Oregon City Enterprise

TOLD IN SIDEHEADS.

DIED OF TYPHOID.—Joseph Fromong, of this city, died at the Good Samaritan hospital in Portland Monday evening. The deceased was taken ill about ten days ago with typhoid fever and was removed to Portland last week for treatment. He was 39 years of age and is survived by a wife and four children. He was employed in the Willamette Pulp and Paper mills and was popular among a wide circle of acquaintances in this city. He was a jovial companion, welcome friend and neighbor, whom to know was but to like. In addition to being a member of Cataract Lodge No. 76, Knights of Pythias, the deceased was a member of Falls City lodge 59, A. O. U. W. Funeral services were conducted in the Woodmen hall at 2 o'clock Wednesday afternoon, the funeral sermon being preached by Rev. Grimm, of the Methodist church. The burial services were conducted by the Knights of Pythias lodge, assisted by the Workmen. Interment was had in Mountain View cemetery. The family have the sympathy of the entire community in their bereavement.

GETS GOOD PORTION.—J. M. Lawrence has gone to Bend, Eastern Oregon, to assume the duties of United States Commissioner, an office to which he was recently appointed by Judge Bellinger. Mr. Lawrence is well known in Oregon City and vicinity where he lived for many years. He was at one time editor and publisher of the Enterprise and for years represented the Oregonian as local correspondent. He afterwards went to Portland and accepted a place on the editorial staff of the big Portland daily and was subsequently elected secretary of the Portland Board of Trade. Ill health caused him to resign both of these positions and upon receiving the appointment from Judge Bellinger, he has gone to Eastern Oregon in hopes that the change in location may prove beneficial to his impaired health. The many friends of Mr. Lawrence congratulate him on his appointment and wish for him unmeasured success and a speedy restoration to health.

MANY VISIT FALLS CITY.—Sunday was the opening day of the summer season for Oregon City. Hundreds of Portland people took advantage of the favorable weather and visited the Falls, etc. whose popularity is a point of delightful outdoor recreation, with engaging scenery, does not diminish with succeeding seasons. Many attended the ball game at Canemah Park between the Oregon City nine and Schiller's team, of Portland, while others spent the time sight-seeing and in picnic parties. The expected program of entertainment for the visitors was somewhat abridged by the burning of the Canemah pavilion during the week. It had been arranged to hold dancing in the pavilion throughout the day, but the visitors found entertainment elsewhere. The pavilion will be rebuilt in about two weeks, and other provision made for the entertaining of Sunday visitors to this city.

MAY BE A CADET.—Eugene B. Horton, son of ex-Postmaster Horton, was in Vancouver, Washington, last week to take the examination before a board of army officers, for appointment as a cadet in this district to the West Point Military Academy. Mr. Horton took the examination at Salem a year ago and was graded as first alternate. Arthur Gallogly, of Eugene, who received the appointment at that time, is reported to be in ill health and may be obliged on this account to leave West Point. In that event Mr. Horton will stand in line for promotion if he made the necessary satisfactory showing in the recent examination at Vancouver.

SIR KNIGHTS AT HIGHLAND.—Clackamas County Sir Knight Maccabees are known for their gallantry at all times, and their reputation in this respect is probably only equalled by their ability to successfully conduct a basket social, as was demonstrated by the Sir Knights of Highland on Saturday night last. The social was in every way a success and was productive of a most enjoyable time. J. W. Sherwood, of Portland, state commander of the order, was present and delivered a short address along fraternal lines. Among those attending the social from this city were: Sir Knights G. B. Dimick, E. E. Taylor and Robert Westover.

NEW PRINCIPAL ELECTED.—At a meeting last Friday evening of the board of directors of the West Oregon City School, Prof. W. G. Beattie, of Wrangle, Alaska, was elected principal of that school to succeed Prof. G. A. Prentiss, who is at this time at the head of that school. Prof. Beattie was graduated from the state university at Eugene in 1901, and has for the past two years taught school at Wrangle. The regular meeting of the board of directors of the schools of this city will be held on Monday evening,

May 11, when it is likely that the corps of teachers for the schools of the city for next year will be elected.

