### Unconscious from Croup

During a sudden and terrible attack of croup our little girl was unconscious from strangulation, says A. L. Spafford, postmaster, Chester, Mich., and a dose of One Minute Cough Cure was administered often. It reduced the swelling and inflammation, cut the mucous and soon the child was resting easy and speedily recovered. It cures Coughs, Colds, La Grippe, and all Throat and Lung troubles. One Minute Cough Cure lingers in the throat and chest and enables the lungs to contribute pure, health-giving oxygen to the blood. Geo. A. Harding

**THEODOR'S BLACK-DRAUGHT FOR CONSTIPATION**

Constipation is nothing more than a clogging of the bowels and nothing less than vital stagnation or death if not relieved. If every constipated sufferer could realize that he is allowing poisonous filth to remain in his system, he would soon get relief. Constipation invites all kind of contagion. Headaches, biliousness, colds and many other ailments disappear when constipated bowels are relieved. Theodor's Black-Draught thoroughly cleans out the bowels in an easy and natural manner without the purging of calomel or other violent cathartics.

Be sure that you get the original Theodor's Black-Draught, made by The Chattanooga Medicine Co. Sold by all druggists in 25-cent and \$1.00 packages.

Bureau, N.Y., May 25, 1901. I cannot recommend Theodor's Black-Draught too highly. I keep it in my house all the time and have used it for the last few years. I never gave my children any other laxative. I think I could never be able to work without it on account of being troubled with constipation. Your medicine is all that keeps me up.
