

CORRESPONDENCE

Correspondents are requested to re-view their work. We will supply all necessary stationery. The news from your neighborhood should appear in these columns every week.

Eldorado.

Ed Paine has a sick horse. Billie Wiseman is making rails. Helvey boys are hunting a team of big horses. A. L. Jones had his cattle delivered Monday. Lillian Gans called on Mrs. Al Jones Monday. Eli Stark was visiting here the first of the week. Jones and Bony were in Oregon City Tuesday. John Gillett, of Ely, is visiting here this week. Robert Bollard and daughter were out riding Monday. Clyde Smith and brother made a flying trip to Oregon City Tuesday. The pie social was O. K.; \$19.10 was made. The girl with limberger in her hat took the prize.

Clatsop.

Butchering seems to be the order of the day now. The shooting match on the 13th was well attended. There were quite a number of cattle buyers in Colton last week. Mr. Willson and wife were callers at the Gerbert residence one day last week. Mr. and Mrs. Winslow were the guests of Mr. and Mrs. N. E. Bonney last Sunday. Coltonites are anticipating a fine time at the masquerade at Colton hall on New Year's Eve. Our school house looks and sounds much better since it is adorned with a fine new bell. Jack Wallace of Highland, Garrett Martin and Gus Shriver, of Timber Grove and Frank Ritter, of Elwood, were visitors at the Literary last Saturday night.

Stafford.

The weather is snappy cold—ground frozen. Christmas next week and don't you forget it. Remember the little ones. Mr. Gary, the Willamette merchant, has begun to deliver goods into our neighborhood. It is expensive delivering at this time of year. Mrs. Frank Gasser died last Thursday and was buried Saturday. A large concourse followed the remains to the burial place. Rev. Lewis conducted services at the grave. Miss Murphy, of Portland, closed a very successful term of school here on the 12th. Miss Norman, of Tigardville, will take the reins of government for a six months reign commencing the 29th. The bridge on the Oswego road now spans the river and wagons passed over it for the first time the morning of the 17th. The completion of this bridge comes to the community like a Christmas gift.

Viola.

Mr. Page has bought the Albert Closser farm. John Matron and George Heyden have gone near Lebanon visiting. The Sevier family have moved from the saw mill back to their residence. Mr. Fullon, our road supervisor, is now laying the plank on the Springwater Logan road. Mrs. Sevier who has been in Oregon City attending Mrs. Geo. Hienbothen who is there for medical treatment returned home last week. Guy R. Woodle and wife, of Dover, were here attending the M. E. Quarterly meeting and were the guests of Rev. J. W. Egan and family. Miss Eva Mattson, who is staying this winter with her sister Mrs. O. Brown near Lebanon, has secured a class in music and is doing nicely. The M. E. Quarterly meeting which was held last week was well attended and a good deal of interest manifested. Rev. D. A. Watters, the presiding elder was present and preached two good sermons.

Smryna.

Miss Flora Yoder left on Saturday last to visit her sisters, Misses Ida and Mabel, who are attending school at Monmouth. K. E. Yoder who for three years has been waiter in the Portland restaurant was home on his semi-annual vacation the past week, going back to his work again last Saturday morning. Basket socials are the rage in this community at present. Our school district No. 92 led off with one last Friday evening that proved a grand success financially and otherwise. With the money, \$24.60 realized, they expect to purchase a bell for the school house. The Samson school district No. 6 will give a basket social next Saturday evening, the money to be used for a library. We are glad to notice also that both the districts mentioned are filling a long felt want by putting up suitable wood sheds. We notice in last week's Oregonian, that there is a move on foot to have the season for killing upland birds begin a fortnight earlier than at present. That would be a capital (?) idea as about one season of such work would exterminate the birds and then we could do away with the game warden and his deputies, as there would be no game to protect. But seriously, anyone that knows anything about our upland birds knows that the late young are not able to fly by September 15, but I suppose that is

Long Hair

"About a year ago my hair was coming out very fast, so I bought a bottle of Ayer's Hair Vigor. It stopped the falling and made my hair grow very rapidly, until now it is 4 1/2 inches in length."—Mrs. A. Boydston, Atchison, Kans.

