WILL BE THE BEST

Prospects Bright for This Year's Chautauqua.

DOLLIVER AND CLARK SECURED

Satisfactory Transportation Rates Have Been Granted—Will Be Baseball Tournament.

"There is every reason to believe that the meeting of the Willamette Valley Chautauqua Association this year will be the most successful ever held," said H. E. Cross, of this city, who is the secretary of the association. Mr. Cross says the Chautauqua people have already contracted to expenses over \$4000 in excess of last year's account. In securing attractions for the tenth annual meeting of the association, which will be held July 14 to 26, inclusive, the board of directors has engaged lecturers of national reputation and prominence and contracted only for high grade entertainments.

The Chautauqua management has been peculiarly fortunate in securing the services, as lecturers, of Senator Jonathan F. Dolliver, of Iowa, and Congressman Champ Clark, of Missouri. These notables will each deliver two lectures during the Chautauqua sessions. Dolliver and Clark are recognized as the leading political lecturers of the national congress. The former was alluded to by President Blaine, as "the most eloquent man in America." Dolliver's fame as an orator and as a congressman has become part of the pride and history of the state. Clark is one of the favorite campaigners of the Democratic party and is none the less popular as a lecturer at Chautauqua Institutes and as a writer on political themes. He has served his district in congress for four terms.

Karl Germaine, a clever magician, has been secured for two entertainments. Prof. Germaine is said to be one of the most clever magicians, prestidigitators, illusionists and professors of the black art in the country, who give their time to the lyceum platform. His demonstrations in spiritualism and thought transference are said to be remarkable.

Mrs. Clara B. Burdette, of Pasadena, California, first vice-president of the General Federation of Women's Clubs, has been engaged and will have charge of the Parliament of Women's clubs that will be held on the grounds. The parliament will hold daily sessions and in addition to this routine, Mrs. Burdette will deliver one public address. Mrs. Burdette has the distinction of being the first woman who designed and built a club-house for women in the United States.

The managers of the Chautauqua hope to get the formidable Robert J. Burdette for a lecture this year. The attempt to secure the services of this entertaining lecturer has been made by the board of directors annually but Mr. Burdette declined each invitation during the summer months. There is an indication that he will deviate from his custom this year and the Chautauqua people are putting forth every effort to conclude an engagement with the eminent lecturer.

The physical culture and elocutionary work will this year be in charge of Mrs. Harriet Colburn Sanderson, of the Sanderson School of Expression and the Seattle School of Oratory, of Seattle. Mrs. Sanderson will conduct a young ladies class in physical culture daily, and in addition to several readings, will produce an entertainment giving "Expression Groups" by a company of young ladies, dressed in Greek costumes. This will prove one of the most interesting features of the Chautauqua.

Dr. W. F. Matthews, of Seattle, a lecturer of prominence on the Pacific Coast, will preach and lecture on July 19. Dr. J. Whitcombe Bromber, of Chattanooga, Tennessee, is scheduled for a sermon and a lecture on the concluding day of the Chautauqua, Sunday, July 26.

The Portland Ministerial Association will have charge of the program daily from 11 a. m. to 12 o'clock noon again this year. There will be in attendance a number of the brightest pulpit orators of the state. Subjects for this feature of the meeting are now being assigned the different speakers.

The board of directors has not yet secured a band but expects to close a contract with some competent organization soon. An appropriation of \$300 has been made by the management for athletic sports. The principal feature in this department of the Chautauqua program will be the baseball tournament, in which five teams will participate. There will be other athletic contests also.

Very satisfactory arrangements have been made this year in the matter of transportation rates. The Southern Pacific Company has agreed to a rate of 25 cents from Portland to the Chautauqua grounds and will run special trains throughout the day from the East Washington street station. Tickets will be sold on any street car in Portland, connecting with the City & Suburban lines, for 55 cents. That includes transportation to the grounds and admission to the Chautauqua buildings. The Southern Pacific Company will run one special train from Portland during the forenoon and at noon a second special will be started, the two trains alternating in leaving Portland every hour. This will be a decided advantage to the Chautauqua Association and will doubtless increase the attendance.

A RECORD VAULT

Will Be Absolutely Fire and Burglar Proof.

PLANS MADE BY ARCHITECT NEER

An Addition to Clackamas County Court House to be Built This Summer.

