#### MILL TONE.

A test for any milk you may suspect of being diluted is easily made. Dip a well polished knitting needle into a deep vessel of milk and quickly withdraw it in an upright position. If the milk is pure, a drop will hang to the needle; if there is any water in it, it will prevent the adhesion of the drop.

#### Moldy Cigars.

Mold on eights is caused by the paste used for fastening the wrapper in place. It can be prevented by the addition of boracle acid to the paste.

## Judges' Wigs.

English judges have worn the peculinr wigs they now wear ever since the reign of Charles II.

#### Low Branching Trees,

The advantages of low branching trees are that the fruit hangs so near the ground it is not injured by dropping, the thick shading of the trees prevents the growth of grass and weeds under the branches, the trees are not so liable to be blown over or the limbs broken by hard winds.

#### Birmingham's Houses.

Birmingham, England, has upward of 40,000 back to back houses and 6,000 courts which are entered by tunnels from the street.

Elbe where the warning against speaking to the man at the wheel is displayed in four different languages. This is the English version: "To the helm marine gentleman try conversation not."

#### Lend.

Of all metals lead causes the greatest number of deaths in factories and workshops.

#### A Staying Ment.

Half a pound of dry bread, a quarter of a pound of nut kernels and a pound of raw fruit furnish a dinner, it is said, that will give good staying power for six or eight hours.

#### Purse or Whipf

In some parts of Siberia a bridegroom on arriving at home commands his wife to take off his boots. In one is a whip and in the other a purse. The contents of the boot she first selects for removal presage whether he is to be generous or the reverse to her. A very kind husband will put a purse in each boot and omit the whip, to make her believe that her choice is auspiclous:

#### Brought Their Sents.

In the good old times 500 years ago there were no seats in Parisian schools except stools for the teachers. 'The pupils sat on buindles of straw which they brought along.
