SEVERE ATTACK OF GRIP Cured by One Bottle of Cham-

berlain's Cough Remedy

When I had an attack of the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," sava Frank W. Perry, editor of the Enterprise, Shortsville, N. "This is the honest truth. I at times kept from coughing myself to pieces by taking a teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from cough and its accompanying pains. To way that the remedy acted as a most agreeable surprise is putting it very mildly. I had no idea that it would or ould knock out the grip, simply because I had never tried it for such a purpose, but it did, and it seemed with the second aback of coughing the remedy caused to not only be of less duration, but the pains were far less severe, and I had of used the contents of one bottle before Mr. tirip had bid me adien." I tried a number of remedies to no avail until I used One Minute Cough Cure, Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my weight, heath and strength.
