

CORRESPONDENCE

Correspondents are requested to re-view their work. We will supply all necessary stationery. The news from your neighborhood should appear in these columns every week.

Molalla.

Some have lost a large percentage of their herds by depending too much on the range.

F. C. Perry and Bert are home again, but have not found their estrayed or stolen horses.

L. W. Robbins, our enterprising merchant, ships two car loads of eggs a week from this place.

It has been rather an unusually easy winter on stock notwithstanding the deficiency of grazing.

Our school closed last Friday. The Misses Parker and Lilly have taught us a very successful term.

Easter Sunday has passed with no rain; the second coming of the martin is here and spring has come.

After having such a beautiful February and March, the condition of the roads begin to remind us of winter.

Chas. Gipson, late of Missouri who purchased the remainder of the Bank Land, will build a dwelling and barn this summer.

The recent cold spell has not been favorable to growing crops and it is feared the last killing frost was hazardous to the early fruit.

John Noblett had the misfortune to lose his fine stallion last Saturday. Another noble horse is dead, but of course John will soon be seen with another.

C. W. Herman, second subscriber on Farmer's telephone line of Molalla and now sawyer for an Albers lumbering Co., made Pleasant Farm and his folks a flying visit on Easter.

Molalla Grange, No. 310 in favor of co-operative selling, has started a wool pool with the object of selling the wool and mohair of the patrons of Clackamas County at the best prices.

One week's sunshine will thoroughly adjust everything again and we will be complaining of the "dry weather," on the one hand and on the other, thankful that we are still living in the "promised land."

Dr. Casto, state organizer P. of H., made Molalla Grange, No. 310, a visit at its last regular meeting and gave one of his good talks. Mr. Brown, of Forest Grove, was also present in the interest of the creamery enterprise.

Molalla has in the new switch board, both electrical and gas is now a central. Seven miles of rural line already in operation. Five miles of Thomas and Herman division and two miles of the Perry and Vick division.

Damascus.

Mrs. W. S. Moak, of Pleasant Home, is visiting at Walter Smith's.

Max Snyder's new walk has greatly improved his nice residence.

Mrs. Warthen went to Salem Thursday morning to spend a few days.

Del Forbes' gang of Japs have their contract of clearing almost completed.

Roy Johnston, of Sunnyside, has a force of men cutting wood on George Derry's place.

J. D. Chitwood and wife and Roy White attended the Pomona Grange at Maple Lane Wednesday.

Quite a racket last night with cow bells and tin cans, and it was all because Percy Morton was married.

Miss Nettie Piller has so far recovered from a siege of the so called small-pox that she is able to be out again.

Herman Ritaw, our worthy road supervisor, sold a car load of potatoes and is delivering them at Clackamas station for thirty-five cents a hundred.

W. W. Cooke came down from Newburg Saturday and spent Sunday with his parents Mr. and Mrs. A. W. Cooke and returned Monday where he is in the employ of Smith and Chapman piling camp.

J. R. Morton is the proud possessor of another daughter-in-law. Percy, the youngest son of J. R. Morton was married to Miss Lottie Nethesian on Saturday.

SOFT CORE

Like the running brook, the red blood that flows through the veins has to come from somewhere.

The springs of red blood are found in the soft core of the bones called the marrow and some say red blood also comes from the spleen. Healthy bone marrow and healthy spleen are full of fat.

Scott's Emulsion makes new blood by feeding the bone marrow and the spleen with the richest of all fats, the pure cod liver oil.

For pale school girls and invalids and for all whose blood is thin and pale, Scott's Emulsion is a pleasant and rich blood food. It not only feeds the blood-making organs but gives them strength to do their proper work.

Send for free sample. SCOTT & BOWNE, Chemists, 409-415 Pearl Street, New York. 50c and \$1.00; all druggists.

Half-Sick

"I first used Ayer's Sarsaparilla in the fall of 1848. Since then I have taken it every spring as a blood-purifying and nerve-strengthening medicine."

