Dark Hair

"I have used Hair Vigor for a great many years, and although I am past eighty years of age, yet I have not a gray hair in my head."

We mean all that rich, dark color your hair used to have. If it's gray now, no matter; for Ayer's Hair Vigor always restores color to gray hair. Sometimes it makes the hair grow very heavy and long; and it stops falling of the hair, too.

Stepped Against a Hot Stove. A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house, she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Kellar, Va. Provokingly 'Funny.

Have you ever had a long, weary Sunday before you—apparently a never-ending day, when nothing imaginable would provoke one of those full, hearty, whooped laughs from which is derived the old, favorite adage. "Laugh and grow fat"? If such a day comes to you again and you want a merry laugh for the pleasure it gives, turn to the Comic Colored Supplement of the Chicago Record Herald's Sunday edition. It is certainly an exte-minator of the "blues". Filled completely with fresh, breezy jokes and irresistibly comic illustrations in color, sparkling with wit and humor of an entertaining as well as instructive nature, it is a paper to amuse all who see it. Four pages in color and four pages in black-and-white, this—the best colored supplement issued by any metropolitan newspaper—makes of that newspaper a combination of a modern Sunday newspaper and a humorous weekly periodical in color.

The mechanical work involved in the making of this colored supplement is a marvel of skill. The harmonious arrangements and perfect blending of the many colors used in its make-up portrays artistic taste of the highest order.
