Dorcas A. Lewis, of No. 1129 24th St., Washington, D. C., "and I owe it all to Dr. Pierce's Golden Medical Discovery. I cannot say too much in praise of the medicine. I had been quite a sufferer for a long time, and after reading Dr. Pierce's Common Sense Medical Adviser thought I would try his 'Golden Medical Discovery.' I commenced taking it in May, 1899. Had not been sleeping well for a long time. Took one teaspoonful of Dr. Pierce's Golden Medical Discovery and slept nearly all night without coughing, so I continued taking it. I am in great sympathy with everybody who suffers with a cough. I had been a sufferer for more than ten years. I tried lots of different medicines and different doctors, but did not feel much better. I coughed until I commenced spitting blood, but now I feel much stronger and am entirely well. Dr. Pierce's Golden Medical Discovery is the best medicine I have ever taken."

"Golden Medical Discovery" is to be classed with ordinary "cough cures." When the cough has been stinate and deep seated, when you have been weak, night-sweats, emaciation the use of Doctor Pierce's Golden Medical Discovery has been means in hundreds of cases of a return to perfect health. The reason this success is that the "Discovery" strengthens the stomach and purifies the blood, thus enabling the building up of the wasted tissues. All treatment consumption recognize the need of purification. The use of cod liver oil is only an attempt to impart nourishment and so strength to the wasted tissues. The oil is a food but it is an emaciated food. In its very form it recognizes weakness of the stomach. "Golden Medical Discovery" strengthens the stomach so that food is digested and assimilated. The body begins to put on healthy flesh, and strength comes back again.

FOUNDED ON FACT. The claims made by "Golden Medical Discovery" are not imaginary or theoretical. Every claim of cure is based on a solid fact, a well-recorded case of a patient who has been cured of coughs, who has been cured of hemorrhages, and other forms of disease which if neglected or carelessly treated find fatal termination in a short time.

"I had a cough, night-sweats, also spots of blood; no little cough. Mrs. M. A. Gray, of the H. A., Blackwood, Iowa Dist., N. W. T. could not hold any weight my shoulders would give way; had pricking pain in the chest, like catarrh and continued. I began using Dr. Pierce's Golden Medical Discovery and for the first three days I seemed well, and then all my weight being roused up, I about tea bottles of 'Golden Medical Discovery' and four bottles of Dr. Pierce's Pleasant Pellets and bottles of Dr. Sage's Catarrh Remedy. Now I have none of the old symptoms I am, so far, as well as ever before. I shall recommend Dr. Pierce's medicine to my friends."

Dr. Pierce's Golden Medical Discovery is confidently recommended for pulmonary diseases and diseases of the organs of respiration generally. It always helps. It almost always cures, it is a tonic merely, but a flesh-forming, blood-building medicine, containing no alcohol and being absolutely free from opium, cocaine and all other narcotics.

PERSONS SUFFERING FROM chronic forms are invited to consult Dr. Pierce, by letter, free. All correspondence held as strictly private and confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Sometimes a dealer tempted by little more profit paid by less meritorious medicines will offer a substitute for "Golden Medical Discovery," claiming it is "just as good." Do not allow yourself to be imposed upon. Read and get the "Discovery."

WHAT OUGHT TO BE. Frank J. Smith, of 413 Van Buren Avenue, Brooklyn, N. Y., says: "The Medical Adviser ought to be in every household. I have already got some very valuable information from it, and alone has more than paid for the cost of the book."

This great work, containing 1000 pages and over 700 illustrations, is sent free on receipt of stamps to pay expense of mailing only. Send 31 one-cent stamps for the cloth-bound volume or only 15 stamps for the book in paper cover. Address Dr. R. V. Pierce, Buffalo, N. Y.
