WILL SEND \$4.00 FREE.

To Each Reader Franklin Miles, M. D., LL. B., the Wealthy Chicago Specialist, Will Send \$2.50 Worth of His New Individual Treatment Free.

That Dr. Miles is one of the most successful and reliable of physicians is proved by hundreds of testimonials from well-known people. One patient cured after failure of eleven Grand Rapids physicians, two after having been given up by six or seven Chicago physicians.

The late Prof. J. S. Jewell, M. D., editor of the Journal of Nervous and Mental Diseases, published at Chicago, advised Dr. Miles to "by all means publish your surprising results."

When an experienced and wealthy physician offers to prescribe free \$10,000 worth of treatment for diseases of the heart, nerves, stomach, or dropsy, it is conclusive evidence that he has great faith in his skill.

As all afflicted readers may have \$4.00 worth of treatment especially prescribed for each case, free, with full directions, we would advise them to send for a Copyrighted Examination Chart at once.

Thousands Have Kidney Trouble and Don't Know it.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
