To Rus Boars .- It is now quitean established fact that the O. W. P. & Ry. Co, will run a line of boats up the river from Canemali, the terminal of their electric line, to Salem. This innovation if put into execution, as it probably will be, will add materially to Canemah's importance and probably add quite considerably to her value commercially. Canemah used to afford a landing place for all the boats and when this new and enterprising line gets its boats starting from this point it will be like a return to those prosperous days of old.

City Council Tuesday.

At a meeting of the city council held Tuesday night, the very important matter of discussing the south end road came up and was liberally discussed and heartily endorsed. W. R. The only

reason why there has been this delay was because the committee and those in authority have not been able sooner to arrive at a definite understanding of what the costs would be, it is now un-derstood and so reported that the cost of constructing the road will be \$4600 with this office.
