ing lost a good deal of his property at Garfield in the fire.

Prune drying is the order of the day. Some bring them to town fresh and others dry them. Many prunes go to waste, as the crop is so large people can not manage them all.

Logan and Stone.

Potato digging is the order of the day now.

Game and birds are scarce, but sportsmen are plentiful.

Miss Olsen is teaching the upper Logan school this winter.

Mr. Forbes, of the C. C. C. Co., of Stone, is going to build a cottage soon.

Rumor says Frank Riebhoff has rented Mr. Huber's farm. Success to you Frank.

Mr. Henry Salisbury and wife, of Gladstone, had an outing on the Clackamas Sunday last.

Jesse Mumpower, of Stone, had the misfortune to accidentally make a target of his foot. Not seriously.

Miss Iva Harrington, of Highland, began the fall and winter term of school in lower Logan Monday.

Spuds are very plentiful around here, and of good quality. Fred Riebhoff will soon have his crop safely housed for winter.

Mrs. M. E. Gill and family, L. H. Kirchem, Misses Emma Fallert and Mamie Swales and Mr. and Mrs. F. P. Wilson, of Logan, attended the Pomona Grange at New Era.

Messrs. Greenwell & Moffat are hauling hay on the Prairie this week. Since dairying has been conducted on an extensive scale in and around Logan, there has been less hay baled for market, people having a home market.

Saturday last was the regular meeting of Harding Grange fifty-four being in attendance and a good time indulged in by all. The subject of "Mental Development" was discussed during the literary hour. Pomona Grange will next meet in Logan in January.

One of Stone's residents says he has lost fifty chickens this summer by sportsmen. No profit in chickens for him, but if he had a little woman, in that nice little house she could keep an eye on those chickens. One book says, "It is not good that man should live alone," anyway.

ACCIDENTAL?

The jury returned a verdict of accidental death on the man who fell from the window ledge on which he had fallen asleep. But the death was really due to carelessness which made the accident possible.

There are a great many lives suddenly terminated as a result of carelessness, although the medical certificate may read "heart failure."

When a man takes chances with his stomach and neglects the warning symptoms of disease, he is carelessly inviting calamity.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It enables the perfect digestion and assimilation of food, which makes strength. It stimulates the liver, cures biliousness, and removes bilious impurities from the blood.

"I had been troubled with a pain in lower part of my stomach for three years, so severe I thought it would kill me in time," writes Mr. Aaron Van Dam, of Kensington, 550, 12th St., Chicago, Ill. "I could hardly work; it felt like a big weight hanging on me and got so bad that I had to take medicine. I used stomach bitters for a time, but it did no good so I wrote to Dr. R. V. Pierce for advice, which he gave me immediately. I followed his directions, used two bottles of his medicine and was cured. I had a torpid liver which was troubling me instead of cramps (as I thought) so Dr. Pierce told me. I have pleasure in living now, have gained in weight, and am able to do my work."

Dr. Pierce's Pleasant Pellets cure constipation. They do not bog the pill habit.

J. W. Hawks of Portland, has just succeeded in getting his first raft of cord wood to Portland. The wood, consisting of 1,700 cords, has been cut along the Clackamas river during the summer and thrown in the stream. At the mouth of the river the wood was gathered into a boom and, when full, was rafted to Portland. Mr. Hawk claim it costs only ten cents per cord to ship wood in this way. To get the wood out of the river wagons are backed into the water and the wood piled on to it.—Aurora Borealis.

Nasal CATARRH In all its stages. Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at Drug-gists or by mail; Trial Size, 10 cents.

Look Out For Fever.

Biliousness and liver disorders at this season may be prevented by cleansing the system with DeWitt's Little Early Risers. These famous little pills do not grip. They move the bowels gently, but copiously, and by reason of the tonic properties, give tonic and strength to the thousands. G. A. Harding.

BONE FOOD

Soft and crooked bones mean bad feeding. Call the disease rickets if you want to. The growing child must eat the right food for growth. Bones must have bone food, blood must have blood food and so on through the list.

Scott's Emulsion is the right treatment for soft bones in children. Little doses every day give the stiffness and shape that healthy bones should have.

Bow legs become straighter, loose joints grow stronger and firmness comes to the soft heads.

Wrong food caused the trouble. Right food will cure it. In thousands of cases Scott's Emulsion has proven to be the right food for soft bones in childhood.