There's another hunger than that of the stomach. Hair hunger, for instance. Hungry hair needs food, needs hair vigor—Ayer's. This is why we say that Ayer's Hair Vigor always restores color, and makes the hair grow long and heavy. \$1.00 a bottle. All druggists.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

what the city hunters want, for the writer heard of one who bragged about killing 32 birds the first day of the present open season, admitting that many of the birds were to "green" to fly when flushed, and that his partner went him two better or a total of 66 birds in one day. We don't want to be counted among the gambling fraternity at all, but are willing to bet a hollow bean to a punched nickel that no two farmer boys in Marquam precinct slaughtered the above number of birds during the past open season. Don't kill the birds before they can fly.

Springwater.

Quite cold, mercury down to 38. The young people met in Grange hall last evening to see about getting up a play in the near future. The saw mill has been shut down for a few days to be made more convenient. This morning it is sawing again. Some of Uncle Sam's employees ought to be stirred up when it takes a business letter a week to get from Oregon City to Springwater. Mr. Haley, Fred Gerber and L. Kirchem visited the Grange Come again. The Grange is growing; six or eight came in and have applied to join. Mrs. Lewellen and daughter have left Idaho on account of bad weather and are going to Phoenix, Arizona. When last heard from they were in Denver on their way to Phoenix.

The Grange had their annual election Dec. 13th and elected E. Bates, master; A. Lacy, overseer; Rex Gordon, steward; Sidney Smith, assistant steward; George Guttridge, gate keeper; A. M. Shibley, chaplain; Esma Shibley, secretary; Lora Stormer, Flora; and some other good sisters Pomona and Ceres. Harley Raney, while at work Tuesday heard Mr. Howell's dogs barking and took his little brother's toy gun with him to see what the dogs were baying at and it proved to be a very large wild cat; but the little gun made no impression on Mr. Cat, so Harley went over to Mr. Shibley's and got his Winchester, which brought the cat down at first shot. The wild cat weighed sixty pounds.

ST. JOHN'S CATHEDRAL DEDICATED

Impressive Service at St. John's Church Sunday Morning and Evening.

A beautiful ceremony of rededication occurred at St. John's cathedral Sunday morning, when the spacious church auditorium, which has been wonderfully enlarged and beautified, was rededicated to future usefulness. For a long time the growing congregation of the large church have required more room but it was not until recently that steps were taken to rebuild and add to the old structure. All this fall carpenters have been busy with hammer and saw and a few days ago the finishing touches completed the work. At 10:30 in the morning the church was filled to overflowing with an attentive audience. Archbishop Christie occupied the pulpit and delivered a masterful sermon on the subject of rededication. All whose good fortune it was to hear it accomplished gentleman speak in the highest praise of his learning and oratory. All through this pleasing service the rendition of beautiful songs occurred and added greatly to the impressive effect of the whole affair. At four o'clock in the afternoon a beautiful service of confirmation of something like sixty children was held, which Archbishop Christie again conducted. At this service the singing was, if possible, finer than at the morning service, the choir being ably assisted by Father Dominic, of Mount Angel.

A Million Voices

Could hardly express the thanks of Homer Hall, of West Point, Ia. Listen why: A severe cold had settled on his lungs, causing a most obstinate cough. Several physicians said he had consumption, but could not help him. When all thought he was doomed he began to use Dr. King's New Discovery for Consumption, and writes—"It completely cured me and saved my life. I now weigh 227 pounds." It's positively guaranteed for Coughs, Colds and Lung troubles. Price 50c and \$1.00. Trial bottles free at Geo. Harding's.

The Angels' Song.

Christmas bells are blithely ringing. Filling all the air. Christmas voices sweetly singing. Music everywhere. Years ago on Judaea's mountain Fell the holy strain; Echoing down through all the ages Comes the glad refrain—"Glory, glory in the Highest Peace on earth good will," again. Christmas voices blend in chorus, Chanting highest praise. Earth and heaven now united Glorious anthems raise. Though the world is full of battle, Strife and bitter wrong, Still o'er all its hateful turmoil, Sweeps the angels' song. "Glory, glory in the Highest Peace, good will to men belong." Peace on earth, O haste its coming. Who the message bring. Mortals, join the swelling psalm While heaven's arches ring. Men and angels, all creation, In one mighty throng, Chant the full harmonic measure Of the angels' song. "Glory, glory in the Highest Peace, good will to men belong." M. O. HAYWARD
