Fresh Drugs

The thing that most contributes the freshness of drugs in any drug store is the rapidity with which stocks are handled. The finest drugs will be found in stores with the largest trade; because in such stores the drugs are kept moving and have no chance to get old. Huntley's is such a store—goods coming and going all the time. Few druggists could keep drugs as fresh as ours no matter how hard they tried.

Take your prescriptions to Huntley's. HALF of all the REGISTERED DRUGGISTS in Oregon City with its 5 drug stores are at Huntley's.

We give the same careful attention to every Prescription—no matter what doctor writes it—no matter what druggist name is on it.

Margaret A. Smith.

Mrs. Margaret A. Smith, who died near Sherwood, Washington county, April 15, last, was aged 39 years, 5 months and 26 days.

She was born at St. Johns, Putnam county, Missouri, in 1863. In the following year she crossed the plains with her parents, John and Louisa Clear, arriving at Walla Walla in the fall of 1864.

Four years later she removed to Washington county, this state, where she was married on February 3, 1884, and has made her home in that county ever since. She is survived by seven children, three sons and four daughters, also an aged father and mother, one brother and four sisters.

The brothers and sisters of the deceased are: Mrs. S. J. Dickerson and Mrs. Mary Carothers, of Oregon City; Mrs. John Winters, of Rex, Washington county; Miss A. E. Clear and William Clear, of Sherwood. The seven children are: C. V. Graie, Lester, Lola, Marion, Leota and Winnie Smith.

Funeral services were conducted by Rev. Eldridge, a Free Methodist minister of Sherwood, and interment was had in the Wilsona cemetery. The services were largely attended by the friends and neighbors of the departed, who desired to pay a last tribute of respect to the memory of one who had been a faithful wife, a loving mother and a good sister.

She was loved by all who knew her. She was ever ready to assist the afflicted, generous to a fault, free to forgive and few had less enemies than she. She believed in doing good and died in the hope of a better future. During her last illness, which covered a period of seven weeks, she was ever patient and bore with remarkable fortitude the suffering to which her disease subjected her.