A small addition to the Clackamas county court house will be constructed this summer. The purpose to be served in that of providing a record vault and in this respect, the receptacle for the county records will be absolutely fire proof and as nearly absolutely burglar proof as possible. The present interior arrangement of the offices in the court house will also be altered to the extent that quarters on the lower floor will be created for the county school superintendent who now occupies rooms on the upper floor of the building. Work on the improvements that have been determined upon, will begin as soon as bids can be received for performing the contract and as the weather becomes favorable.

Architect Delos D. Neer, of Portland, was in the city Tuesday afternoon and submitted to County Judge Ryan plans for the new addition. The plans for the original building were made in 1883 by Mr. Neer, who was then associated with a Mr. LoRomer. In submitting his plans, which will likely be adopted by the court, Mr. Neer is unusually generous. "Rather than have the plans for the proposed changes and alterations made by another architect and run the risk of the architecture and general plan of the original building harmed, I would contribute to the county without cost my own plans and specifications," said Architect Neer in discussing the subject.

The new addition will be 18x21 feet and will be constructed at the rear end of the building. It will be used exclusively as a record vault in which will be deposited all of the valuable records of the county. The addition will be one story high, enclosed in two feet walls, with concrete floor and roof on steel girders. Attention will be given every detail that it may be made to conform to the style of architecture in the main building. On the north of the addition will be arranged a lavatory and wash rooms, something that is much needed at the court house. An estimate as to the cost of the addition has not been made.

As stated in the foregoing paragraphs, the arrangement of the offices on the main floor is to be altered. In this connection it is more than likely that some of the offices, particularly those of the clerk and the assessor, will at the same time be provided with some counters or railings—some means of conducting the work of those departments with a reasonable degree of privacy and without constant interruption from visitors. This is impossible in the clerk's office at present as there are no means by which any of the records of the office can be withheld from promiscuous inspection by a curious public.

Semi-Annual Reports.

The various county officers are preparing their semi-annual reports. These reports will show the aggregate expense of conducting the county for the past six months and will reveal the true financial condition of the county. It is understood these statements will show an improved condition in the financial standing of the county in that the aggregate of the county's indebtedness will be appreciably reduced. The administration of the county's affairs during the past half year has very generally been economically conducted. Any reduction in the county's obligations will be appreciated by the taxpayers who will give proper credit to the officers who may be responsible for such an improved condition.

Tax Collections.

Sheriff Shaver has collected on the 1902 tax roll a little more than \$100,000. The roll originally represented \$177,000 so it will be seen that the bulk of the taxes has been collected. Several hundred dollars of additional tax money was this week deposited in the county treasury by Sheriff Shaver.

GIFT TO UNIVERSITY.

Thomas Howell, of This City, Makes A Present to U. of O. of His Herbarium Collection.

Thomas Howell, of this city, has donated to the University of Oregon, at Eugene, his entire herbarium collection, consisting of over 10,000 species. The herbarium donated by Mr. Howell contains specimens collected from all parts of Oregon, Washington and Idaho, and also from Alaska. It is the largest collection of the flowering plants ever made in this region, and represents the life work of the donor. Mr. Howell's object in donating his vast collection to the University of Oregon was that it might be placed in good keeping and where it would be most useful.

The board of regents of the Eugene University appointed Mr. Howell field collector for the coming year.

Cases are being constructed to receive the appreciated and much valued gift, which will be open to the use of students next fall.

Mr. Howell is now completing an exhaustive book on the grasses, trees and flowering plants of the Northwest. This work is looked upon as authority by the botanists of this region.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armoek, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also used this wonderful medicine and today she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and \$1 bottles guaranteed by Geo. A. Harding. Trial bottles free.

A Love Letter.

Would not interest you if you're looking for a guaranteed Salve for Sores, Burns or Piles. Otto Dodd, of Ponder, Mo., writes: "I suffered with an ugly sore for a year, but a box of Bucklen's Arnica Salve cured me. It's the best Salve on earth. 25c at Geo. A. Harding's Drug Store."

CIRCUIT COURT MEETS.

Docket Contains 195 Cases—Jury Trials Next Week.

