GOLDEN RULE BAZAAR

THE LOCAL NEWS.

About twenty-five thousand acres of land in Clackamas county is held by P. H. Marlay, et al, under tax titles, which will soon ripen into good titles, which I hereby agree to defeat any of those titles for about one-half the sum demanded for a deed by said P. H. Marlay et al. Otherwise no charges made. G. B. DIMICK, Attorney-at-law, Oregon City, Oregon.

Local Union No. 482, Brotherhood of Painters, Decorators and Paper-hangers, of this city, wish to inform the people through the medium of this and other papers that they have instituted the eight hour system and that hereafter eight hours will constitute a day's work, with the same rate of wages as before, viz., \$3.00; same to take effect immediately. S. S. WALKER, Pres., CHAS. SCHRAM, Sec.

To FILL CLACKAMAS TRESTLE.—W. F. BROWN, superintendent of the O. W. P. & Ry. Co.'s steam shovel, is fixing to move the machine to Gladstone where it will be used in filling the Clackamas trestle. The work will take a large gang of men and three construction trains a period of three months. The trestle is a mile long. Dirt will be taken from a cut north of Gladstone. The work is to begin Monday.

CONCLUDED TO LEAVE TOWN.—Bob Gardner, known as a "character" around town, was fined \$100 by Recorder Curry Tuesday morning for disorderly conduct. Bob, it is said, is given to getting drunk and making life a burden for those with whom he comes in contact. He was given the alternative of 50 days' work on the streets or a quiet exit from the town. He chose the latter, with the promise that if he returned to Oregon City within a year he must serve out his sentence.

For liver troubles and constipation There's nothing better in creation Than Little Early Risers, the famous little pills They always effect a cure and save doctor bills. Little Early Risers are different from all other pills. They do not weaken the system, but act as a tonic to the tissues by arousing the secretions and restoring the liver to the full performance of its functions naturally. Geo. A. Harding.

Miss Hazel Davidson was tendered a birthday party yesterday at her mother's home on Jefferson and Third Streets. It was her thirteenth birthday and a better time than the one referred to cannot well be imagined. About twenty of her friends assembled and did honor to her, and the way they ate birthday cake would be hard to beat. Games and music occupied most of the time and gave to the event a memory which will long be cherished by those present.

Don't forget the Ladies' sale at the Baptist church this Friday, to continue throughout the day and evening. The ladies will serve supper for fifteen cents and will serve ice cream and cake for ten cents extra. Here is a chance to get the best meal in the city for the lowest price, and all who love a good meal will here enjoy the best repast obtainable. In connection with the supper the ladies have beautiful booths all full of desirable

articles in the needlework line, which will be for sale at reasonable prices. The public is invited to attend

The leading quartet in the city, the Maccabees, has found it necessary to postpone the entertainment which they advertised to give on the evening of April 16, to the evening of April 23. This company of home talent is deserving of all the praise shown it by the people of this city, and it is to be hoped that on the evening of April 23d the public will turn out in large numbers. The entertainment is to be given at the Redmen's hall on Main street and will consist of songs both comic and pathetic, recitations and a general good time.

The Easter services at St. Paul's Episcopal church were thoroughly appreciated by large congregations both morning and evening. Mrs. N. R. Lang sent 100 callas from California which with other flowers and plants made an exquisite decoration for the altar and chancel. After the morning service Mr. and Mrs. Bruce C. Curry's little boy received holy baptism and in the evening the two little boys of Mrs. Lowry, A beautiful solo was sung in the evening by Miss Foster. The bishop visits the parish in a few weeks and it is expected that a very large class will receive confirmation.

Mr. Ross, of East Portland, a prominent east side grocery merchant, died suddenly at his home Monday night. Mr. Ross was Rev. W. S. Grimm's father-in-law and highly respected by many friends. The death of Mr. Ross was unexpected, as up to Monday night, from all that can be learned, he was in the best of health and spirits. He had retired at his usual hour and died suddenly while engaged in conversation with his wife. The remains were accompanied by Rev. Mr. Grimm and family and by Mrs. Ross to Wahash, Ind., the home of the deceased, where the burial will be. Mr. Grimm will be absent two Sundays and during this time the pulpit will be occupied by a gentleman from Chicago.

It may be well for us to once again remind our readers and friends of the very interesting lecture to be delivered in this city by Geo. H. Himes, Oregon's well known lecturer. This lecture as before stated in our columns, is to be given under the auspices of the Mother's Club and will be held at Willamette hall on the evening of Friday, April 24. Mr. Himes is too well known to the good people of this city, to need an introduction through the press. His name need not be mentioned to arouse admiration and a feeling of interest on the part of the public. This lecture is to be devoted to early Oregon City history and will be of great interest to all our people. Remember and come and bring your friends.