WILL REBUILD PAVILION.—G. C. Fields, assistant superintendent of the Oregon Water Power & Railway Company, announces that the company's pavilion at Canemah Park, which was destroyed by fire Wednesday night of last week, will be rebuilt at once. The old building will be replaced by a larger and a better one, the dimensions of which will be about 50x100 feet. Workmen have begun removing the debris from the scene of the burned building. The company expects to have the new building completed in twenty days and ready for the attractions that have been planned for the summer months.

JONES WILL SPEAK.—Hon. R. F. Jones, of Toledo, was a business visitor in this city the latter part of last week. Mr. Jones represented the people of Lincoln county in the house at the last session of the state legislature. While there appears to be but little interest in the coming congressional election at his home, Mr. Jones says that his county will give Mr. Hermann the usual good Republican majority for which that county is noted. He says there is no question but that Mr. Hermann will be elected. Mr. Jones expects to canvass the counties of Benton and Yamhill in the interest of Mr. Hermann's candidacy.

MARRIED TWENTY YEARS.—Mr. and Mrs. Richard Long, of Canemah, were very pleasantly reminded last Friday evening of the twentieth anniversary of their wedding. About forty of their friends had planned a surprise for the couple, and the affair was quite a success. Mr. and Mrs. Long were presented with a beautiful China set and some fine table linen. During the evening the guests in attendance registered their names in a book that had been provided for that purpose, and this was left at the Long home to remind the couple in future years of the very happy celebration of their twentieth wedding anniversary.

SUSPENDED PUBLICATION.—Charles Messerve, who at one time edited the Enterprise of this city, has suspended the publication of the Success, a semi-weekly paper issued at Medford. Mr. Messerve has been located at Medford for some time and in issuing his final number, takes occasion to comment on the lack of support generally that the people of that community show towards home institutions of all kinds. While Mr. Messerve has not decided where he will locate, his many friends in this city wish for him success wherever he may be located and in whatever business he may engage.

FOR RECORDING PURPOSES.—A book record typewriter is soon to be installed in the office of County Clerk Sleight. Clackamas County has one such machine in use in the office of County Recorder Stevens for the recording of deeds and other instruments that are filed in that department. It is the intention of the court to equip each of the departments at the court house, in which there is any recording work to be done, with one of these machines which have become to be recognized as the only proper way of keeping records.

TO REPRESENT OREGONIAN.—John W. Cochran, who recently accepted the position of city editor on the Enterprise, has been appointed Oregon City correspondent to the Portland Oregonian. He assumed his duties on May 1 and will continue to look after the news and business interests of this paper in connection with his Oregonian work. News items and social notes for the Oregonian may be left either at Huntley's drug store or the Enterprise office and these favors will be greatly appreciated by Mr. Cochran.

MORE HOPS CONTRACTED.—Two contracts covering the 1903 hop crop were filed in the office of County Recorder Stevens Saturday afternoon. The contracting firm in each case was Hugh F. Fox, of New York City, and the price stipulated in the agreement is 15 cents with an advance 45 cents per pound for harvesting purposes. J. S. Roberts, of Sherwood, Washington county, agrees to deliver 6000 pounds and John Fetter, also of Sherwood, will dispose of 3000 pounds on the same terms.

WHAT TIME IS IT?—This query can be properly answered by Thomas Cowing, the local Western Union Telegraph agent. During the week there has been installed in the company's office in this city a master, self-regulating clock and Tom can tell you within a sixteenth part of a second just what time of day it is. The new time piece replaces a clock of older model that has served the company faithfully for over ten years. The displaced clock was refilled at noon daily by placing it in connection with a wire from the Elk Observatory.

SLOT MACHINES SUPPRESSED.—All nickel-in-the-slot machines, cigar machines alone being excepted, have been again removed from the saloons and cigar stores of the city. The removal of these machines was made on the order of the city officials. The operation of all machines that a money has frequently been prohibited in this city, but after a lapse of a few weeks the devices are again installed to public sentiment again demands their suppression.

PRESENTED WITH PANE.—A delightful surprise was proffered on C. B. Moores last Friday evening. The day marked the close of Moores' administration of the local office, and those employed in the department decided to demonstrate a social way the very pleasant relation that at all times existed between themselves and the retiring register. During the evening Mr. Moores was presented with a beautiful gold-headed ebony from the employees of the land office.