The regular April term of the Circuit court was convened Monday morning by Judge T. A. McBride, with a docket containing 195 cases. J. County Clerk Sleight, who is clerk of the court, says that fully fifty per cent of the cases on the docket are what are legally termed "dead" and should be finally disposed of by the interested lawyers. These cases have all been heard and disposed of in the court with the exception of the final order of the court and this formal act depends entirely on the attorneys in the case, who frequently become negligent. Such cases are an unnecessary burden on the work of the court and should be cleared from the docket without further delay, in the opinion of Clerk Sleight.

John W. Zinser, of Clackamas, and Herman Bonner, of Boring, were excused from jury service since they have removed from the county. Charles Lakin, of Milwaukie; Casper Kerr, of Milwaukie, and Thomas J. Burns, of Damascus, were also relieved from service as jurors at this term of the court. The other jurors were dismissed until 10 A. M. next Monday.

The following citizens are liable to jury service: Geo. W. Jackson, Marvum; A. B. Moore, Oregon City No. 1; Wm. Sken, M. J. H. A. Githens, Eagle Creek; L. Mautz, Maple Lane; E. H. Borghardt, Damascus; H. Kaus, Tualatin; R. G. Pierce, Oregon City No. 3; James Bell, Cascades; David McArthur, New Era; M. H. Kiebhoff, Abernethy; Geo. M. Hively, Milwaukie; John Heinz, Mackburg; Jacob Yost, Barlow; James Dickey, Molalla; H. W. Shaw, Mill Creek; Adam L. Walling, Oswego; John W. Moffatt, Oregon City; Frank Fish, Needy, Ed Harrington, Highland; N. Blair, Killen; Jacob Miley, Union; Victor Orison, Beaver Creek; George Knight, Canby; Ole Mickelson, Cascades; John Gleason, Oregon City No. 2.

The following cases have been settled and dismissed: Star Milling Co. vs. E. Parker, et al.; W. Tiffany vs. Oregon City and Bruce Curry. Divorce decrees were returned in the cases of Ida Neil vs. James S. Neil, Cora E. Griffith vs. Frank S. Griffith; David Brownrigg vs. Mand Brownrigg; W. A. Parker vs. Hattie Bell Parker, Ada May Dechand vs. Alexander Dechand, Anna E. Tennant vs. Charles A. Tennant, Mary J. Gans vs. Henry Gans.

Additional divorce decrees have been returned by Judge McBride as follows: Ethel J. Tobin vs. Edmond D. Tobin; Al Schug vs. Amy Schug.

The suit of the Oregon Water Power & Railway Company vs. Henry Nachand, for condemnation of property, and also the Boyer vs. Austin case have been set for hearing next Monday. On Tuesday the case of Wm. E. Markwood vs. John N. Howlett et al., will be heard. There will be no jury trials until next week.

EXAMINING WITNESSES.

Presenting Attorney Allen and deputy J. U. Campbell are conducting an examination of the witnesses in the seven criminal cases that await a hearing at this term of court. None of the cases are of particular importance.

MORE DIVORCE SUITS.

Four additional divorce suits have recently been brought in the Clackamas county court as follows: Anna M. Miller vs. August Miller, on charge of cruel and inhuman treatment; Annie Fitzgerald vs. Edwin F. Fitzgerald, cruel and inhuman treatment; Bertha Bell vs. Wm. H. Bell, desertion; Mand Lillian Fleming, cruel and inhuman treatment and failure to provide.

EVANS IS INDICTED.

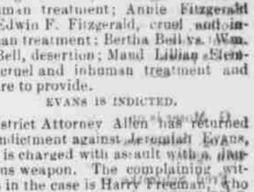

District Attorney Allen has returned an indictment against Jeremiah Evans, who is charged with assault with a dangerous weapon. The complaining witness in the case is Harry Freeman, who was the victim of Evans' anger last winter, when in some trouble over some floating piling, the latter discharged the contents of a shotgun at Freeman. Evans was arraigned in court, pleaded not guilty and being without an attorney, the court appointed Howard Brownell to conduct the defense.

Broke Into His Neighbors' Home.

S. LeQuino, of Cavendish, Vt., was robbed of his customary health by invasion of Chronic Constipation. When Dr. King's New Life Pills broke into his house, his trouble was arrested and he's entirely cured. They're guaranteed to cure, 25c at Geo. A. Harding's Drug Store.