If you feel run down, are easily tired, if your nerves are weak and your blood is thin, then begin to take the good old standard family medicine, Ayer's Sarsaparilla. It's a regular nerve lifter, a perfect blood builder.

Ask your doctor what he thinks of Ayer's Sarsaparilla. He knows all about this grand old family medicine. Follow his advice and we will be satisfied.

J. C. AYER CO., Lowell, Mass.

day, April 11th, 1903. Their many friends wish them a long and happy life.

The following is a list of those that attended the concert given by the Menley quartette at Harmony Friday evening, April 10th, from Damascus were: Mrs. J. Hillary, Pearl Hillberry, Mary and Rachel Tong, Ester Warthin, Sabina and Ruby Cooke, Rose, Edna and Mabel Bowerman; Messrs. Earl, Fletcher and Marion Tong, Charley Warthin, Justin Bowerman, Jas. Cain, Roy White and Francis Johnston.

H. Fitzgerald made a business trip to Portland last week.

Mr. Rusk and family have been visiting friends in Portland for the past two weeks.

Snow, snow. It looks as much like winter as at any time during the winter. The trees are waited down with snow. Don't get discouraged, summer will soon come.

Miss Bertha Oberth's five-months school closed last Friday. Miss Oberth has taught a good school, and is highly recommended. It is hoped she will be engaged to teach another term.

There are several good farms and vacant land for sale in this section; a good school and a Methodist church will be built this summer. Come and take a look at our land before buying elsewhere.

Mr. Seward's friends, Mr. and Mrs. Rodgers, have just arrived from Minnesota. Our recent snow discourages them some, but it is nothing to the 30 or 40 degrees below freezing weather experienced in the section from whence they came.

Will and Charley Heinbotham, who are now working in Oregon City, were here Saturday evening and Sunday.

John Graper, a prominent lawyer of Oregon City, was here last week and bought a fine Jersey heifer from Mr. Randolph.

Miss Eva Matoon has just returned from an extended visit with her sister, Mrs. Brown, formerly of this place, but now living at Waterloo.

Saturday evening, the 11th inst., Mr. and Mrs. J. H. Sevier celebrated at their home the 20th anniversary of their wedding. Quite a number of invited guests were present and spent a sociable evening, after which a bountiful lunch was partaken of. Their daughters Clara and Gertrude came out from Oregon City for the occasion.

John Gabler is preparing to erect a fine dwelling-house on his farm near Needy postoffice.

Charles Wolfer, who has been seriously ill from typhoid fever, is improving slowly and is expected to be o. k. in a few weeks.

A. S. Thompson of this place has purchased the Needy Hall and store building. He is occupying it with a stock of general merchandise.

Mr. Editor, we have been rather tardy in the matter of gathering news for your valuable paper, and we feel sure you will keep us in at recess for being so slow in our lessons, but we will try and bear the punishment and do better in the future.

The people of this road district will not get much benefit on the roads out of the one hundred dollars allowed by the court this year, as it takes nearly half of it to pay the Populist supervisor and son for bossing the job, as we notice by the monthly reports.

The infant son of C. D. Ritter and wife died last Saturday and was buried on Monday at the Zimmerman graveyard. A large number of friends and neighbors attended the funeral. Rev. D. J. Kropp conducted the services. Deceased was an only child, and the parents have the sympathy of many friends.

The Socialists have organized a club in Needy precinct, but, as usual, there not being sufficient material at hand they bring timber from other precincts, a few sticks from the old Populist party, in order to have a quorum, and then it is called the Needy Club. We hear they have hooked several Republicans on their political line, but we predict the line will snap in twain before the fish are landed, and Binger will carry the election in Needy.

A Sweet Bread

is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders.

Mrs. Mary S. Crick, of White Plains, Ky., writes: "I have been a dyspeptic for years - tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like. Kodol digests what you eat and makes the stomach sweet." Geo. A. Harding.

Danger of Cold and Grip.

The greatest danger from colds and grip is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for these diseases we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that it is a certain preventive of that dangerous disease. It will cure a cold or an attack of the grip in less time than any other treatment. It is pleasant and safe to take. For sale by G. A. Harding.
