DISGUISED CATARRH

A Stealthy, Insidious, Weakening Enemy to Women—Many Thousand Women Suffer Needlessly From This Cause.

There are a multitude of women, especially housewives, and all other women obliged to be on their feet constantly, who are wretched beyond description, simply because their strength and vitality is sapped away by catarrhal discharges from the pelvic organs. These women get up in the morning tired, drag themselves through their daily duties, only to go to bed at night as tired as before.

Mrs. Eva Bartho, 133 East 13th Street, N. Y. City, N. Y., writes:—I suffered for three years with what is generally known as leucorrhoea, in connection with ulceration of the womb. The doctors advised an operation which I dreaded very much, and strongly objected to go under. Hearing of the value of Peruna, I thought it best to give this well-known remedy a trial, so I bought two bottles of it at once. Now I am a changed woman. Peruna cured me. It took nine bottles, but I felt so much improved I kept taking it, as I dreaded an operation so much. I am today in perfect health, and have not felt so well for fifteen years.—Mrs. Eva Bartho.

PERU THE GREAT TONIC. Illustrations of Mrs. Eva Bartho, Miss Louise Mahon, Mrs. Kate Mann, and Mrs. Anna Martin.

Miss Louise Mahon, 3 Glen Balle Street, Toronto, Ont., Canada, Secretary of the King's Daughters and Secretary of Lady Macabees, writes:—If all women knew of the benefits to be derived from taking Peruna would have many happier and more healthful women. My health has never been too robust, and I am easily fatigued and can not stand much. About a year ago I was so run down that I had to take to my bed, and became weaker and weaker. A friend advised me to try Peruna, and I have great reason to be grateful, for in two weeks I was out of bed and in a month I was perfectly well, and I find now that my health is much more robust than formerly, so that I take Peruna once or twice a month and keep well.—Louise Mahon.

Peruna is such a perfect specific for each case that when patients have once used it they can never be induced to quit it until they are permanently cured. It begins to relieve the disagreeable symptoms at once. The backache ceases, the trembling knees are strengthened, the appetite restored, the digestion made perfect, the dull headache is stopped and the weakening drains are gradually cured. These results certainly follow a course of treatment with Peruna.

Barbara Alberty, corner Seventh and Walnut streets, Appleton, Wis., writes as follows in regard to Peruna:—For years I have suffered with backache and severe pains in the side. I doctored so much that I became discouraged. A school friend told me how very much Peruna had benefited her and I sent out for a bottle, which did more to relieve me than all the other

INCURABLE. That is What the Books Say of Chronic Kidney Disease, But the New Fulton Compounds Have a Record of 87% of Recoveries Among Chronic Cases Incurable by All Other Medicines.

Druggists know that kidney disease that has hung on eight or ten months has become chronic and that it is then regarded by physicians as incurable and that up to the advent of the Fulton Compounds that nothing could be better would touch it. It is a proven fact that nearly every case of all cases are now curable, and nine-tenths of them are taking the new Fulton Compounds. One of the recoveries was Dr Zelle's, the pioneer druggist of 522 Pacific street, San Francisco, and he gave it to over a dozen others who recovered. Here is another interesting recovery. (We get from the Sacramento News of November 16, 1902.)

"After a serious illness of over a year Judge J. R. Allen of this city has recovered and is again himself most fortunate in successfully battling with what is generally regarded as a fatal kidney trouble. Equally efficient in its results, it is speaking of the case Judge Allen said: 'I believe that the treatment given me by my physician was in accordance with the best medical opinion in the regular practice of medicine, but it afforded me no relief. Hearing of the Fulton Compounds I went to San Francisco to investigate and was soon convinced I should undergo no treatment. It was three months before I noticed a change for the better. I used the medicine faithfully for nearly a year and am satisfied it is entirely eliminated. My appetite is good, I have gained seventeen pounds in weight, and will be pleased to describe my experience to anyone who may call or write.'—Sacramento News, Nov. 16, 1902.

MRS. L. S. ADAMS, Of Galveston, Texas. "Wine of Cardui is indeed a blessing to tired women. Having suffered for seven years with weakness and bearing-down pains, and having tried several doctors and different remedies with no success, your Wine of Cardui was the only thing which helped me, and eventually cured me. It seemed to build up the weak parts, strengthen the system and correct irregularities." "By 'tired women' Mrs. Adams means nervous women who have disordered menses, falling of the womb, ovarian troubles or any of these ailments that women have. You can cure yourself at home with this great women's remedy, Wine of Cardui. Wine of Cardui has cured thousands of cases which not begin to get well today. Why not begin to get well today?