LOCAL PEOPLE AWED.—Mr. and Mrs. E. E. Charman, of Portland Friday evening to attend a recital given at St. Helen's Hall the young ladies of that institution. Involving the entertainment the young ladies were assisted by Mrs. Walter Reed, Portland, and Mrs. E. E. Charman, this city. The latter took part in a double quartet and also in the choruses entertainment was pronounced to be a successful event.

NEW FREIGHT DE.—Contractors Jones & McKay have lined excavat-

ing for the new freight depot of the Oregon Water Power & Railway Company on Main street. This firm of local contractors has the contract for the new building which will cost about \$4550. It will be a one-story structure 66x125 feet, with graveled roof and sides of corrugated iron. The erection of the building will be hastened to an early completion.

WORK OF A MISCREANT.—Some time Monday night, an unknown culprit visited the second floor of the Garde building and demolished the two doors and entrances to the Christian Science hall which is located on that floor. The occasion for demolishing this property is not known since it is not believed that the Scientists have any enemies in this community. The deed is probably the work of some person of malicious inclination.

MORE HOP CONTRACTS.—W. O. Dickerson, of Ely, this county, has contracted to R. M. Galewood, of Portland, 10,000 pounds of 1903 hops at 14 cents, an advance of 5 cents per pound to be made at picking time. A. J. Ray, an Eastern dealer, has engaged 10,000 pounds of this year's crop from Wm. Brauch, of Marksburg. The contract price is 14 cents and 5 cents will be advanced for harvesting the crop.

SOCIALIST SPEAKING.—J. W. Ingle, of Corvallis, candidate of the Socialist party in this district for congress, was in the city last Thursday and Friday and in the evenings addressed audiences at the armory. The Socialists are making an active canvass in this district and in Clackamas county in particular. This county is the Socialist stronghold of the state.

SEWER ASSESSMENTS.—The sewer commission for sewer district No. 3, has completed the assessment of the costs of that conduit. Interested parties can call at the office of City Recorder Curry and ascertain their portion of the expense of making the improvement.

SEVEN YEARS OLD.—Little Miss Opal George observed her seventh birthday last Saturday afternoon by inviting a few of her young playmates in to spend the day. The little tots spent the afternoon in a search for flowers and afterwards enjoyed a delicious lunch.

CLAIMED ANOTHER VICTIM.—Typhoid fever has claimed another victim in this locality. George Finley Nicholas, aged 22 years died Monday evening of the fever at his home in Highland. Funeral services were conducted at the late home Wednesday.

BALL GAME SUNDAY.—Charles Kelly, manager of the Oregon City baseball team, has concluded arrangements with the M. programs, of Portland, for a game in this city next Sunday afternoon, May 10. An interesting game is promised.

WILL MEET AT LOGAN.—The Masons of Logan and vicinity have engaged the Grange Hall at Logan and will hold their meetings there in the future. The lodge has been convening at a hall between Logan and Springwater.

WILL BE WITH HERMANN.—Arthur Gallogly, a former Oregon City boy, will accompany Hon. Binger Hermann, as private secretary, during the tour of the First Congressional District by the Republican nominee.

About twenty-five thousand acres of land in Clackamas county is held by P. H. Marlay, et al, under tax titles, which will soon ripen into good titles if not defeated. I hereby agree to defeat any of those titles for about one-half the sum demanded for a deed by said P. H. Marlay et al. Otherwise no charges made. G. B. DIMICK, Attorney-at-law, Oregon City, Oregon.

A Little Early Riser now and then, at bedtime will cure constipation, biliousness and liver troubles. DeWitt's Little Early Risers are the famous little pills that cure by the secretions, moving the bowels gently, yet effectually, and giving such tone and strength to the glands of the stomach and liver that the cause of the trouble is removed entirely, and if their use is continued for a few days, there will be no return of the complaint. Sold by Geo. A. Harding.

A new line of children's hats and baby bonnets. Miss Goldsmith.

Thousands Have Kidney Trouble and Don't Know it.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also

convincing proof that the kidneys and bladder are out of order.

What to Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Sons of Swamp-Root Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

RIGHT SUMMER CLOTHES...

Here's the sort of Summer Suit you've been looking for; one that has style and finish, that fits and stays fit all summer; a summer suit made to wear, not simply to look at.