COLLECTING POLL TAX.—Road supervisors throughout Clackamas county are now engaged in collecting the \$3 annual road poll tax, in pursuance to the new law. Every male inhabitant of the state between the ages of 21 and 50 years is liable for this tax, but a large proportion of them seek to evade it under the disability clause in the statute. Supervisors who collect from the laborers along the right of way of the O. W. P. & R. Co., meet with more or less difficulty in making the men understand how necessary

and even compulsory it is to pay the \$3 a year, "as everybody uses the roads, and so someone must pay for 'em." Some of the men think the company ought to pay the tax for them, and so they try various devices to elude the collector. The law, however, enables the supervisor to attach the \$3 in the hands of the employer in case the man refuses to pay. In this case the costs may run the tax up to \$7 or \$8, so it is better to pay the tax at once and have it over.

Dr. S. L. Roberts, whose death we regretted to chronicle last week, has lived a life that merits more than simply a passing, brief notice of his death. At the time of his death he was a member in good standing of Arazo Chapter, R. A. M., at Marshfield, Oregon, also of Myrtle Lodge, A. F. & A. M., No. 78, and of Elgin Chapter No. 24, O. E. S., and recently transferred his membership from the G. A. R. Post at Myrtle Point, where he resided for several years previous to his return to his old home at Hazel Creek, to Meade Post No. 2, Oregon City. In nearly all of these organizations he has, at various times, held official positions of prominence and trust, and his integrity and faithfulness no man could question. He was among the first to enlist in Co. H, 1st Ind. Heavy Artillery, and until the close of the war he proved himself a brave and efficient soldier. Twice he gave up preference that should by rights have been his, to others, because they were his seniors in years and because he loved their friendship more than the honor of advancement. Although but a sergeant, he was frequently placed in positions of trust and at one time was left in charge of Fort Gaines for several weeks. The happiest hours of his closing years were those spent in company with the veterans of the G. A. R., and almost his last request was for the "Boys" to bury him.

He graduated from the Kansas City Medical College in 1877 and in pharmacy from the Kansas City Pharmaceutical College in 1886. During his professional career, which was long and arduous, his highest aim was to do his best for suffering humanity, almost regardless of remuneration. His life was shortened by country rides when he should have been resting quietly in his own room. He was U. S. Pension Examiner for many years in Nebraska and also in Oregon, and his reports were acknowledged at Washington as being among the best entered there.

His Christian life began early in his youth, and his membership in the M. E. church and his office as local elder therein ceased only with his death, which occurred April 6th, 1903, at St. Vincent's hospital, Portland, Oregon. He was married to Annie E. Hoff, M. D., in Danville, Ill., Feb. 15th, 1882. He leaves a wife and one daughter. The remains were interred in the Oregon City cemetery.

On Easter Monday evening the annual parish meeting of St. Paul's church was held at 8 o'clock, presided over by the rector, the Rev. P. K. Hammond. The work of the church was thoroughly gone over and shown to be in an improved condition. New electrolers have just been put in by the guild of the Daughters of the King and many other little improvements made during the year. Vestrymen were elected as follows: Mr. H. L. Kelly, senior warden; Mr. John R. Humphrys, junior warden; Mr. Geo. A. Harding, treasurer—Mr. Wm. Waigt,

SEVERE ATTACK OF GRIP

Cured by One Bottle of Chamberlain's Cough Remedy

"When I had an attack of the grip last winter (the second one) I actually cured myself with one bottle of Chamberlain's Cough Remedy," says Frank W. Perry, editor of the Enterprise, Shortsville, N. Y. "This is the honest truth. I at times kept from coughing myself to pieces by taking a teaspoonful of this remedy, and when the coughing spell would come on at night I would take a dose and it seemed that in the briefest interval the cough would pass off and I would go to sleep perfectly free from cough and its accompanying pains. To say that the remedy acted as a most agreeable surprise is putting it very mildly. I had no idea that it would or could knock out the grip, simply because I had never tried it for such a purpose, but it did, and it seemed with the second attack of coughing the remedy caused it to not only be of less duration, but the pains were far less severe, and I had not used the contents of one bottle before Mr. Grip had bid me adieu." For sale by G. A. Harding.

Due Notice is Served

Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure, unadulterated witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment, and this fact has brought out many worthless counterfeits. Those persons who get the genuine DeWitt's Witch Hazel Salve are never disappointed, because it cures. Geo. A. Harding.

Arbor Day.

Last Friday was Arbor day at the Barclay school and the day was fittingly observed by teachers and pupils. In the eighth, ninth, tenth and eleventh grades there was a literary programme and each number merited the highest praise.

After the literary exercises, the whole school repaired to the school grounds and there planted several shrubs and a tree.

The little folks comprising the first, second, third and fourth grades, held exercises of a very pleasing nature and the following is the programme: Song....."America" School. Recitation....."I Know Something" Florence White. Recitation....."A Little Bird" Maude Park. Song....."The Bluebird" School. Recitation....."True Easter" Jessie Matthews. Song....."Arbor Day" School. Recitation....."A Secret" Clara Fields. Recitation....."The Daisy" Grace Stranzer. Recitation....."The Violet" Genevieve Shaver. Planting of plants. Song....."Easter Time" School. After this programme the primary grades united with the rest of the school in the tree planting exercises and they, too, planted several rose bushes.

Good for Children.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-maintaining oxygen to the blood and tissues. Geo. A. Harding.
